

CHINESE TORTURE AND KILL PRIESTS

Anti-Foreign Outbreak in South China Is Marked by Bloodshed.

Victoria, B. C., Sept. 4.—Advises were received from Peking by the steamer Athenian that the uprising of the Kalohus, an organization similar to the Boxers, is assuming serious proportions in southern Shansi. The in-

property remained. The refugees stated that the uprising was due to a general anti-foreign movement spreading thru the south of China. **Boycott Weakens.** While the boycott is serious there are signs of weakening. It was said that merchants seek to deal surreptitiously with Americans and cases are quoted where contracts have been made and antedated to July 15, when the boycott began.

Canton Viceroy Apologizes. Hongkong, Sept. 4.—Consul General Lay at Canton has demanded an apology from the viceroy for insulting posters displayed at that place. The viceroy has given ample assurances that

the guilty parties will be arrested and severely punished. Secretary Taff and Miss Roosevelt were entertained yesterday at luncheon by Sir Matthew Nathan, governor of Hongkong. Only men will be guests at the banquet which will be given by the Canton viceroy, who will be absent. Interesting developments are likely to result as an outcome of Secretary Taff's visit. Miss Alice Roosevelt will leave on the United States gunboat Callao for Canton on a visit to Consul General Lay.

If you once try Carter's Little Liver Pills for sick headache, biliousness or constipation, you will never be without them. They are purely vegetable; small and easy to take. Don't forget this.

TOWN SEARCHES FOR LOST WOMEN

Two Rescued from Wild Animals in the Swamps Near Pesh-tigo, Wis.

Special to The Journal. Menominee, Mich., Sept. 4.—Mrs. Charles Heidenworth and Miss Allie Conway, prominent ladies of Peshigo, Wis., who went to pick berries near that village yesterday, became lost in the

swamps and suffered greatly from exposure before found by a rescuing party. When night came on and they did not return the town was thrown into a furor of excitement. Guns were fired, bugles blown and bonfires started. Practically the whole male population of the town joined in the search and the women were finally found about midnight, in a sick hysterical condition from the effects of the cold wind and rain and the fright. Bears are numerous in the vicinity of Peshigo and it was feared the women would be attacked.

PARKER REALLY COMING WEST. Special to The Journal. Lincoln, Neb., Sept. 4.—Judge Alton Parker has accepted an invitation to visit Nebraska next year on his first trip west.

LORD CURZON TO LINGER

Viceroy to Tarry Long Enough to Receive Royalty in India. New York Sun Special Service. London, Sept. 4.—The Simla correspondent of the Daily Mail says it is rumored that Viceroy Curzon, who recently resigned, may stay in India until March in order to entertain the prince and princess of Wales when they visit that country.

MEXICO TO OUST LOTTERIES. Mexico City, Sept. 4.—It is rumored that on the expiration two years hence of the charter of the present public Beneficencia lottery it will not be renewed and that probably all lotteries will then be prohibited. Argentina and Uruguay have made a treaty agreeing to suppress lotteries.
