Constipation and Its Causes.

A Well-Known Remedy. Constipation is one of man's worst enemies, and half the bodily ills we suffer from are a result thereof. Nature meant that the bowels should be kept free and open—that we should have a free movement at least once a day. Of course, we ourselves are to a large extent responsible for our troubles by failure to observe nature's laws. Our habits are irregular, we eat improper food with undue haste, and when we find our bowels do not move, have resort to powerful drugs and medicines, which are so drastic in their action that, although they may purge at first, they damage the tender lining of the stomach and bowels so as to leave a worse condition than before. And why take such injurious and expensive drugs when we can obtain from any drugstore, much cheaper, a bottle of Nature's own remedy—the famous Mineral Laxative Water—HUNYADI JANOS bottled at the springs in Hungary; in use nearly half a century. One dose, 1/2 a tumblerful, drunk on arising in the morning, (slightly warmed for best results) will bring within an hour a refreshing movement—gentle, natural and thorough—without any griping or purging or other bad effects. A whole bottle costs but a trifle. Keep one always on hand. At all Drugists.

SORES-ULCERS THE BLOOD DISEASED PURELY VEGETABLE. THE SWIFT SPECIFIC CO., ATLANTA, GA. When a Sore or Ulcer is slow in healing it is the best evidence of a diseased condition of the blood and a disordered system. They show that the bodily impurities, which should pass off through the natural channels of nature, are being retained in the system from some cause. The blood absorbing the waste matters becomes steeped in poison which finds an outlet through the Sore or Ulcer, keeping it inflamed, painful and festering. As I have not words strong enough to praise your great medicine, I had it sore on my leg for years. It did not get it to heal. After taking S. S. S. it healed in a few days. I have never seen any sign of it since. Gant, Mo. JOSEPHUS REID.
