6,112,264,690 GALLONS

That is Amount of Water Pumped into  
Reservoir in 1905.

The exact amount of water pumped into  
the reservoir for distribution through the  
city last year was 6,112,264,690 gallons.  
This suits Supervisor J. H. McConnell  
as it is about 611,000,000 gallons less than  
was pumped in 1904. As it costs upwards  
of \$1 a million gallons to pump water into  
the reservoir, a tidy little sum has been  
saved during the past year.

When life's autumn comes, women, worn  
out by the burdens of motherhood, yet  
shrink from that second "change of life"  
which will banish these burdens forever.  
They fear a change in form, in features, in  
personal attractiveness.

Such fears are largely  
frustrated by the  
effects which this  
change produces in  
many women. But  
let woman need let  
these fears fret her.  
Those who have  
used Dr. Pierce's  
Favorite Prescription  
do not suffer from  
the change of life  
either in face, form  
or feelings as do other  
women. This fact  
is due to the in-  
timate connection  
of the general  
health with the  
health of the organs peculiarly feminine.

By preserving the health of these or-  
gans, and relieving the system from the  
debilitating drains, ulcers and inflammations  
which sap its health, "Favorite  
Prescription" paves the way for the  
natural change to come in Nature's way,  
without the loss of capacity to please  
others or personal inability to enjoy life.

"Your Favorite Prescription" brought me  
relief through the difficulty called  
"change of life," writes Mrs. Mary Essin-  
ger, of 344 E. Anthony St., Portland, Oregon.  
"This change made a very unpleasant dis-  
turbance through my entire system. I had  
hot and cold flashes, sick headaches, ex-  
cited, frustrated, nervous and irritable.  
My appetite was fitful and for days I was  
unable to eat a fair meal. My aunt recom-  
mended me to try Dr. Pierce's Favorite  
Prescription and it made a great change for  
the better. Within two weeks the unpleasant  
feelings had disappeared. I have a husband  
and eight children so have the care of a large  
family, but was able to attend to my house-  
hold duties without any difficulty and passed  
the period without any more trouble. I can  
recommend your Favorite Prescription as  
a grand medicine for women."

"You may be willing that somebody else  
shall say that their baby is just as good  
as yours, but you don't want that baby  
substituted for yours. Let dealers say  
what they like about other medicines  
being "just as good" but don't let them  
substitute anything for "Favorite Pre-  
scription." It's absolutely unequalled.

# 10 Social Circles

"Man carves his destiny; woman  
is helped to hers."—Julia Ward  
Howe.

Mr. and Mrs. Charles A. Bovey an-  
nounce the engagement of their daugh-  
ter, Anne Lansing, to James Archibald  
Ross of Toledo, Ohio.

The Cotillon club party at Elk's hall  
last evening was attended by over 150  
guests and was the occasion of a charm-  
ing gathering of the younger matrons,  
brides of the fall, debutantes of last  
year, and of this year, with the men of  
the club. The decorations in the hall  
inviting and every modicum of poinsettia  
blossom and bank of palms and ferns  
added to the festive spirit. At mid-  
night a buffet supper was served in the  
dining room from the tables decked in  
poinsettias and ferns. In the ball room  
stood a table with a large punch bowl  
resting on blocks of ice, which were  
illuminated from beneath by green elec-  
tric lights.

Edgar H. Pierson and Charles G.  
Ireys, two of the younger members of  
the club, led the cotillon and had ar-  
ranged the favors. By far the pretti-  
est was the closing dance, which was a  
miniature snowstorm, with snowflakes  
and snowballs used by the dancers for  
a mock bombardment. Two immense  
white cotton snowballs hung from the  
chandeliers and many of the many col-  
ored cornucopias filled with mock snow.  
At a given signal from the leader the  
strings were pulled and the great snow-  
balls and cornucopias emptied their con-  
tents over the group of merry dan-  
cers. In another dance the partners  
were chosen a very unique beerkeg and  
beer bottle race. Two men, one inside  
the keg and the other inside the beer-  
bottle, were given as a goal one of the  
pretty dancers, and their efforts to  
reach her were most laughable. Masks  
and flashlights were the paraphernalia  
for the beerkeg race. The girls wore  
white masks and the men black masks.  
The rooms were darkened and the dan-  
cers were chosen under the flashing  
light of the lanterns. Other pretty fig-  
ures were those in which the girls re-  
ceived fans, balloons, hoods, tulips,  
golf sticks, mirrors, etc., and the men,  
caps, sticks, pipes and neat little lunch  
sandwiches and spicy dill pickle as con-  
tents. Misses H. Alden Smith, Mary  
S. Hart and Cavour Langdon presided  
at the favor tables.

The Misses Marion Partridge and  
Rebecca Semple were the honor guests  
at a pretty informal luncheon which  
Mrs. George F. Porter gave at the  
Plaza hotel this afternoon. Covers were  
placed for eighteen and the decora-  
tions were carried out in Japanese  
fashion in a color scheme of pink and  
green, with azalias and carnations.

Mrs. Frank T. Heffelfinger enter-  
tained at a dinner last evening preced-  
ing the Cotillon club party for Miss  
Marion Partridge and Miss Rebecca  
Semple. Covers were laid for twelve  
and the decorations were carried out  
with pink American Beauty roses.

The Delta Theta fraternity of the  
Central High school gave a pretty  
dancing party at the Minikahda club  
last evening. Thirty couples danced  
and chaperoning the party were Miss  
C. C. Wynn, E. M. Gishington, Row  
Maxfield, Norman Newhall and W. R.  
Carpenter. The decorations were in the  
fraternity colors, blue and gold, and  
pretty banners were suspended from  
the ceiling. Clusters of pink carna-  
tions, the club flower, were on the tables  
and made a pretty setting for the sup-  
per appointments in the dining room.  
Hewitt Tabba, Gay Willets and Rob-  
ert Strons were the committee of ar-  
rangements. The souvenir programs of  
blue leather were embossed in gold  
letters.

The Junior Assembly, a dancing club  
which meets at the home of Mrs. M.  
M. F. Griffith, under the leadership of  
Miss Malcolm, will hold its regular  
meeting this evening. A German will  
be danced and refreshments will be  
served at midnight.

Miss Lotta Roosen gave a dancing  
party last evening at her home, 2401  
Humboldt avenue S., and the guests  
were the young people of the Flower  
mission of the Church of the Redeemer.  
The ballroom was decorated with poin-  
settia blossoms and southern smilax.  
A program of sixteen numbers was  
danced and there were several cotillon  
figures with pretty favors for the  
guests. The dancecards represented  
poinsettias and were painted by Miss  
Vera Jones. Light refreshments were  
served during the evening. Miss Roosen  
was assisted by her mother, Mrs. C.  
E. F. Roosen, and by the Misses Jones,  
Ella Phoehler and Marjorie Chase and  
Mr. Edwards.

Mrs. A. Bernier entertained about  
twenty of her friends at progressive

THE HEIDE CONCERT

Harald Heide, a young Norwegian  
violinist, appeared at the First Unitari-  
an church last evening in concert as-  
sisted by the Dovre Singing society un-  
der the direction of John Tanning, and  
by Miss Lillian Hamburg, soprano.

There was but a small audience pre-  
sent, owing to the counter attraction of  
the orchestra at the Auditorium, but  
those who heard Heide were amply re-  
paid for their going. While a young  
man, he is thoroughly artistic in his work,  
and is well qualified technically and  
temperamentally for violin music. He  
plays with a free bow and has a big  
crescendo. His best was the Sarrasate  
"Zigeunerweisen," which he played  
with clean and adequate technique,  
albeit it lacked somewhat the abandon  
that the number requires to make it  
moving.

The Dovre Singing society numbers  
were well rendered, and Miss Ham-  
burg's solo was well received. Miss  
Thekla Walquist made a sympathetic  
and efficient accompanist. The entire  
program was as follows:

- (a) Polonaise de concert.....Wieniasky
- (b) Legendes.....Wieniasky
- (c) Heide's Heide.....Heide
- (d) Song by Dovre Singing society under the leadership of John Tanning.
- (e) Romanza Andalus.....Sarasate
- (f) Ave Maria.....Schuber-Wilhelmi

France was discussed and the need of  
the work of the McAll mission in that  
country emphasized. Reports were  
given by the managers of the Minne-

churches and denominations and  
showed encouraging growth in spite of

### LACE CURTAINS and MUSLIN WEAR

INCLUDED IN THIS LIST.

OUR SALE is set a week later than others because we believe  
it is better. Christmas trade made strenuous days for the  
ladies and the merchants, and we believe a few days intermission  
very acceptable to all concerned. Furthermore, the delay gave  
the ladies time to consider their needs, look over their linen sup-  
plies, enabling them to buy with discretion, and full knowledge  
of their needs.

Our Linens are the very best; only trustworthy fabrics are  
found in our stocks, and we buy from the leading manufacturers  
of Ireland and Scotland, importing the goods direct from the  
mills. There is no opportunity like this to purchase for present  
or future needs, whether you want staple linens or those of  
the novelty class.

## FIRE AND WATER

Our magnificent stock of Fine Furs was slightly damaged by  
water in the fire of November 23d. We are closing out, and  
THIS ENTIRE STOCK IS NOW ON SALE, at a great sacrifice.  
This is your opportunity if you are in the market for  
furs. We have been in business here for the past 25 years, and  
this announcement should be appreciated. Everything must go.
