

WHOSE SAY-SO IS BEST?

With nearly all medicines put up for sale through druggists, one has to take the maker's say-so alone and exclusively as to their curative value. Of course, such testimony is not that of a disinterested party and accordingly is not to be given the same credit as if written from disinterested motives. Dr. Pierce's medicines, however, are an exception to this rule. Their claims to the confidence of invalids does not rest solely upon their owners' and makers' say-so or praise. The ingredients are matters of public knowledge, being printed on each separate bottle wrapper. Thus invalid sufferers are taken into Dr. Pierce's full confidence. Scores of leading medical men have written enough to fill volumes in praise of the curative value of the several ingredients entering into these well-known medicines. Amongst these writers we find such medical lights as Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago; Dr. J. H. Hale, of the same city; Prof. J. M. Souder, M. D., late of Cincinnati, Ohio; Prof. J. O. King, M. D., late of Cincinnati, Ohio; Dr. F. R. C. Johnson, of New York; Dr. Bartholow and scores of others equally eminent. The writings of these have been for the various medical journals and for publication in standard medical books for professional reading and instruction, and hence are the more valuable as they relate to Dr. Pierce's medicines, since the writers did not know that they were endorsing and recommending articles that enter into the composition of these medicines and had no personal interest whatever therein. Hence, their great value as endorsements. A brief synopsis, of a small part only, of these extensive writings, which apply to the several ingredients entering into Dr. Pierce's Golden Medical Discovery—the world-famed remedy for weak stomach, or dyspepsia, torpid or congested liver, biliousness, indigestion of stomach and bowels and kindred ailments—has been compiled for publication in book form. These extracts also treat of the several ingredients entering into the composition of Dr. Pierce's Favorite Prescription for weak, over-worked, "run-down," debilitated, nervous women, who find in it a precious boon. Send your name and address by postal card or letter, with request for this little book to Dr. R. V. Pierce, Buffalo, N. Y., and it will be mailed free of charge to your address. From it you will learn why "Golden Medical Discovery" cures catarrh of the nose, throat, and lungs, and is a most potent constitutional remedy for this terribly common and generally unsuccessfully treated malady. The cure will be facilitated if Dr. Sage's Catarrh Remedy be employed to cleanse out the nasal passages at the same time that the "Discovery" is employed for the constitutional treatment. The "Discovery" is equally efficient in the cure of catarrh of the stomach and bowels, and in cases of ulceration of these organs. Read what Doctors King, Souder, Grover, Coe, and others say of the curative properties of Golden Seal root and of Stone in the cures of the above diseases. Both these roots are important ingredients of "Golden Medical Discovery." From the writings of these same authors you will learn why "Golden Medical Discovery" cures chronic, or lingering ailments of the throat and bronchia attended with hoarseness, cough, soreness and kindred symptoms. Several of the ingredients in the "Golden Medical Discovery" are highly recommended for their specific, curative effects in laryngitis, or "speakers sore throat," as well as in incipient consumption, or obstinate, lingering coughs, which, if neglected or badly treated, are apt to end in consumption. From the same little book you may learn why Dr. Pierce's Favorite Prescrip-

WORKMEN DEDICATE HALL

NICOLLET LODGE LAYS CORNERSTONE OF NEW TEMPLE ON CENTRAL AVENUE.

With imposing ceremonies the cornerstone of the new A. O. U. W. hall at 308-10 Central avenue was laid yesterday afternoon in the presence of a thousand local members of the order. The new building will be the home of Nicollet lodge, the oldest and largest lodge of the order in Minnesota, and the building will be the first building erected by Workmen in the twin cities. W. B. Anderson, grand master workman, came from Winona yesterday to take charge of the ceremonies. Most of the other officers of the Minnesota supreme lodge were present to lend the grand master assistance. Preceding the exercises, the members of the order marched in parade from Seventh street down Nicollet, across Bridge square and by way of Central avenue to the site of the new building. Prayers were read by Master of Ceremonies Lennan opened the exercises with an address delivered from a platform built directly over the cornerstone. He spoke of the efforts for seventy years past of the lodge to build a hall and reminded his brethren that twenty-eight years ago Nicollet lodge had been organized within 100 feet of the place where it was now erecting a building. Grand Master Workman Anderson then took charge, and strictly following the ritual of the order, superintended the laying of the cornerstone. The grand reciter placed the orders in the masonry, and after the ritual, Grand Overseer A. F. Floorkey of Minneapolis pronounced the cornerstone well and duly laid, and the service was finished on the high note of Judge W. C. Tift of Long Prairie.

WHO IS GETTING MONEY?

ST. PAUL SALOONKEEPERS WONDER WHICH IS RAKING IN THOSE MINNEAPOLIS DOLLARS.

Thousands of Minneapolis residents visited St. Paul yesterday, but according to the statement of the St. Paul liquor men, they did not visit the city and the parks and stayed fairly clear of saloons. Disgruntled drinkers have set up a great cry since the Sunday-closing order was made by Mayor Jones and told of the thousands of dollars that were going to St. Paul every Sunday. Now each of which one of the rivals is getting all the money. Several saloonkeepers who are in a good position to catch the Minneapolis trade, say their Sunday business has not increased noticeably since the closing order. One wholesale merchant said that not more than \$500 of Minneapolis money is spent in St. Paul on Sunday. A three-minute service was maintained on the Interurban line all day, and the cars were crowded. The passengers, however, were largely family groups who were taking in the sights before winter comes. The suburban saloons around Minneapolis did their usual good business, but no trouble was reported and there was little drunkenness on the street. Saturday night, however, many heavy drinkers tried to imbibe enough to last over Sunday, but fell into the hands of the police and were up in between 6 o'clock Saturday evening and 3 o'clock Sunday morning, twenty-two men were locked up at Central station for drunkenness. No Minneapolis residents were locked up in St. Paul yesterday. The suburban and talk occasioned by the closing order is dying out, and those who boasted of their ability to stand their time in St. Paul on Sunday have tried it and learned that the fun thus obtained is not worth the money spent, and now are staying at home or spending a quiet afternoon at the theater.

INNOCENT MAIDS PLEASE

Show at the Dewey This Week Has Some Clever Features.

John F. Burke and his assistant, Wise Mike, two of the best burlesque entertainers in the business, are at the Dewey theater this week with the Innocent Maids company, a strong organization. Burke's comedy work is of the easy-going kind, but there is a hearty laugh for every minute that he is on the stage, and his humor has appeared here many times before in the same burlesque he doesn't work off any of his old jokes. Wise Mike, the educated donkey, does his burlesque in a very original manner, and has to take up for many failures of the lesser comedians. The burlesques were well staged and are replete with pretty and catchy features, but the chorus singing is usually well, but they are not quite up to the standard in their singing. The olio is one of the strongest of the season. The evening singing is done with their varied methods of entertaining, and Henry and Hodges take well in their musical specialty. Markey and Moran have a clever dialog with some clever dancing and parody singing and dancing and Elliot have a barrel jumping and acrobatic act that borders on the miraculous. It is a particularly dangerous and thrilling act. Eugene Jergs sings the illustrated songs in a pleasing manner, and the pictures show some very artistic and natural coloring effects. The closing burlesque is the funniest bit of nonsense that has been here this season. There is not a dry thing in it.

BAD COINS CIRCULATING

Spurious Quarters and Halves Thought to Have Come from Iowa.

Des Moines is suspected to be the headquarters of the spurious half-dollar gang which is operating all thru the northwest, including Minneapolis. Sleetscar, a conductor who reported that the money was handed them by a short, gray-haired man, wearing a closely-cropped mustache. Quarters, counterfeit make are associating with the bad half dollars. Both denominations of the bad money have the genuine ring, but the milling and the cut of the letters are imperfect.

NORDEN SOCIETY CELEBRATES

Norden society, the oldest Swedish society in the city, celebrated its thirty-first anniversary yesterday at its hall, Central avenue near Main street. The members with their friends and families made a gathering of about 400 people. The exercises began in the afternoon when Rev. G. L. Morrill made a short talk on his visit to Sweden last summer, and Harry A. Lund gave a short address. A bountiful dinner was served, after which there was dancing.

THE DRINK HABIT Leads to Inevitable Disaster "A little will not hurt me" has started thousands of men on "the downward path"—the path that leads to the destruction of all that is manly in man. The journey is sometimes short—sometimes long—but inevitably leads to disaster. If some poor, unfortunate victim of this baneful habit of drink—someone who is near and dear to you—has started on this path, lend him your aid. You can help him when he cannot help himself. White Ribbon Remedy a lasting cure for the Drink Habit, can be administered without the patient's knowledge in coffee, tea, water or food. No matter how strong his appetite may be for intoxicants White Ribbon Remedy will gradually cause him to imbibe less and less until finally he will give up their use forever. Thousands of former drunkards are to-day total abstainers through the instrumentality of a friend and White Ribbon Remedy. Thousands of women bear witness to the successful cures effected by White Ribbon Remedy. Physicians and Clergymen in all parts of the country recommend the use of White Ribbon Remedy.
