ITO SAYS KOREA HAS HOME RULE CHINESE IN FEAR GIVE UP BOYCOTT

Only in Foreign Affairs Does Japan Hold the Reins, He Declares.

Seoul, Nov. 28.—Marquis Ito, in summing up the Korean situation, dwelling upon the trust placed by foreign powers in Japan by allowing that government a free hand, the responsibilities of Japan to the natives, and the fact that the peninsula would not be an Eldorado for Japanese spoilsmen, said today: "Various irresponsible newspapers have greatly embarrassed Japan by writing of Korea as a conquered state, where the Japanese were free to do anything irrespective of the rights of foreigners and the natives, and that the Korean people were not to be considered." "This has aroused suspicions among the Koreans." "The emperor of Japan sent me to arrange a new treaty, with the emperor of Korea has agreed, altho the proposition met with some opposition from other sources." "Altho Korea has transferred her conduct of her foreign relations to Japan, she retains control of her internal administration." "We accept a great trust and a heavy responsibility and the foreign powers consent to the new arrangement." "The American government has already announced the withdrawal of its legation and others will follow, but America warns us not to abuse the natives. It is probable that Japan will advise those in control of the Korean departments of the government, but they will not be connected with the management." "The Japanese government or its resident general will deal with questions relating to foreign affairs, but it is not yet known who will be appointed resident general." "However, those Japanese who expect that the coming of this representative will signalize drastic or decisive measures for the exploitation of this country, disregarding all the rights of the natives, will find themselves mistaken." "We wish to benefit ourselves, but our greatest return will be derived from insuring the welfare of the people for whose destinies we now stand responsible."

CHINESE IN FEAR GIVE UP BOYCOTT

Terror Lest Wrath of God of Water Visit Them Is Moving Force.

San Francisco, Nov. 28.—Fearing that the wrath of the god of water would be visited upon them, the Chinese of Shanghai have, it is said, given up the boycotting of American goods. This change of sentiment was caused by the destruction by water of a large quantity of goods which were stored in the basement of the business houses in Chinese ports. They had been placed there by the Chinese merchants when the boycott was first instituted. This occurrence, during the inundation of that portion of the Chinese coast during a typhoon and tidal wave of a month ago. The news of the lifting of the boycott and the unusual means which brought it about, came here on the steamer Doric yesterday. Among the passengers was C. Ede, who has been in business in China for twenty-two years. He stated that the Americans had battled hard against the boycott, but it was due entirely to the superstition of the Chinese that the anti-American scheme has been eliminated.

J. J. HILL RETURNS FROM TRIP TO EUROPE

Hill said his trip had been for pleasure only, and that he is not buying the "Katy." He leaves for St. Paul today to spend Thanksgiving.

LIFE SAVED BY FAMOUS PILE CURE

Well-Known Resident of Moline, Ill., Rescued From Death by the Wonderful Pyramid Pile Cure.

To Anyone Suffering Name and Address a Free Trial Treatment Will Be Sent to Prove the Truth of its Great Power.

By every mail we get hundreds of letters like these: "I will say that two prominent physicians of our city declared that unless I underwent an operation, and that very soon, I was in danger of death. I saw your ad in a newspaper and at once sent for a sample which I received very promptly. I want to tell you that it was the first thing that cured the pain and itching and allowed me to have a night's rest for 7 long weeks. My husband immediately went to our druggist, Mr. Heinbach, and procured a 50-cent box. I am now cured and will always recommend you highly to every one. You actually saved my life. My mind, too, was almost gone from the pain. Yours gratefully, Mrs. Rose H. Stouffer, 1603 16th St., Moline, Ill."

The Pyramid Pile Cure quickly and easily cures the worst cases of piles, heals all ulcers and sores, reduces all inflammation and takes away all itching and burning.

Beware of the surgeon's knife. Its results are horrible, often wrecking life and resulting in hemorrhage and death.

Pyramid Pile Cure gives instant relief, you cure yourself in your own home, without being at all disturbed from your work.

It is prepared in the form of "easy to use" suppositories. A trial treatment will be sent to any one, absolutely free of charge who sends name and address.

After you are satisfied with the sample, you can go to your druggist and get a regular-size treatment for 50 cents, or if he hasn't it, send the money to us, and we will send you the treatment at once.

Send your name and address to Pyramid Drug Co., 6441 Pyramid Bldg., Marshall, Mich.

PROTEST FROM KOREA

Envoy Will Enter a Protest with the United States.

Paris, Nov. 28.—The Korean minister, Min Young Tohan, will sail for New York tomorrow on the Kaiser Wilhelm II to protest at Washington against Japan's assuming authority over Korea. The minister says the protest emanates from the emperor of Korea, who called instructions to present a protest to France and the United States. The American government has already been advised of Minister Min's coming visit. No details of the protest are obtainable. The foreign office has received a protest from Minister Min, but has not taken any action.

The minister's advice says that Japan's assumption of power was accompanied by a display of armed force and that the emperor was treated violently.

Inquiry in French governmental quarters indicates that there is no intention to act on the Korean protest. The official view is that Japan's assumption of the control of Korea was inevitable, and that the protest, although it may have been harsh, yet the situation does not warrant the powers in intervening, since China and Russia, which are principally concerned, have given up by treaties of Shimonoseki and Portsmouth the right to intervene. Consequently the French legation at Seoul will probably be withdrawn when the French minister at Tokio is raised to the rank of ambassador. The present representation at Seoul is continued owing to the French being charged with care of the remaining Russian interests in Korea.

CASSIE CHADWICK MAKES A THREAT

Woman Wants to Go on the Witness Stand and Expose Rich Men.

Cleveland, Nov. 28.—Mrs. Cassie L. Chadwick has expressed a desire to go on the witness stand in connection with the bankruptcy proceedings against her, and has written a letter to Referee Remington of the federal bankruptcy court requesting him to set a date for reopening her case. Mrs. Chadwick declares that if an opportunity is again given her to go on the stand she will tell without reservation all the facts concerning her financial dealings. For various reasons, Mrs. Chadwick said she had declined to give much desired information at her previous hearing in bankruptcy.

"No One Shielded." Now, however, she said nothing would be concealed and no shield would be put between her and the truth.

"It has been repeatedly stated," said Mrs. Chadwick, "that I borrowed more than \$3,000,000. Whether or not this is true will be shown when I again take the stand in the bankruptcy court. "If the supreme court at Washington decides against me and I am compelled to go to the penitentiary, I shall, before leaving Cleveland, send out some additional information that will doubtless prove of interest. There are a number of financiers who benefit very largely from their dealings with me. "If I am to be punished, it is no more than right that some of these men should suffer with me, for if there was any violation of the law, they are surely as guilty as I am."

Not Legally Married. According to a decision just made public by the attorney general of Canada, the marriage of Mrs. Cassie L. Chadwick and Dr. Leroy S. Chadwick is illegal. The woman's attorney, Jay P. Dawley, says that, tho the marriage was considered illegal in Canada, Mrs. Chadwick would not be bound by the law of Ohio, be Dr. Chadwick's common-law wife. The marriage of the Chadwicks took place in Windsor, when neither was a resident of Canada, and the attorney general has notified all justices of the peace throughout the kingdom that marriages of non-residents are invalid. This decision affects hundreds of Ohio couples who have crossed the border and married.

MOTHER'S FRIEND

Much of the drawing power of a Journal want ad depends on the way it is worded. It is always well to tell as much of the story as the reader will care to know. This brings him in closer touch with your proposition at the outset, and makes his investigation more likely.
