# Donaldson's Glass Block.

**A Nice Luncheon**  
Can be procured at the Tea Room  
and Cafe at moderate expense.

## Saturday Specials From All Over the Store.

**P**ARTICULAR ATTENTION is called to the sale on engraved cards and letter heads, also monogram dies. This is one of the strong features of the Stationery Department and one in which we certainly excel. A strictly first-class grade of work at a very low price. The large number of orders received at these stationery events enables us to quote prices hard to duplicate.

**T**HERE ARE NO DULL DAYS at the Glass Block. The buying activity is kept alive by low prices on high grade goods. This is a rule which always prevails over the entire house. Particularly so right now, as this is naturally a dull season of the year, and no surer method can be adopted to promote active trade than to quote prices which you simply cannot resist.

You have noticed how easy it is to  
get waited upon at the Glass Block.

## January Sale of Engraved Stationery.
