Why Be Sick

Nature intended you to be strong. You have the physique, the constitution, and yet you do not feel the vim, the sand, the ambition one would expect in a person of your age. What is it? Why a lack of vitality-the foundation of vitality. Get it back; feel well, look well, act well. Life is beautiful when you have health. I can help you. My

DR. McLAUGHLIN'S ELECTRIC BELT

Is an absolutely positive oure for all forms of Nervous Debility, Loss of Memory, Weak Stomach, and all those Physical and Vital Weaknesses, Confusion of Ideas, Kidney and allied complaints, Rheumatism, Backache, Sciatica, etc., etc. It has cured thousands every year after every other known remedy has failed. The fact is, medicines cannot cure these complaints.

Some time ago I purchased one of Dr., McLaughlin's Electric Belts and used it carefully according to his directions and was completely cured of a bad case of rheumatism.

As I feel very grateful for the relief that I obtained through the doctor's appliance I cheerfully render this testimonial so that others similarly afflicted will patronize the doctor, for if they will do so they will find that the doctor's Belts accomplish everything that is claimed for them.

I was especially troubled with a lame back. It resembled lumbago, but as stated above I became entirely relieved of this trouble and all other pains and aches after I used the Belt.
