## Rheumatic Sufferers Can Now Get Immediate and Permanent Relief.

We have a great many testimonials from people cured in Minneapolis  
and nearby towns by Doctor Bellingham's wonderful remedy.  
Copies of the original testimonials will be forwarded to any one requesting  
same, so the persons may be communicated with direct, if desired. This remedy  
is absolutely reliable, and effects a cure in every instance. Here is one of the  
many testimonials we have:

T. C. Cunningham, Minneapolis, Minn., March 16th, 1906.

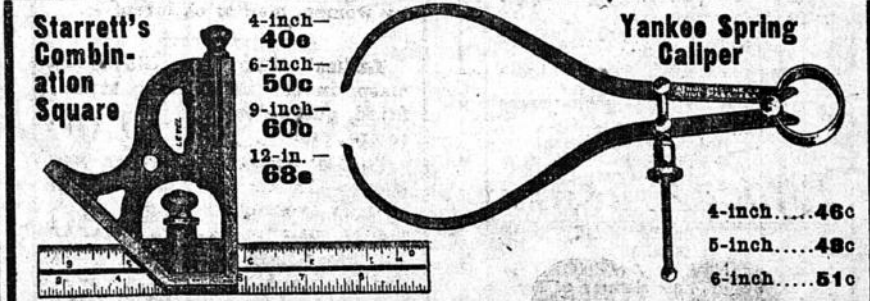

Dear Sir: Use this statement for the benefit of Rheumatic sufferers every-  
where. I had articular rheumatism in my hip and back; it was very painful  
and sore. I was so lame I could hardly get around. My back was drawn side-  
ways, and the muscles of my leg were short and sore. I began taking your  
treatment two weeks ago. The third day I felt very much relieved. I could  
get in and out of my wagon without much pain, which I could not do before  
taking your cure. In fourteen days I was entirely relieved. I now have no  
rheumatism or pain of any kind, and I am sure I am cured.

I hereby recommend your treatment to all rheumatic sufferers and I advise  
them to get it at once.

I live at St. Michaels, Minn. I work for Simon Deurr, 525 Plymouth avenue  
North, Minneapolis, Minn., and will cheerfully answer any inquiries regarding  
this matter. Signed, JOHN ZAHLER

Dr. Bellingham's rheumatic remedies are now on sale at the office of the  
Company, 308 Corn Exchange, Minneapolis, Minn., or will be sent to any address

## BADGER LEAGUE FANS HOPEFUL

Wisconsin State Circuit Players  
Getting Ready for Sea-  
son's Work.

Special to The Journal.

La Crosse, Wis., April 20.—With a season of  
experience and discussion which cost each of  
the six clubs in the Wisconsin Baseball league  
from \$500 to \$2,000, the organization will open  
its second season on May 3 with bright prospects  
and more than even chance to come out, all  
around, on the right side of the ledger.

Trouble with the Beloit team, which this  
year is not in the league, threatened for a long  
time to end professional baseball in Wisconsin,  
but the club was dropped and in its place was  
substituted a team to be operated jointly by  
Eau Claire and Chippewa Falls. A strong re-  
mand has been made all of the club for an  
eight-team league, and if the Fond du Lac club  
of the Fox River Valley Sunday league can be  
induced to come in before the opening of the  
season this will be accomplished, as Madison  
club team partly organized and is ready to enter  
the league.

May Have Eight Clubs.

The clubs now in the league are Eau Claire-  
Chippewa Falls, Wausau, Green Bay, Oshkosh,  
La Crosse, Freeport, Ill., and Madison and Fond  
du Lac are expected to enter the pennant race.  
Andy Porter, the old baseball man, will take  
charge of the new Eau Claire-Chippewa Falls  
team and "Pink" Hawley, a former league  
star, will manage La Crosse, with which  
he won the pennant last year. George Buser,  
with Beloit last year, will manage the Green  
Bay team, and William Morarty, who took  
charge of the Freeport team, near the end of  
the season will again be at the helm.

John Larie is succeeded by "Chip" Hanford  
in the management of the Oshkosh team, and E.  
P. Malvin will again guide the destinies of  
Wausau.

The season opens May 3 and closes Sept. 16,  
and has been extended from 110 to 120 games,  
which will give each club three more series  
with every other club. Each club will have  
sixty games at home and sixty games on the  
road.

Green Bay Is Strong.

Willard Dodge of La Crosse and Fred Beebe  
of Oshkosh have made surprisingly good impres-  
sions in the practice games of the Chicago Na-  
tional league team. President O'Neill of the  
Western league reports the badger colony is  
showing great promise in his organization. Per-  
ring is with Omaha; Alken of Beloit, Dolan of  
Oshkosh and O'Leary of La Crosse are doing  
work for the Des Moines club. Warner, Graves  
and Moore of Oshkosh have graduated to the In-  
terstate league.

George Buser has signed a pennant winning  
aggregation for Green Bay, and it is prom-  
ised his position in the race this year will be  
reversed from last year's. Stremmel, Schul-  
ski and Buser will comprise the pitching staff.  
Tenant is the only other man of last year's  
club remaining with Green Bay. Buser's new  
aggregation includes several good men from other  
leagues. They are Crites, Geller, J. E. McDon-  
ald, Al Sullivan, Hugh O'Brien, E. E. Slagle,  
Kovelsky, Brooks, Moks, Graham, Schneider,  
Cassel, Higley, Kerwin, Larue and Geyer.

"Billy" Moriarty, manager of the Freeport  
team, has secured an array of talent that should  
bring joy to the Freeport fans. He has several  
of his old men and a quartet of stars from the  
Clinton, Iowa, club. His list includes Peck,  
Meade, George Gwin, Easton, Conley, Barlow,  
Schoonhoven, Ives, Warhop, Scott, Sullivan and  
Reed.

"Nick" Malvin has strengthened the Wausau  
club with Householder and Carnell of Freeport  
and other fast men. He will have a strong pitch-  
ing staff in Garlis, Gasper, Livingston and  
himself. Some of the other men signed with  
Wausau are Tom Jones, Pappenfuss, Kroy, Kil-  
patrick and Eain.

Hawley Would Lead Again.

The "Invincible Pink" Hawley, who last year  
led the La Crosse team to first place, will have  
Cahill, Bond, Klock, Jones and Vogt from last  
year's team, and expects to pick new stars from  
the following new men: Schliefberg (with Free-  
port last year), Schrader, Bechtold, Dotson, Bes-  
ser, Kores, Schira, George and Reebore.

Andy Porter expects to pick a team for Eau  
Claire-Chippewa Falls which will be fighting  
for the pennant all season. Porter has a good  
reputation in the state as a developer of fast  
baseball players.

Conditions at Oshkosh looked discouraging for  
a long time, as too much lagging permitted  
other clubs to sign up most of the available  
desirable material. However, President O'Rourke  
is an experienced baseball man, and with the  
assistance of President Powers expects to get  
together a bunch of fast players. Chip Hanford,  
an experienced leaguer, has been en-  
gaged to manage the Oshkosh team.

Altho the schedule needs the sanction of the  
executive committee it is assured that Green  
Bay will open at La Crosse May 3 and 4.  
Oshkosh at Eau Claire and Wausau at Free-  
port.

The officers of the state league are: President,  
and secretary, John T. Powers, Chicago; vice-  
president, John F. Larie, Oshkosh; treasurer,  
W. A. Stevens, Freeport.

## HOPPE DEFEATS CURE IN BILLIARD PLAY

New York, April 20.—Willie Hoppe outclassed  
and outplayed Louis Cure in last night's match  
of the big billiard tourney. He defeated the  
Frenchman 600 to 386, Cure slipping up on many  
plays. The scores:

Hoppe—Total, 600; average, 27 14-15; high  
run, 77.

Cure—Total, 386; average, 18 12-13; high  
run, 86.

George Sutton, who made a new world's re-  
cord of 18.2 at billiards, met Ora O. Morning-  
star yesterday afternoon, and won by score of  
500 to 341. In the eighteenth inning he ran  
222. The score:

Sutton—Total, 500; average, 21 17-23; high  
run, 222.

Morningstar—Total, 341; average, 14 10-23;  
high run, 82.

ALUMNI TEAM TO  
PLAY THE GOPHERS

Tomorrow afternoon at 3:30 the university  
baseball team will play an official game when  
a team of alumni stars will line up against  
"Spike" Anderson's university team. Members  
of the alumni team have been working steadily,  
and they expect to trounce the undergraduates.

The lineup:

Manager—Catcher ..... Leach  
Brenna, Brown ..... Pitcher ..... Cooke  
Marshall ..... First base ..... Metcalf  
Robertson ..... Second base ..... McDonald  
Boyle ..... Third base ..... Plymatt  
Feldwell ..... Shortstop ..... Loomis  
Hurley ..... Right field ..... Belden  
Fidegona ..... Center field ..... Berz  
Linn ..... Left field ..... Anderson

BALL PLAYERS TO AID  
EARTHQUAKE VICTIMS

Special to The Journal.

Columbus, Ohio, April 20.—President Bryce of  
the Columbus baseball club announced this morn-  
ing that arrangements had been made with the  
St. Paul club to play a benefit game for the  
San Francisco earthquake sufferers at Nell park  
on Saturday, April 28. Half the gate receipts  
will go to the relief fund for the stricken citi-  
zens of that place, and in addition the Columbus  
management will also give half of the grand-  
stand and reserve section money for the fund.

"If ROSSMAN had not been a big leaguer of  
some experience he would have been tin-canned  
by Des Moines last spring, because he could  
not hit," says Howard Wakefield, who caught  
for the same club. "On our first western trip,"  
continued Wakefield, "Rossman could not hit  
them safe. In fact, for ten days he could make  
but one hit, and Mike Cantillon thought of  
benching him." But as there was an agree-  
ment with Cleveland that the big fellow should  
be tried out at first, Mike decided to keep him  
there for a little longer. And, wow, how Ross-  
man did clout the ball. There was nothing to  
it. He hit everything they fed up to him, and  
when the season ended he led the league with  
lots to spare."

THE ATLANTA players will receive \$3,000  
if they land the Southern league pennant this  
year. There's inspiration enough to produce re-  
sults.
