GLOVE RUBBERS

(FOOT SCHULZE & CO. ST. PAUL.)

The life of a rubber depends largely on the fit. Glove rubbers fit—that's one reason why they wear longer. Another reason is that there is more Pure India Rubber in them than in other makes. They cost no more. Look for the Foot-Schulze stamp on the sole of the genuine. Leading dealers everywhere will show you.

THIS COLUMN FOR JIM KEY MERCY BANDS

PRIZE ESSAY CONTEST AND JIM KEY

Jim Key Bands of Mercy are now forming in the public schools. Any child in the city may join and the organization will number thousands. To maintain the enthusiasm and give it direction, The Journal, in co-operation with Mr. Rogers, owner of the wonderful horse, Jim Key, has arranged a prize essay contest for pupils in the fourth to eighth grades, inclusive, in the Minneapolis public schools. They are asked to write brief essays, based on their own observations, showing how animals respond to kindness and patience. Papers should be plainly written on one side of the paper only, and should not exceed 300 words. Each paper should bear the name, address, school and grade of the writer, and, of course, all must be original and neat. Spelling will also be a factor in the consideration. If you have done or seen any act of kindness to any animal, just write the story simply and send it to "Uncle Bert" care of The Minneapolis Journal. Prizes are awarded each week for the papers from each grade, each class receiving three prizes, \$1, 75 cents and 50 cents, respectively. The best of these papers will be published in The Journal, and the Jim Key Band of Mercy column will be a regular feature of The Journal. SEND IN YOUR ESSAYS AT ONCE.

Bryant Bands of Mercy.

News of the San Francisco calamity is still the absorbing interest and the children can not have all their names published at once.

The names today are from the third and fourth grades of Bryant school, which has one of the largest mercy bands in the city.

FIXES COMMITTEE'S DUTY

ATTORNEY GENERAL'S DEPARTMENT RULES ON PUBLICATION AND FORM OF NOTICE.

George T. Simpson, assistant attorney general, gave a written opinion today to C. H. Warner, secretary of the republican state committee, on the question of published notices for the caucuses. He confirms the verbal opinion expressed earlier, that on account of the ambiguous language of the new code, county committees should publish the first notice of the caucuses thirty-four days ahead, so as to complete the publication on twenty days before the caucuses. The posted notices should be up six days before the primaries.

As to the contents of the call, Mr. Simpson holds that it should include the place and time of the state convention, the nominations to be made, the number of delegates the county will have, the number of delegates from each precinct in the county convention, and the time and place of holding the primaries in each precinct.

ROOSEVELTERS HOPE TO FILL AUDITORIUM

Saturday night's presentation at the Auditorium of the Roosevelt club's latest operatic success, "The Rancee of Oudh," for the benefit of the California sufferers, promises to give the fund a substantial boost. The Roosevelt club are enthusiastic over the idea of lending a helping hand and the club members to a man have taken up the work of disposing of tickets and helping the good work along.

The Musicians' union has joined the management of the theater and the members of the Roosevelt club in donating their services, so there will not be one cent of expense to be deducted from the gross receipts. Tickets are on sale at Voegel's and several other downtown stores and have been distributed to the club members and to policemen and firemen. From the latest there is already a considerable sale. The sale of reserved seats and the exchange for reserved-seat tickets will open at the Metropolitan Music company's store Thursday morning.

The Great Plymouth Clothing House, Nicollet and Sixth

The average soap-maker goes to a lot of trouble with toilet soap; and seems to think that anything will do for the laundry.

The proprietors of Fels-Naptha understand the importance of wash-day as well as any woman,—they make their daily bread out of the weekly wash. Their success is not so much in the making and selling of a laundry soap, as in the giving to womankind an easier, quicker, cleaner, better way of washing clothes.

With Fels-Naptha soap there's no washboiler, no steaming suds, no heat, no smell through the house. There's no hard rubbing—no undue wear on the clothes. There's no backache—no such drudgery, as with the old-fashioned wash-day.

And the Fels-Naptha way is as simple as it is easy. You wet the clothes with cold or lukewarm water, rub Fels-Naptha on well, roll up the pieces and put to soak for thirty minutes. Then a light rub on the board, a thorough rinsing, and the wash is ready for the line—whiter, cleaner, purer than it ever was with boiling and hard rubbing.

Use Fels-Naptha only as explained on the wrapper—in cold or lukewarm water—not boiling water.

All grocers sell Fels-Naptha soap.
