

"There are beautiful flowers that are scentless, and beautiful women that are unlovable."—Kouelle.

The bal poudre at the Minikahda club last evening had a distinction all its own that marked it as one of the most delightful and beautiful gatherings of the year. The powder and patches gave a touch of old world dignity to both men and women and the masks and dominoes held a charming air of mystery.

The club was never more beautiful for holly, southern smilax and myriads of twinkling lights transformed it into an enchanted place in which every guest was an enigma. Handsome rugs covered the stairway and office, and great clusters of pink roses and carnations were in the large reception room where the chandeliers were shaded to represent great pink blossoms. The roses were also caught in the green tangle above the great fireplace where the Yule log burned. The glass display room was encircled with fir and pine trees glittering with tinsel and Christmas bells and poinsettia blossoms and red-shaded tapers were everywhere. The hall room was also in red and the poinsettia shades of the lights were vividly effective against the tracery of southern smilax that outlined the rafters.

Of course there was no formal reception group, but as the guests arrived they were regaled with hot Yule-tide punch and later frappe was served from a green-wreathed table. An orchestra played a program of dances that lasted until the supper hour and which was enjoyed by about 125 of the representative society people.

Mrs. Charles J. Martin entertained about 200 of the school and college set at an exceedingly pretty dancing party last evening at her home on Mount Curve avenue for her niece, Miss Ella Sage, who is home from St. Timothy's school in Maryland, for the holidays. Southern smilax was used in profusion thru all of the rooms and furnished a most effective background for the clusters of poinsettia blossoms, which flamed here and there. Ferns and palms in quaint urns and jars added their beauty and great Christmas bells hung from the doorways and arches. Mr. and Mrs. Martin and Miss Sage received their guests in the drawing room. Mrs. Martin wore a Marie Antoinette gown of gray silk and Miss Sage was in a frock of white silk. An orchestra played a program of popular dances and later a buffet supper was served in the billiard room, where poinsettias in a large Japanese basket and red tapers in silver holders decked the table.

The luncheon which Mrs. J. B. Gillfillan was to have given for Mrs. W. D. Washburn today was postponed on account of the illness of Mrs. Gillfillan.

A holiday gathering of college women was held today at the Town and Country club, when the Smith College club had a luncheon. The girls who are home for the vacation were the honor guests and altogether there were about forty present. The decorations were in the Christmas red and green except the place cards, which reproduced the college pin in white and gold. Miss Austin of St. Paul presided over the informal toasts after luncheon and those who responded were Misses Janet Gillfillan, Fanny Passmore, Fuller and Mrs. Woodhull of Minneapolis.

Miss Simmons entertained at luncheon this afternoon at her home on Colfax avenue for Miss Wells of Morris, Minn., who is her guest. Covers were placed for twelve and poinsettia blossoms furnished a brilliant table decoration.

Miss Elizabeth Wyman entertained a group of school girls at luncheon this afternoon at her home on Colfax avenue for Miss Ruth Harding, who is home from Dunwoody college, Milwaukee, and Miss Gladys Potter, a student of St. Clara college. Covers were placed for eight and a basket of holly was in the center of the table, while red satin ribbons were stretched to each cover and held the place cards. After luncheon Miss Wyman and her guests formed a theater party at the Orpheum.

Mrs. Thomas Roberts entertained at a luncheon yesterday afternoon at her home on Fourth avenue S for Mrs. Howard Mansfield of New York. Covers were laid for twelve.

Miss Katherine Shull attended the cotillion given by the St. Paul German club last evening in Ramaley's hall. Reece M. Newport and Edward Saunderson were the guests of honor.

FROM HEAD TO FOOT
You feel the good that's done by Doctor Pierce's Golden Medical Discovery. It cleanses, regulates and invigorates the stomach, liver and bowels and so purifies the blood. And through the blood, it cleanses, repairs, and invigorates the whole system. In recovering from grippe, influenza, pneumonia, or other exhausting diseases, nothing can equal it as an appetizing, restorative tonic to build up new flesh and strength. It is a sovereign remedy. Don't be hypnotized, wheedled, or over-persuaded into accepting a substitute only that some selfish medicine seller may make a greater profit on the inferior article. The "Discovery" has a great record of nearly forty years with thousands of cures behind it.

For every disease that comes from foul or weak stomach, a torpid liver or impure blood, Dyspepsia, Indigestion, Biliousness, and the most stubborn Skin, Scalp, or Scrofulous affections, the "Discovery" is a sovereign remedy. Don't be hypnotized, wheedled, or over-persuaded into accepting a substitute only that some selfish medicine seller may make a greater profit on the inferior article. The "Discovery" has a great record of nearly forty years with thousands of cures behind it.

Dear Sir—Several years ago my blood became impoverished and I became run down in health. I had no appetite, could not sleep, and was practically unable to work. Suffered from innumerable boils and was in bad shape. Dr. Pierce's Golden Medical Discovery relieved me of my wretched condition. The medicine built up my system and restored me to a normal condition of health. I can speak most highly also of Dr. Pierce's Favorite Prescription, as it has been used in my family for years in cases of female trouble.

Several musical numbers were given. Mr. Julian was the recipient of a number of handsome gifts.

The Misses Estelle and Nellie Purdy of Central Terrace, St. Paul, entertained Thursday evening in honor of Miss Susan Grove of Northfield, Minn. The rooms were decorated with hearts and bells, red being the prevailing color and carnations were used in profusion. An interesting program was given after which the bride was showered with numerous gifts. Miss Elida Bode and Miss Victoria Colby assisted the hostess in receiving the thirty guests.

A quiet wedding was solemnized in St. Paul Wednesday evening, at the home of Mr. and Mrs. Daniel P. Halliwell, 729 West Central avenue, when their daughter, Clara Estelle and Charles Erwin Roe of Winona, were married in the presence of the immediate families and about twenty-five other guests. Miss Lucy Halliwell, sister of the bride, was maid of honor, and Edward C. Parker, was best man. The bride's gown was French lawn and her bouquet was white roses. The maid of honor was also in white and carried pink roses. The bridegroom's father, Rev. A. D. Roe of Minneapolis, read the service, and Miss Dora Schaeffgen played the "Lohengrin" bridal chorus as the bride party entered the parlor. The rooms were decorated with smilax and Christmas holly. FRAZEE WAS NERVOUS

Northern Pacific Main Line Came Near Missing the Station.

Special to The Journal.
Frazee, Minn., Dec. 30.—Northern Pacific surveyors have been busy in the vicinity of Frazee, presumably to straighten the main line from Frazee to McHugh. A double line will be laid from Moorhead to the twin cities, and the survey is to make a cutoff to avoid a very long curve and a high grade between here and McHugh. The survey begins southeast of McHugh, and keeps south of the present track for some distance, then joins it again northwest of Frazee.

Much excitement was caused when it was learned that the survey might go southeast of Frazee. This would have brought the new line at the south of the present station nearly a quarter of a mile, and the north coast limited would have passed thru Frazee south of this station. The last survey will bring the new line to the old track, a mile above Frazee, and all trains will run thru Frazee as usual. Should the line be south of Frazee, the thru trains would miss Frazee depot and the town proper.

NEW 500 BRANCH

Line South of Flaxton Into Crosby County Planned, It Is Said.

Special to The Journal.
Flaxton, N. D., Dec. 30.—Soo line officials were here Tuesday arranging for storage grounds for ties and rails to be used in their extension west of this place. H. L. Laughlin, right-of-way agent, took the initial steps in securing right-of-way. He was guarded in his statements, but sufficient has been learned to warrant the announcement that the Soo will have a branch out of Flaxton and reaching into the Crosby county as soon as the work can be done in the spring.

Work of securing right-of-way will begin at once and the material will be shipped in this winter so that everything will be in readiness to begin the work thru. This haste is said to be due to a determination of the Soo to head off the Great Northern, which is coming here near Mohall, and passing thru Flaxton, will reach out into the Williams county country.

NECHE DIVISION POINT

Great Northern May Extend Branch to Portage la Prairie.

Special to The Journal.
Neché, N. D., Dec. 30.—While no official announcement has been made, it is understood locally that the Great Northern will extend this branch to Portage la Prairie, Man., in the spring. Surveyors have been at work north of Neche, near Gretna, the terminus of the southern branch of the Canadian Pacific from Winnipeg, for several days, and from all indications a new station will be made at Rhineland, a Minnesota village a short distance west of Gretna. This extension of the Great Northern, should it materialize, will make Neche a division point and would prove of benefit to the city.

Resign from Erie.

New York, Dec. 30.—F. A. Wann, freight traffic manager, and C. D. Thomas, assistant freight traffic manager, of the Erie railroad, have resigned. Thomas Brewster, office manager of the Erie, has been named as successor of C. D. Thomas. S. P. Hane, freight traffic manager of the Erie railway, will, after Jan. 1, be at the railway exchange, Chicago, instead of New York.

RAILROAD NOTES.

All sorts of information for the California tourist is contained in it, and it is full of interesting and general public information of the bright and sunny way in which it is edited, and its pictures.

General passenger agents of the two city roads gave a dinner Thursday at the Minn. hotel in St. Paul complimentary to F. B. Rice, district superintendent of the Pullman company, who goes to Chicago to be superintendent of the northwestern division.

The Minneapolis & St. Louis road yesterday announced that the rate of 75 per cent of the fare will be refunded to passengers in the southeast, southwest and south will be in effect the first and third Tuesdays in January and February.

The Chicago, Milwaukee & St. Paul road has announced that it will extend its thru tariff for the transportation of corn from the Missouri river to Liverpool, until Jan. 16. The road has discovered that it cannot haul all the grain it contracted for by this month, and fifteen days will be necessary to clear up all the orders.

Successful results attending the Great Western's week-end excursions have resulted in an extension for two months. It is expected that other roads, or at least one of them, will try the plan in competition.

A New York meeting the passenger department of the Denver & Rio Grande is sending out an album containing excellent pictures of some of the beautiful scenery along its route. "Some Peaks and Canyons" is the title of the book. The pages are of high quality and the pictures may be framed and made into attractive wall decorations.

Interesting excursions baggage books will be discussed at the Thursday meeting of the Western Passenger association in Chicago. Home-seekers' rates to western points will be taken up also.
