

CITY NEWS

TOWN TALK

EVENTS OF TONIGHT

Metropolitan Theater—"The Maid and the Mummy." Bijou Theater—Kellar, the Magician. Orpheum Theater—Modern vaudeville. Lyceum Theater—Vandeville. Unique Theater—Vandeville. Dewey Theater—"The Innocent Maids."

Art Gallery, Public Library Building—Art loan exhibition, Society of Fine Arts.

Hope Chapel—Lecture, "Palestine," Rev. Stanley B. Roberts.

Pictures for presents, The Beard Art Galleries at Dayton's. Wheatley Pottery Handicraft guild, 926 Second avenue S.

Mr. Almond of Indianapolis has an Andrews Hoop System.

Leather goods opening at Barnum's on Monday. See this year's new leathers at 715 Nicollet avenue.

A lecture will be delivered at Holcomb's hall, 45 Fourth street S, tomorrow at 8 p. m. on "What Class Should Rule?" J. E. Phelan of Chicago will be the speaker. Admission is free.

At the headquarters of the public ownership party, 723 Nicollet avenue, Carl D. Thompson will speak at 3 p. m. tomorrow upon "Social Democracy the Solution of Present Day Troubles." Seats free.

St. Paul's weather bureau is to be increased in size and efficiency. F. J. Williams, the local observer, has received word from Chief Willis L. Moore, Washington, D. C., that an additional man is to be sent to the St. Paul office.

The Young Woman's Christian association received a gift of \$25 from an unknown friend today. For ten years the association has been presented with a similar check at Thanksgiving time, and the name of the generous donor is still a mystery.

In all, 717 persons were compelled to answer charges in police court in November. Most of these were for drunkenness, but practically every charge in the criminal code can be found on the court roll, including murder in the first degree. There were 477 arrests for drunkenness.

State Senator Lowell E. Jepson gave an excellent address before the students of the Minnesota School of Business yesterday upon "How Business is Done in the State Legislature." At the speaker's invitation many questions were asked at the close, and much additional information gained.

The Minnesota Academy of Sciences will meet next Tuesday evening in the directors' room of the public library. Warren Upham will talk on "Glacial and Modified Drift of the Mississippi Valley," from Lake Itasca to Lake Pepin," and short reports on some recent experiments on "The Solubility of Cast and Welded Steel" will be given by Dr. A. L. Parsons.

A memorial service for Jewish victims of the Russian massacres was held at the Reformed Jewish synagogue, Fifth avenue S and Tenth street, last evening. Rabbi S. N. Delnard conducted the service and delivered an eloquent address on "The Blood of the Martyrs," portraying the suffering of the Russian Jews and the heroic quality of their martyrdom for their religious convictions.

The hall of the Swedish corps of the Salvation Army was the scene of a unique wedding Thanksgiving afternoon. Gjerda Peterson and Andrew Larson, both Salvation Army workers, were the contracting parties. Colonel Henry Lee of Chicago performed the ceremony. The hall was packed to its fullest capacity and the tax of 25 cents netted a neat sum for the army treasury.

Hoodwinks the Goulist. Madden Eye Medicin cures eyes. (Don't smart.) 25c.

"COLLEGE CRIMES" R. W. B. Riley to Discuss the Football Question Tomorrow.

The First Baptist church revival will be continued at least another week. The services last evening were splendid, and the audience being the largest one of the week, Thanksgiving evening excepted. Fifty-three have been approved for membership in the last seventeen days.

Sunday evening previous to the sermon on "Playing the Pool," the pastor, W. B. Riley, will give about ten minutes to the discussion of "college crimes," with special reference to the present football controversy. The subjects next week will be: Monday evening, "The Greatest Thing in the World"; Tuesday, "The Greatest Sin in the World"; Wednesday, "Grieving Away the Holy Ghost"; Thursday, "Lost While Lingered"; Friday, "Does Your Anchor Drag or Hold?"

Hotel Waverly. We'll make it warm for you when cold weather comes. Two suites, private bath. Two rooms, private bath. Two single rooms.

PROSPECTS VERY BRIGHT New Commandery Knights of Malta Faces Fine Future.

Several applications for charter membership in the new commandery of the Knights of Malta, soon to be installed in Minneapolis, have been received by the committee in charge of organization, and a bright future for the infant lodge is insured. Prizes worthy of great effort have been offered to stimulate the quest for members, and already applicants for the honors are striving to build up the new commandery. At a meeting of the committee in charge of the organization, Wednesday afternoon, the date for the institution of the new lodge will be set.

The Knights of Malta are an organization with a long and prosperous history. The new commandery will be assisted by the present members of the order in Minneapolis.

COUNCIL STICKS TO PATTERSON CO.

EIGHTEEN AGAINST SIX IS THE DIVISION THROUGH.

Alderman Hertig Continues His Contest in Favor of American Street Lamp and Supply Company, but His Minority Report Is Defeated by Same Vote that Awards Contracts to Patterson.

The adjourned meeting of the city council last night did not lack interest when the question of awarding the contract for gas streetlighting fixtures came up for settlement. Alderman Wendell Hertig, who has been leading the fight against the Patterson company, on the ground that its charges were excessive, submitted a minority report in favor of a cheaper bid and went down to defeat, the majority of the council voting in favor of the Patterson bid at \$12.25 a lamp as against \$11.75 offered by the American Street Lamp and Supply company.

Alderman E. C. Chatfield of the second ward moved the adoption of the report awarding the contract to the Patterson Street Lighting company, the price being \$12.25 a light without ownership of fixtures. This price included the cost of the fixtures for the year at \$11.75 a lamp with an option whereby the city can purchase the lamps at the end of the year for \$6.50 each or \$7.50 with governors. The minority report further says: "The acceptance of said proposal will give to the city the use of a complete new equipment and a light based on a consumption of 3,076 (average) cubic feet of gas per hour as against the Patterson light consuming only 3,003 (average), in addition to effecting a saving of over \$1,900 to the city, beside putting on the posts lamps that can be purchased at the above price."

"It would be poor business policy for the city to pay \$2,750 for the use of a governor to cut down the saving of gas on lamps, less than \$900. A minority of your committee reports the offer of the American company, to bid not to exceed \$10 per lamp for the year 1907, and not to exceed \$9 per lamp for the year 1908, provided the contract for the year 1906 is awarded to said company."

Shows Tabulated Records. Alderman Hertig also circulated among the council a tabulated statement of the records of lamps with and without governors, and showing the saving of \$1,800.65 to be gained in 1906 by accepting the minority bid. Under the sliding scale reduction, the city is assured a saving of over \$12,400 next year (1907) and over \$17,900 the year following.

Alderman Hertig and Chatfield indulged in heated debate over Alderman Hertig's motion to substitute the minority for the majority report. The roll call on the acceptance of the minority or Hertig report resulted in its defeat—the vote standing six for and eighteen against, as follows:

Ayes—Starkweather, Hertig, Holmes, Cantner, Patterson and Present Merrill—6.

Nays—Gerber, Ryan, Chatfield, Satterlee, Mumm, Rand, Nelson, Vaughan, McClure, Clark, Walker, McCoy, Anquist, Westphal, Bow, Ehle, Van Nest, Schoonmaker—18.

The vote on the majority report resulted in the same division.

Reduction of \$1.15. Under the bid the Patterson company is to receive \$12.25 a light for rent, maintenance and governors. This price is \$1.15 below last year's price, and a reduction of 59 cents from the first bid for 1906 offered by the company.

Minneapolis was given a \$5,000 contract for a new fire engine, and the Seagrave company of Columbus secured the contract for a new hook and ladder truck at \$4,965. Bayne and Hewitt of Minneapolis were given the contract for the steelwork of the Washington avenue bridge for \$47,987. Bids were received for the fire department printing and referred to the committee.

The outside milk-shippers are up in arms against an ordinance requiring them to submit to the same regulations with regard to inspections that the city dairymen are compelled to stand. A new ordinance went into effect yesterday ordering this inspection of outside dairies shipping milk to Minneapolis, and the outsiders wish the order repealed.

The local dairymen will fight the move on the ground that it is only fair that they should be given equal treatment with outsiders.

Alderman Holmes of the Fifth ward gave notice of the introduction of an ordinance providing for the construction of a spur-track across Seventh, Eighth and Ninth avenues S.

OFF TO CALIFORNIA Sunshine Route Popular—Tourist Cars from the Twin Cities to Los Angeles, California.

To accommodate the large and increasing tourist travel to California, a through tourist electric line has been established between St. Paul and Minneapolis and Los Angeles via the Chicago, Milwaukee & Santa Fe railways, the Sunshine Line.

Leaving Minneapolis at 8:20 a. m. every Tuesday, St. Paul 8:30 a. m., the tourist has a daylight ride through one of the most populous and richest agricultural sections of Minnesota and Iowa.

During the afternoon the train passes through some of the most thriving towns in Kansas—Lawrence, Topeka (where a stop of twenty-five minutes is made for dinner), Osage City, Emporia, Florence, Newton, Hutchinson, scenic Colorado being entered during the night.

The Panoramans of the Rockies. The next morning at an early hour La Junta, in Southeastern Colorado, is reached, and at this point the first view of the Grand Canyon of the Colorado, the hours skirting the eastern foothills and entering New Mexico near Raton. Williams is reached at noon on Friday.

This is the junction with the line to the Grand Canyon of the Colorado, and a stopover must be had here if a visit to the Grand Canyon is provided for in the itinerary of the tourist.

From San Bernardino until arrival at Los Angeles at 8:25 a. m. Saturday, the train runs through the garden spot of Southern California.

"Reasons Why." Briefly stated, the advantages offered by the Sunshine Route from the northwest consists of the shortest line to Southern California; a direct route to San Francisco and vicinity; great scenic attractions, including the Grand Canyon of the Colorado river in Arizona; a route less affected by snow than those through the more northerly Rocky Mountain passes; an easy grade, considering the route; equipment complete in all appointments, and a delightful climate.

For each double berth (one berth will comfortably accommodate two persons) the price is \$6.75 from St. Paul or Minneapolis to either Los Angeles or San Francisco.

Tickets and Berth Reservations. For the Sunshine Route your tickets should read via the Chicago, Milwaukee & St. Paul Railway to Kansas City, thence via the Atchafalaya, Topeka & Santa Fe Railway and connections to Arizona, New Mexico and California destinations.

For tickets, berth reservations in first-class or tourist sleeping cars, address W. B. Dixon, Northwestern Passenger Agent, 365 Robert street, St. Paul, or C. R. Lewis, C. P. & T. A., 323 Nicollet avenue, Minneapolis.

Valuable dogs are often vaccinated, as these animals are quite susceptible to smallpox.

NO RECORDS SHATTERED BY NOVEMBER WEATHER

The month of November, just past, failed to reach either the high or the low record in temperature, it did succeed in making a slight departure from the mean temperature established by the weather bureau records of sixteen years. The average mean temperature of November for the period covered by the bureau's statistics is 32 degrees; the mean temperature for the month just past was 35.2 degrees.

The warmest day of the month was the 11th, with a temperature of 61 degrees—the warmest November temperature on record is 73 degrees. The coldest day in the month just past, the 30th, had a temperature of -8 degrees.

The month's precipitation was greater than any on record save that of 1896, when 3.80 inches of rain fell. Last month's precipitation was 3.07 inches. The total was well above the average, which is 12 inches.

Cloudy weather predominated thru the month. There were only nine absolutely clear days. The partly cloudy days numbered ten, and the days when the sky was completely overcast eleven. There were only six rainy days during the month.

LAY COMRADE TO REST

Odd Fellows Have Charge of Funeral of Henry L. Riley.

The funeral services for Henry L. Riley, who died at his residence, 2932 Aldrich avenue S, were in charge of the North Star lodge, O. O. F., Thursday at the Lyndale Congregational church. The pastor, Rev. C. E. Burton, paid tribute to the character of Mr. Riley, showing that in his home life in business relations and as a citizen, in the community he was regarded highly.

In 1877 Mr. Riley left his native town, Philo, Ohio, for Mineral, Ill., where in 1886, he was married to Miss Ella B. Conbar. Mineral is the birthplace of their only son Bruce C. Riley. From Illinois the family moved to Denver, where they remained nearly ten years before coming to Minneapolis, where the family have since resided.

Mr. Riley leaves a widow, one son and two sisters, Mrs. Ella Kent of Moouequa, Ill., and Mrs. C. S. Hosmer of Anoka, Minn.

Senator Dubois has been a resident of Idaho for twenty-six years, and during twenty of them has been fighting Mormonism.
