'Northwestern' and 'Minnesota' Pen-nants, 75c and \$1.00 Arm Bands, Cases, Ribbons, 25c, 50c & 75c

Clothes-Choice Has Swung 'Round Most Decidedly to the "Quality" Standpoint.

The Public Unerringly Looks to This Center for Winter Garments of Character.

Mid-season arrivals. Every new fashion. "Through and through" weave overcoat materials of highest types. New Scotch suitings. Coats cut over the proper long model form and with every style-wrinklet of the highest-priced to-order specialist.

Fancy Overcoats Have the Call

PALETOTS IN FANCY CHEVIOTS—An idea that never before found ready-to-wear representation. Altogether new and nobby. Coats cut on extreme lines in every detail. Fine broad "leaf" lapels. Velvet collars \$30

ENGLISH GREAT COATS—Correct London shape with a regular "Charing Cross" look about them. Large distinct plaids. Effects confined to the "upper-tend" of the clothing trade. Bench built. Superbly shaped. Silk shoulders with all wool cassimere body \$25

HERRINGBONE CHEVIOT TOURIST OVERCOATS—Deep broad lapels. Full chested. Coats that give the up-to-date athletic air of the "physically cultured" American. Powerful, swinging drape to skirt. New styles with the extra large so-called "cartwheel" buttons \$20

WOOL LINED FANCY OVERCOATS—Fine shapes in which Scotch cloth, extra wide proportions, large buttons and massive yet artistic lapels, create a distinct type of athletic vigor. Topped with Venetian. Some full Empress serge lined. Artistically drafted. Circular bell skirt \$18

SILK KNOTTED PLAID CHEVIOT OVERCOATS—Particularly breezy types. Single and double-breasted college effects. Auto shapes entirely unlike the to-be-had-everywhere sort. Correct lengths that will not interfere no matter how long the wearer's stride. Princess serge lined \$15

ORIGINAL BLARNEY CHECK OVERCOATS—Heavy, closely woven, staunch cheviots. Absolutely windproof construction and with all the style-virtues of those overcoats which other stores rank in the \$18 class. \$12

Plain Fabric Overcoats of Every Type

UNSHEARED ENGLISH WORSTED SURTOUTS—Blacks and oxford grays of distinctly swell cut and faultless construction. The most perfect outline-following shaped-in overcoat ever tailored. A veritable blue-blood in fashionable overgarments. Full serge lined. \$28

HULL MELTON AND ROYAL KERSEY RYTON COATS—Silk lined, single and double-breasted styles. Unfinished worsted "Continental" overcoats, the new box back and box front build, that allows of perfect freedom. "Westminster" and "Harvard" styles and belted "Russ" "Armyaks" \$25

ST. REGIS KERSEY BOX CUT OVERCOATS—Cut long and loose, with straight back drop and sweeping swing. Fabric milled in Lumb Lane Mills. Very scarce in this market and doubly desirable. Mervellieux silk lined, or wool cassimere lined with deep silk shoulders \$22.50

PATENT GERMAN KERSEY OVERCOATS—The top-notch of warmth and elegance. Luxurious, dashing, faultless. Straight 54-inch drop back. Blacks, browns and oxfords. Sumptuously silk yoked. "Warmback" suiting lined. Coats unknown in the best tailor shops at double this cost \$20

OXFORD AND BROWN WELT SEAM OVERCOATS—The welt seam is an overcoat fashion idea that has proved the season's "winner" on every count. The style bespeaks judgment and personality of the wearer. Stylish English kerseys, lined with double warp serge. Distinctive fashions \$18

ST. GEORGE KERSEY OVERCOATS—A stock on which this department's buying organization lays especial stress. Every high grade feature. Swellest, most lustrous kerseys. Browns, blacks, oxfords. Incomparable merit for price. Rank with the strongest \$20 offer elsewhere. \$15

Suits of Which the Predominating Feature is "Quality"

HAMMERSMITH GRAY WORSTED SUITS—A style affected by men who appreciate fashion's trend. Two shades. Creased seams. Wide lapels that seem to give wearer extraordinary breadth of chest and shoulder. Deep center or side slits. Concave waisted \$20

EXTREME WIDE WALE WORSTED SUITS—Deep gray double diagonals. Eight-inch side vents. Full hand tailored garments. Correctness is their very keynote. No to-order tailor can produce better style even at \$35 or \$40 in same high grade fabric. \$28

SILVER STRIPED CHEVIOT SUITS—Most modest patterns in dark grays, dark browns and dark blues. Some Herringbones. Center-vented coats made with Lachman non-breakable shoulders. Designs for the man who prefers the sedate-conservative in dress. \$18

BRETRY SCOTCH CHEVIOT SUITS—Latest smothered plaid patterns. Two-toned stripes. Coats made with advance winter fashion of seven-inch side vents. Double-breasted button-through vests. Heavy weights. Weaves that are new to the point of notice. \$20

IMPORTED HOCANUM WORSTED SUITS—Rough or smooth materials. Dark blues with finely traced silver plaids. Coats all extra long cut. Ultra-smart touches revealing fashion's newest winter ideas in both cut of garment and weave of material. \$24

BROKEN PLAID TWEED AND CHEVIOT SUITS—Long tough wool fiber pepper and salt mixtures. Heavy weights for winter wear. Long coats. Suits in which all seams are silk sewed and every thread of every garment is guaranteed all wool. \$15
