TIME WILL TELL, SAYS ROCKEFELLER

Oil King Looks to Future for His Vindication in Eyes of the World.

New York Sun Special Service. Cleveland, Ohio, Sept. 12.—Altho years ago John D. Rockefeller found it impracticable to speak for publication and he has adhered strictly to this rule.

At Peace with World. Today the oil king's clothes were neat of perfect fit; chosen with excellent taste and withal he was the picture of a well-groomed old gentleman.

Puzzle to Oil King. When told of the pleasure and surprise expressed by the press humorists who called upon him at Forest Hill last week and spent an hour in his company, he said:

Time Will Straighten All. "Time will straighten out many of those things," he said after a brief pause. And then suddenly referring to the jokers again:

Infinite Patience Necessary. Other topics came up, but as if referring to the remarks about the newspaper knockers he added to his comment that "time alters and adjusts almost everything."

Refused to Be Corrupted. "Often a captain would want me to put down the wrong side and I would assure him that it would never be known, that it was the customary way of doing things and that it was the right thing to do."

Young Man's Chances. "What are the young man's chances today?" Far better today in Cleveland than when I was a boy here. In those days this was a small city and the industries that flourish here today were undeveloped.

Welcomes Winter's Approach. Mr. Rockefeller said, as he looked out of the window at the drizzling rain and autumn gloom:

Interesting to Students. The schools and colleges will soon open for the fall term and there will be many self-reliant young men and women who will be looking for a good way to earn their expenses.

Fail Shooting, 1905. The passenger department of the Northern Pacific railway has issued an attractive booklet on Fall Shooting in the Northwest, giving reports from many sportsmen in Montana, Minnesota and North Dakota.

For any case of nervousness, sleeplessness, weak stomach, indigestion, dyspepsia, try Carter's Little Liver Pills. Relief is sure. The only nerve medicine for the price in market.

A Wonder Worker

MARVELOUS DISCOVERY FOR THE CURE OF ALL FORMS OF CONSTIPATION—NOT A HABIT BUT A CURE—YOU DECREASE THE DOSE UNTIL CURED.

After many years of study and practice a physician specialist has discovered the cure for constipation. It is called Chase's Constipation Tablet. "I do not mean," said the physician to several of his colleagues announcing his success, "I do not mean just another pill that breeds the pill habit. My remedy is a cure. By gently forcing all the digestive organs to perform their functions it restores them all to health and strength."

"THE MORE, THE LESS." "The more you take the less you need until you need none—for you are cured. My effort all along was to avoid the evil of the ordinary remedy which pampers organs already weak, and so makes the patient a slave to the pill. Remember—Nature expects every organ to do its duty."

Physicians have long recognized the fact that constipation is at the bottom of nearly every disease. It saps all energy, and makes life a burden; it opens the doors to all evil germs and makes the body too weak to resist them.

"THE VELVET WORKER." This new discovery is in small tablets, easily taken, which are packed in watch-shaped bottles which fit the vest pocket. The tablet is mild, all vegetable, never gripes or injures the most delicate organs. But it does the work so naturally and so gently that the patient is a slave to the pill. Remember—Nature expects every organ to do its duty.

Don't shuffle along with this great burden! Be healthy, be strong, be happy. Read our offer.

FREE.

To any reader of the Minneapolis Journal who sends us his or her name and address with five stamps to cover postage expenses, we will at once mail a full size 25-cent bottle of Chase's Constipation Tablets, the worker that CURES. No charge, no money to be paid. Write today, mentioning this paper, to the Chase Mfg. Co., Newburgh, N. Y.
