Mrs. Robertson will leave for Des Moines after spending two weeks at Hotel La Paul, Excelsior.

The Secret of Good Coffee

Even the best housekeepers cannot make a good cup of coffee without good material. Dirty, adulterated and queerly blended coffee such as unscrupulous dealers shovel over their counters won't do. But take the pure, clean, natural flavored **LION COFFEE**, the leader of all package coffees—the coffee that for over a quarter of a century has been daily welcomed in millions of homes—and you will make a drink fit for a king in this way:

HOW TO MAKE GOOD COFFEE.
Use **LION COFFEE**, because to get best results you must use the best coffee. Grind your **LION COFFEE** rather than use the coffee in the package. First mix it with a little cold water, enough to make a thick paste; add white of an egg (if egg is to be used as a settler), then follow one of the following rules:
1st. **WITH BOILING WATER.** Add boiling water, and let it boil **THREE MINUTES ONLY.** Add a little cold water and set aside five minutes to settle. Serve promptly.
2d. **WITH COLD WATER.** Add your cold water to the paste and bring it to a boil. Then set aside, add a little cold water, and in five minutes it's ready to serve.
3 (Don't boil it too long. Don't let it stand more than ten minutes before serving. Don't use water that has been boiled before.)

TWO WAYS TO SETTLE COFFEE.
1st. With Eggs. Use part of the white of an egg, mixing it with the ground **LION COFFEE** before adding to each cup, and one extra for the pot. First mix it with a little cold water, enough to make a thick paste; add white of an egg (if egg is to be used as a settler), then follow one of the following rules:
1st. **WITH BOILING WATER.** Add boiling water, and let it boil **THREE MINUTES ONLY.** Add a little cold water and set aside five minutes to settle. Serve promptly.
2d. **WITH COLD WATER.** Add your cold water to the paste and bring it to a boil. Then set aside, add a little cold water, and in five minutes it's ready to serve.

INSIST ON GETTING A PACKAGE OF GENUINE LION COFFEE, prepare it according to this recipe and you will only use LION COFFEE in future. (Sold only in 1 lb. sealed packages.) (Lion-head on every package.) (Save these Lion-heads for valuable premiums.)

Court golf attracted a pleasant gathering of women interested in the game Wednesday or the Lafayette links at Minnetonka Beach, and the all-day tournament was a most interesting event. At the noon recess all gathered at the club for luncheon. Mrs. Frank W. Commons and Mrs. W. S. Nott had arranged the tournament, and among those who played were Mrs. C. E. Homan, the younger girls, one of whom, Miss Margaret Sexton, won the trophy. Among the players were, Mrs. A. M. Lindsay, Mrs. Nott, Mrs. Commons, Mrs. E. N. Oshkosh, Mrs. H. G. Harrison, Mrs. F. N. Vacation Schools Appreciated.
The Women's clubs of Chicago raised the funds for the running of eight schools during the vacation. The school board makes a contribution annually of \$5,000, but is so thoroughly convinced of the value of the work which has been carried on since 1897, that it is considering seriously assuming the entire support and management of the schools and enlarging the facilities, which are now inadequate for 1,300 children being turned away opening day.

The work is wholly outside of books and includes nature study, manual training, pottery making, leather work, housekeeping, brass and copper work, bookbinding, drawing and singing. One day of each week is filled by an excursion to the country when material for nature study is collected. For the excursions each child is carefully tagged, and if he is unruly his tag is taken away and he is deprived of future excursions, but this seldom happens.

Clubhouse Decorations.
Not satisfied with being the projector and possessor of the first clubhouse erected especially for women in this city, the energetic and enterprising members of the West End Woman's club have determined that the interior of the clubhouse will be a reflex of the art and culture for which the club is noted. The large auditorium has been completely furnished, and the parlors and reception rooms contain some beautiful paintings and works of art. The last acquisition is a three-panel painting, each representing in bas relief a picture suggested by the following inscription, which runs beneath the panels:
Nature we love, and next to nature, art. We warm both hands before the fire of life.

The Salesmen's Picnic.
The City Salesmen's association will hold its tenth annual excursion and picnic at Annandale Wednesday, July 26. Great preparations are being made for "a day of joy." There will be a baseball game and athletic sports of all kinds, dancing, boating, fishing and bathing. Everything, in fact, to make the day complete. The famous vocal group, the Newsboys' band will be in attendance all day. Luncheon will be provided at Annandale for those who do not care to bring them. The train will leave the Soo depot at 8:30 Wednesday morning. Tickets for the excursion at 7 p.m. Tickets \$1; children 50c.

Winning "Soo Line" Exhibition.

Mr. and Mrs. Julius Elliott Miner entertained a reunion of the members of the alumni of Olivet college, Michigan, at their home on Gideon's Bay, Wednesday. A 6 o'clock supper was served on the lawns and the decorations were oak leaves. There were twelve guests.

The vaudeville entertainment given last night at Tonka Bay hotel was attended by a host of people and the clever amateurs on the stage received well-earned applause. While the rains had kept some of the visitors from across the lake away, the large dining room was completely filled and the success of the performances was so great that there is rumor of having a repetition of the show next day. For next Friday evening, a minstrel show is planned. This will be funny in the extreme, as among the minstrels will be many of the prominent lake people, who are wearing their identity under layers of blackened cork and black, curly wigs.

Mrs. F. C. Boynton and her daughter, Mrs. G. C. Lasky of St. Paul, are entertaining Miss Maude Eames and Ray Eames of Fergus Falls, Minn., at the Boynton cottage, Spring Park. Yesterday they gave a picnic and boating party for them on their launch, making a complete tour into the upper lake and taking in the trip thru Six-Mile creek to St. Bonifacius. The trip is one of the most delightful and has been open to boats only since the creek has been dredged. The creek runs out of Halstead's bay and travels along the most picturesque shores of that part of Minnetonka. Of late this tour has become very popular with the class of smaller craft, and almost daily parties travel thru that, up to the present time unknown, territory.

Mrs. C. A. Buckman is chaperoning a party of young girls at the Shady Island house for a month. In the party are the Misses Eleanor Buckman, Clara and Mary McCune, Grace Wulford, Irene Parkhill, Katharine Stephens and Mrs. J. G. Guthrie. Miss Guthrie comes from St. Paul, and is visiting Miss Buckman. Yesterday a boating and roller-skating excursion was made to the Tonka Bay casino. The Mayday regatta was being held. At the noon recess of the sports were enjoyed, with a basket luncheon at noon.

The Zeta Theta Psi sorority girls were entertained at a picnic yesterday at the summer home of Mr. and Mrs. A. F. Bruchholz at Summerville. There were forty-five in the party and the hours were passed with games, sailing and swimming, and with a sumptuous basket luncheon on the spacious lawns. A number of the sorority girls who are visiting at the lake from out of town were among the guests.

In the afternoons and evenings athletic and social pastimes will be pursued to give the visitors at the assembly the desired rest and recreation.
