A Suit Clearance Sale That Is Founded on Facts

Every value precisely as stated. No subterfuge. No misleading generalities.

QUANTITY of garments less than that of previous years.
QUALITY, as a whole, highest ever shown in a clearance.

We have weighed every word of this statement and emphatically say—

\$12 \$15 \$18 \$20 \$22 \$25 Suits

No Overcoats in this sale. Overcoat stock is "clean-as-a-whistle,"—hardly a garment over two months old.

Sale does not include all our Suit stock—It is simply the half-yearly clearance of all ones, twos and threes of a kind in left overs and discontinued lines, irrespective of the cost.
Suits are best makes—NOT the specially-bought-for-a-clearance sort. They are the real overplus from the "quality" stocks, the finest in the world.

Individual values are unmatched! Every claim more than supported! When we say 'the long awaited \$8.88' it means results! As always, full size range of stouts, slims, regular and extra sizes.
