

DR. DYS SACHETS de TOILETTE

Known in Paris, London and New York as the Greatest Beautifiers of the Complexion.

These sachets revive and beautify the complexion naturally, and being composed entirely of the petals and pollen of flowers mixed with herbs whose beneficial action upon the skin is well known, are absolutely powerless to injure the most delicate skin.

For very young women, who have no lines about their eyes, it is advisable to use the Sachets Simplex and thus prevent the smallest lines of time. By squeezing one of these sachets into a basinful of warm water you have a delectably perfumed and milky solution that is most beneficial to the skin.

Many women alternate the Sachets, using Sachets Simplex at night and Sachets de Beauté in the morning, and they find that all the tired lines beneath the eyes quickly disappear.

The elderly can always use the Sachets de Beauté with advantage, but if her skin should be very dry, alternate with a sachet de Fraicheur, or if very oily, with a Sachet Concentre.

The blonde may safely alternate with a Sachet de Jeunesse, and the brunette with a Sachet a l'Aubepine, while the young girl may keep on with the Sachets Simplex forever.

At the June monthly meeting of the board of directors of the Young Women's Christian association all of the secretaries were re-elected for a year. It is probable that all will accept except Miss Stittman, who will return to Lake Erie college for some graduate work.

The secretaries have begun to take their vacations. Miss Ellen Douglas, physical director, has gone with Miss May Palmer of Clyde, N. Y., to the Yellowstone and Portland. Miss Christine Dahl, instructor in domestic science, will accompany her sister, Mrs. Bertha Dahl, on a lecture tour of six weeks with the South Dakota farmers' institutes.

Miss Anna M. Zinnel leaves Saturday for Chadwick, Ill. Miss Esther Erickson is spending her vacation in Minneapolis. The summer classes in domestic art, in which is included sewing, embroidery and millinery, begin this week with an excellent enrollment. The classes have their most last night with an attendance of eighty-eight. The club enrollment has reached nearly 125. The meetings are occasions of pleasant outings and exercise as well as instruction in the art of sewing. Mrs. E. M. Walrath is captain and Miss Burner purser.

As many association members are planning to go to Portland this year, arrangements made for them by the Portland association will be of much interest. A cottage has been erected on the exposition grounds for the use of women and children. The facilities afforded include a dining room, rest room, bath, lavatories, nursery and information bureau. Some of these privileges are offered free to members presenting their association cards and there are reduced rates on every other except luncheons.

The first northwest conference of the association under the auspices of the American committee will be held near Portland and Seattle. Mrs. Helen G. Barnes, extension secretary of the American committee will be the leader. A change has been made in the plan of the western conferences. These were formerly held jointly at Lake Geneva, Wis., but have grown so large as to be unwieldy. They have now been divided and the city conferences alone will be held at Geneva, Aug. 18 to 23. A western student conference will be held at Waterloo, Iowa, on the same dates and other students of the middle west section will be accommodated at a conference at Lakeside, Ohio, Aug. 25 to Sept. 5.

The Geneva meeting will have a very fine program, in which the following will assist: Dr. G. A. Johnston Ross of Cambridge, Eng.; Dr. John T. Kerrin of Jamestown, N. Y.; Dr. Frank T. Sawyer of Denver, Colo.; Mrs. Laura Radford, general secretary at Calcutta, India; Mrs. Alice Peloubet Norton of the University of Chicago; Dr. Annie Marion MacLean of the University of Chicago; Miss Bertha Lash of the Chicago School of Physical Education and Expression; Mrs. Lydia Lord Davis of Oberlin, Ohio, formerly of China, and Miss Annie L. The Young Women's Christian Association building opened the past week with eighteen enrolled. Mrs. Gray will admit new pupils for the school girls' class in sewing, Monday morning, and Tuesday the ladies class in sewing and embroidery will meet. Any one wishing to enter the millinery class will meet Mrs. Wyman at 10 a.m.
