Why Doctors Order Pabst Beer

Refreshes and Strengthens the Body with Predigested Nourishment.

As a strengthening, nutritious food, physicians and scientists now agree that there is nothing, perhaps, more beneficial than pure beer. Pure beer, rich in the food extractives of malt and the tonic properties of hops, nourishes the whole body, restores wasted tissues, invigorates the blood, refreshes a brain and aids greatly in the digestion of solid foods.

Pabst Blue Ribbon Beer is known by physicians everywhere as the best because of the absolute purity of its ingredients. Because of the exceeding salubrity of the exclusive Pabst method of malting and brewing, Pabst beer is considered perfect beer, and perfect food. It contains 12 per cent food properties derived from the eight-day barley malt (exclusively malted). These consist chiefly of sugar and other carbohydrates so necessary to the health of the body, along with proteins, potash and phosphorus, all which nourish and build up the body and brain. This 12 per cent food value, the reader must understand, is 12 per cent, equal indeed to the percentage of pure milk, a percentage of water in each instance being 88.

If your food doesn't taste just right, if your digestion is a little "off," or if your appetite is poor, try Pabst Blue Ribbon Beer for a few days and find for yourself that it is good food.

WILD WITH ITCHING HUMOR

Eruption Broke Out in Spots All Over Body—Caused a Continual Itching for Two Years—Doctor's Medicine Did no Good—Cured at Expense of only \$1.25 and Now

THANKS CUTICURA FOR COMPLETE CURE

"Some time ago I wrote you for a book on the Cuticura Remedies and received it O. K. and went and bought the Soap, Ointment, and Pills. They did me more good than any medicine I ever used. They cured me of my skin disease, and I am very thankful to you. My trouble was eruption of the skin, which broke out in spots all over my body, and caused a continual itching which nearly drove me wild at times. I got medicine of a doctor, but it did not cure me, and when I saw in a paper you had sent me to you for the Cuticura book and I studied my case in it. I then went to the drug store and bought one cake of Cuticura Soap, one box of Cuticura Ointment, and one vial of Cuticura Pills. From the first application I received relief. I used the first set and two extra cakes of Cuticura Soap, and was completely cured. I had suffered for two years, and I again thank Cuticura for my cure. If you wish, you may publish this. Your friend forever, Claude N. Johnson, Maple Grove Farm, R. F. D. 2, Walnut, Kan., June 15, 1905."

JEW ATTACKED THRU CHILDREN

RUSSIANS PERSECUTE PARENTS BY CRUELTY TO SONS.

Michael Rosenthal, a Refugee from Kishinef, Now in the City, Tells Shocking Story of Conditions in His Home City—Says Revolution is Weakening.

"You are familiar with the wrongs of the Jews of Russia, but if you knew more of the conditions there you would be sorry for the Christians also. This is the statement by Michael Rosenthal, a Kishinef refugee, who is visiting friends and relatives in the twin cities.

According to Mr. Rosenthal, who left Russia a month ago, the revolution is weakening before the secret attacks of the government. Every progressive man, whether Jew or gentile, is the object of underhanded persecution by government agents who are apparently the hoodlum element of the population.

"They say that the persecution of the Jews is dying out," says Olaus Feinstein of 26 Washington avenue S., "but what Mr. Rosenthal told me yesterday would indicate that it is not. He says that, while open riots are not as common and are suppressed, the government has found a worse way of forcing liberal Christians and Jews out of the country or terrifying them into submission. It is by attacking their children. It is not safe to send a child from its home to its school, because roughs, secretly in the government pay, are likely to waylay it, ill-treat it and perhaps kidnap it."

Rosenthal had a prosperous business in Kishinef and wished to stay in Russia. But he also has a boy of 13. The mother would not let her child leave the house to go to school and he finally yielded to her pleading and came to this country.

"This last persecution is the most trying of all that have come to the liberals of Russia. The government will take into its pay any tramp who will agree to do its bidding, and once a man is marked as a Jew, a Roman Catholic or a liberal, his children are not safe outside the house.

Mr. Rosenthal told me that the persecution of the Christians is almost as severe as that of the Jews.

"Maxim Gorky will not be asked to come here to speak. We are anxious to hear him, but he speaks only Russian and there are not enough Russians in Minneapolis to pay the expenses of his coming."

TWO LABORERS KILLED UNDER FALL OF GRAVEL

A rushing avalanche of sand and gravel crushed out the lives of George O'Neil and Nels Sanderson yesterday afternoon while they were cutting away a hill at Clearwater Junction on the Great Northern railroad company.

The workmen were using a steam shovel and were cutting away the bottom of a hill and allowing the earth and gravel to fall from the top.

At each rush of gravel they would step back out of danger until everything was quiet. Yesterday they had worked several hours and no gravel fell until 7:30 a. m. Suddenly, without any preliminary signs of a fall, the top of the hill began to slide. All of the workmen except the two that were killed ran to escape, but O'Neil and Sanderson were further under the ledge and were buried beneath the sand.

As soon as the slide was over the workmen began digging to rescue their comrades, but it was more than half an hour before they could reach them. They found the dead bodies and notified Coroner Kistler, who ordered the corpses sent to the morgue. O'Neil's father, who lives at 224 Girard avenue N., claimed his son's body, but early this morning no one had claimed the body of Sanderson. Both were young men and were single.

NIGHT OF FESTIVITY MAY RESULT IN DEATH

John Zahara of Northeast Minneapolis is in a critical condition as the result of a revolver shot wound received Sunday night in a little celebration. Alex Jorenka and Simon Warhol are locked up and will be held pending a change in the wounded man's condition.

The police say that the affair started innocently enough, but ended badly. The men met at one of the houses in the vicinity of drink beer. The dozen or more men there were all armed either with knives or pistols. The liquor led to quarreling and there was a general fight in which Zahara got the worst of it.

The police were not notified of the affair until yesterday afternoon when George Ostfick swore out warrants for the two men now locked up. Jorenka, it is said, is the man who shot Zahara. All the men live near Seventh avenue NE and Ramsey street. Zahara is at his home attended by a physician and there is little hope of his recovery.

WHITE BEAR BRIM FULL

Property Owners Around Lake World Dispose of Extra Water.

L. P. Ordway of St. Paul, in the name of a number of owners of White Bear property, has requested the Ramsey county commissioners to construct a concrete culvert connecting White Bear lake with Bald Eagle lake at such a level that in time of high water White Bear may be drained into its sister lake. Mr. Ordway states that there used to be such a drain, but that it has been filled in. At present high water in White Bear does much damage to cottages and property of residents at White Bear. The matter will be acted upon by the county commissioners next Monday.

Advertisement for Fels-Naptha soap. It is quite certain that no woman would deliberately make any part of her work doubly as hard and take twice as long as is necessary. Yet that is practically what the woman is doing who clings to the slow, old-fashioned, wash-boiler, harp-rubbing way of washing clothes. Of course she doesn't do it knowingly. It's because she doesn't know Fels-Naptha soap. Fels-Naptha can do all the hard work—can get the dirt out of the clothes, without any boiling, without any hard rubbing; and in half the time. Why not let Fels-Naptha do it? Fels-Naptha works in cold or lukewarm water. It is not made for boiling-water. It's use is easy and simple. You wet the clothes, rub Fels-Naptha soap on, and put them in a tub of water for thirty minutes. In this half hour Fels-Naptha does what you used to depend on the boiling and hard rubbing to do. Then you give a light rub, a thorough rinsing and hang out. The wash is cleaner, purer—better every way, than it ever was before, and the clothes last longer. Why not try it? Follow the easy directions printed on the wrapper. All grocers sell Fels-Naptha soap. FELS & CO., PHILADELPHIA
