Great Annual January Linen Sale

TUESDAY

AMONG the most celebrated and best patronized yearly sales at Donaldson's are the Linens, Muslin and Sheeting and Shirt and Collar Sales. These sales are planned months ahead and every effort is used to make them a grand success. Experience has taught the careful housewife that it pays her to buy largely at these sales and anticipate her needs for a year at a time when prices are very low.

THE present sale of Linens, Sheetings and Muslins is more extensive than ever and we feel warranted in saying that the prices were never lower. All the well-known makes are represented in quantities which would seem almost inexhaustible—and in addition to the regular service, tables of Linens are conveniently placed about the Main Floor to better facilitate buying, so that all can be waited upon without delay.
