Annual May Sale Muslin Underwear FOR WOMEN, MISSES AND CHILDREN

Our Annual May Sale of Muslin Underwear is an event awaited by many with great expectation. The general excellence and high character of the garments, together with the low prices which prevail, appeal to the good judgment of those who wish the best at moderate prices.

The showing of Misses' and Children's underwear embraces handsome garments of every description and material. The same care is exercised in making these garments as is used in those for women and we have no hesitation in saying it is the best assortment we have ever had on exhibition.

Dainty Hand-Made Underwear

- Women's Gown's 50c, 75c, 98c, 1.25, 1.75, 2.25, 4.75, \$14.00. Matched Sets 13.25, 16.50.

THROWS ROSES AT CENTRAL

WILL START EARLY

possible to fish or even keep warm and the fish seemed to prefer to eat lilies off the bottom to freezing to death on the surface looking for imitation flies. In Minnesota there will be some sport for those not over fastidious. Pike, muskellunge, crappie, perch, sunfish, and anything but bass can be taken without fear of vigilant wardens if taken in the proper manner. These fish offer some sport to the ardent lover of bass, but will not want for attention. Hundreds of fishermen will take advantage of the open season and go out to try their luck. What will happen in case bass are caught is not to be mentioned in public, as it is a trick of the sport carefully guarded by early fishermen.

RHEUMATISM TROUBLESOME PAINS AND ACNES

While Rheumatism is usually worse in Winter because of the cold and dampness of a changing atmosphere, it is by no means a Winter disease entirely. Persons in whose blood the uric acid, which produces the disease, has collected, feel its troublesome pains and aches all the year round. The cause of Rheumatism is a sour, acid condition of the blood, brought about by the accumulation in the system of refuse matter, which the natural avenues of bodily waste have failed to carry off. This refuse matter coming in contact with the different acids of the body, forms uric acid which is absorbed by the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. Rheumatic persons are almost constant sufferers; the nagging pains in joints and muscles, are ever present under the most favorable climatic conditions, while exposure to dampness or an attack of indigestion will often bring on the severer symptoms even in warm, pleasant weather. Liniments, plasters, lotions, etc., relieve the pain and give the sufferer temporary comfort, but are in no sense curative; because Rheumatism is not a disease that can be rubbed away or drawn out with a plaster. S. S. S. is the best treatment for Rheumatism; it goes down into the blood and attacks the disease at its head, and by neutralizing the acid and driving it out, and building up the thin, sour blood, cures Rheumatism permanently. Being made entirely of roots, herbs and barks, S. S. S. will not injure the system in the least. Book on Rheumatism and any medical advice without charge. THE SWIFT SPECIFIC CO., ATLANTA, GA.

JOURNAL CADETS TO COMPETE FOR FLAG

TONIGHT'S DRILLS Company B, First regiment, St. Mark's church; Colonel Jess Hawley and Captain Gilbertson. Company C, Second regiment, Eighth Ward Republican hall, Captain Kelsey. Officers' school, 7 o'clock; company drill, 7:30. Company H, Second regiment, which has drilled Tuesday afternoons at Franklin and Dupont avenues, will drill tomorrow night at the new drill grounds opposite the armory, on Kenwood boulevard, and will hold weekly drills there Tuesday evenings until further notice.

The Journal competitive drill for the Journal Cadet regiments at the drill grounds, facing the armory on Kenwood boulevard, takes place Tuesday night next week, it being found that it will be impracticable to hold it May 1, as first announced. The Minneapolis Gas Light company is putting in handsome boulevard arc lights that will light the

drill ground splendidly at night. The flag that is to be presented to the company winning the competition drill will be on exhibition in a window at Donaldson's Glass Block store Wednesday. In response to numerous requests, The Journal will organize cadet companies for the districts within easy reach of Nicollet and Grant streets, upper Twentieth avenue and New Boston. The Journal will organize cadet companies for the districts within easy reach of Nicollet and Grant streets, upper Twentieth avenue and New Boston. The Journal will organize cadet companies for the districts within easy reach of Nicollet and Grant streets, upper Twentieth avenue and New Boston.

LECTURE ON LIFE OF CHRIST

The Rev. Fr. MacCorry delivered his illustrated lecture on 'The Life of Christ' at the Church of St. Charles last night. There was a large audience. Beginning with the number, preceding the Savior's birth and continuing to the day of his crucifixion, Father MacCorry brought out all of the dramatic and interesting features of the period. The second of Father MacCorry's lectures will be given in the same church tonight. The subject will be 'The Rambles and Realms of Childhood.'

PIERCE GOES TO ANTIPODES

Former Minneapolis Man to Develop Australian Y. M. C. A. Lyman L. Pierce and family, formerly of Minneapolis, left last night for Australia. They will stay in San Francisco, after visiting friends in Denver. They have been visiting the parents of Mrs. Pierce, Mr. and Mrs. J. A. Wright, and his brother's family, P. Pierce. Mr. Pierce is a graduate of the University of Minnesota, who has achieved remarkable success in Y. M. C. A. work in Cedar Rapids, Iowa, Trenton, N. J., and Washington, D. C. He is now going to Australia to take charge of association work in that country and New Zealand.

HONOR THE DEPARTED

Memorial services were held by members of the Order of the Eastern Star at the Masonic Temple, St. Paul, yesterday afternoon. The ceremonies were held to conform to the ritual and were unusually impressive. After the solemn rites had been completed and several musical numbers had been rendered by the quartet, addresses were delivered by Rev. Dr. Alexander McGregor and Rev. James S. Montgomery of Minneapolis.
