Recruiting for the Journal Cadet regiment is progressing at a rate that makes it seem probable that the twelve companies it is proposed to organize will be raised within a few days, possibly this week. The recruiting headquarters on the second floor of 51 Fourth street S will be open from 4 to 6 o'clock this afternoon and from 10 a. m. to 6 p. m. tomorrow. Tomorrow evening at 7:30 o'clock the boys who have joined the regiment, as well as those who contemplate doing so, are invited to the Holcomb hall, third floor of 45 Fourth street S. The boys will be assigned to companies, and hours and places for drills will be announced. The Journal Newsboys' band will furnish music and the crack drill squad of the University Cadet corps will give an exhibition.
