

DEBTS INVOLVED IN FAILURES DECREASE

New York, July 6.—Commercial insolvencies in the United States during the first half of 1905 were 6,210 in number and \$55,044,355 in amount of defaulted indebtedness, according to the Journal of Commerce.

CANADIAN CROPS

Too Wet in Manitoba but Fine Prospect Westward.

Winnipeg, Man., July 6.—The wheat crop of the Canadian northwest will be the best the country has ever seen. From all over come reports of brilliant crops and weather that suits the farmers as to the time to order.

So far, no trace of any disease has been found and the only thing to be feared is black rust or early frost. If these keep off, E. O. Dillings says that at a conservative estimate the wheat crop this year will amount to over 70,000,000 bushels, against 55,000,000 last year.

So far, no trace of any disease has been found and the only thing to be feared is black rust or early frost. If these keep off, E. O. Dillings says that at a conservative estimate the wheat crop this year will amount to over 70,000,000 bushels, against 55,000,000 last year.

MINNETONKA

While lake business is certainly suffering under the adverse weather conditions and visitors from Minneapolis and St. Paul are slow to make their appearance, the southern guests are coming in every day and nearly all of the leading hotels the registers show arrivals from St. Louis, Kansas City and other southern points.

L. F. Sampson of the Sampson House, received word that Miss Gertrude Tanner of St. Louis is due to arrive at the hotel with friends July 12. The party will leave St. Louis Saturday, and will make the trip by way of the river.

W. H. Jones and family of Omaha will arrive at the Sampson House Sunday to remain for the remainder of the season.

J. D. Vivian of New York is at the Sampson House. Over Sunday Mr. and Mrs. J. A. Chalmers were his guests.

Mr. and Mrs. G. Clapham arrived from Minneapolis last week, and Mrs. J. T. Poorman of St. Louis and Mrs. J. T. Gill also of St. Louis, joined the company and are to remain here Tuesday. They will remain all summer.

Colonel James M. Wilcoxson of Carrollton, Mo., arrived Monday and he will be the guest of a party of the Missouri contingent.

Last night was hop night at different lake resorts, and while the attendance was light, the young people enjoyed the pleasant change. The hops at Tonka Bay hotel enjoy a great popularity, and the guests were sufficient in numbers to make it a pleasant event.

Next Wednesday evening the Minnetonka Boat club will give a hop at the hotel and Saturday will be the regular hop by the hotel management. A good deal of pleasant expectancy is felt in regard to the opening party at Spring party, which is announced for Saturday evening. The hops at the Excelsior Casino will be discontinued hereafter, as the dancing floor will be changed into a roller skating rink, while there is regret at the change, for the casino roller skating increases in popularity around here, and Saturday will be the regular hop by the hotel management.

The number of visitors at the Muckey House in Excelsior was considerably swelled by guests who came out from the city to spend the Fourth of July. Mr. and Mrs. Will Shepard and daughter came out and have been spending a week at the lake.

Mr. and Mrs. Platt Walker and son and Mrs. J. Gerber were guests over the Fourth. Miss Stuart, Miss Louise Benson, Frank Nutter, Jr., and Ralph Baldwin were guests of the hotel. Miss Katharine Norton entertained for over the Fourth. Miss Marian Thwing of Minneapolis.

Miss Mabel Moore was the guest of her sister, Mrs. H. B. Child, over Tuesday.

Mrs. F. S. Muckey is a summer guest. Mrs. F. W. Muckey is entertaining Miss Larson of Owatonna for a few days.

Miss Alice Wood, who is spending a few weeks at the Clark cottage, Excelsior, entertained a family party at the Muckey house over the Fourth.

Mr. and Mrs. E. J. Morawetz, Miss Williams, Miss Radston, C. A. Andrew, J. J. Thornton, Ed Levering, Miss F. M. Barr, H. S. Brokke, H. B. Wood, W. Watson, George P. Dickinson, Miss Lillian Dickinson, Miss Emma E. Hopkins, Miss Louise Dickinson, P. F. Still, Mr. and Mrs. Wright, Miss Grace Kimball, Miss Edith Klein, J. A. Mitchell, Elva Johnson, R. B. Hall, Miss Anna Murray, Miss Jennie Irvin, C. J. Johnson, Mr. and Mrs. E. E. Capps, Miss Florence Conroy, Miss Mildred Gibson, William A. Bradford, Miss Ethel L. Frye, Mr. and Mrs. Fred Strauss, Minneapolis; Mrs. O. S. Gates, Miss Tompkins, John Crosby, Elmer Crosby, St. Paul, were guests at the Hotel La Paule over the Fourth.

The Fourth of July showers did not dampen the spirits of the sixty-five guests who picnicked at the summer home of Dr. W. J. Gray, Clover Hill, Gray's Bay. The large cottage on its slightly knoll afforded shelter, and games provided amusement, making the day a very enjoyable one.

Mr. and Mrs. E. Underwood and little daughter spent Tuesday at the J. E. Wyman cottage on the Burton place, Deephaven.

Mr. and Mrs. H. M. McAllister, Miss Bonnie McAllister and Miss N. Harroth of Springfield, Wis., spent Tuesday at the lake.

Messrs. Oscar Herber and Albert Holsten of Milwaukee were the guests of the Misses Louise of Gray's Bay for the past week.

Mrs. Charles W. Belden and son and Mrs. N. Silverstone, all of Chicago, will arrive at the lake Saturday and will be guests of Mrs. Lucius

THE PLYMOUTH Basement Salesroom
