"If there be any one whose power is in beauty, in purity, in goodness, it is woman."—Henry Ward Beecher.

A number of affairs have been planned in honor of Miss Kittybell Mason, whose marriage to Charles Edholm will take place next month in the first Baptist church. Saturday afternoon Miss Ethel Ross of Fifteenth avenue SE will entertain a group of university girls at a handkerchief show and on Wednesday, May 16, Mrs. Ernest Dow of 2826 Polk street will be hostess at a china shower for Miss Mason. Saturday evening the members of the L. C. K. club entertained at the home of Dr. Jesse Long, 401 Broadway, at a 5 o'clock dinner for Miss Mason. It was a pink and white dinner with tables festooned from the chandeliers to the corners of the table, where they were caught with huge bows to candlesticks holding pink tapers. A large heart of white paper and pink and white carnations was the centerpiece. The buffet was lighted with pink tapers in a candelabrum. Covers were placed for eight and each guest found a long-stemmed carnation at her place. Miss Mason's cover was marked with a great bow of white ribbon. After dinner the bride was invited to open the paper hearts in which she found an exquisite Venetian vase, the gift of the club. Late, pretty love lyrics were sung by Mrs. Long and games were played. Each of the guests from the point of view in a dainty booklet for the bride.

Receiving with Mr. and Mrs. Jeffery, Miss Jeffery and Mr. Glassberg were Miss Lillian Jeffery, Miss Rose Glassberg and Mrs. L. Weisman. Miss Cornelia Grunberg presided at the frappe table. The hours were from 3 to 6 o'clock and from 8 to 10 o'clock, and about one hundred and fifty guests called.

Among the Clubs.
Thruout the south the women in particular are urging the cause of education. In North Carolina there is hard and constant work for school betterment. Conditions are unfavorable because of the indifference of parents and school boards. But with presents of school libraries, papers and magazines, pictures given as rewards at schools whose pupils have shown a willingness to clean up the premises, improvement is noted. The president of the state federation, Mrs. Patterson, with others, has taken her own county in hand for some years with a result of great increase in attendance, nicer conditions of schools and grounds, setting out of trees, etc. At a conference of the Sunday school at Knoxville, Tenn., a southern interstate women's association for the betterment of the public schools in the south was organized, and similar work to that of Mrs. Patterson is to be carried on in all the southern states.

A movement is under way to raise funds for a monument to mark the spot where stood the house in which President Andrew Jackson was born, near Waxham, N. B. The daughters of the American Revolution have temporarily placed an iron marker on the spot.

The national body, D. A. R., is to build a permanent house on Jamestown island. The building, which is to be constructed of stone, will cost about \$6,500, and the exterior will be a facsimile of some old colonial mansion, probably the home of Sir Walter Raleigh.

The Toledo, Ohio, club women have joined hands in the national movement for beautifying the school grounds and rousing in the school children an interest in civic improvement. Last fall every child was given a tulip bulb to plant, and the after-school talks took up the study of Holland and the history of the tulip.

The National American Woman Suffrage association reports that the following states made gains in membership this year: California, Delaware, Massachusetts, Michigan, Nebraska, New York, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, Washington, West Virginia,

Club women in South Carolina are rejoicing over the passage of the reformatory bill by the legislature of that state last month. This bill provides for a reformatory and industrial school for wayward white boys.

The idea of the establishment of a reformatory originated in the South Carolina Federation of Women's clubs during the administration of Mrs. M. O. Patterson, who labored faithfully for this object until her death last November.

Mrs. A. F. McKensick took up the work and with the assistance of the club women of South Carolina, worked zealously to arouse public opinion on the subject.

Biennial State Badge.
Miss Mary Moulton Cheney of St. Anthony Park was awarded the prize for the biennial state badge. The design was chosen with but one dissenting voice from a committee of seven, so that it was almost unanimous. It will be done in the colors of the most casual flower and leaf on white ribbon.

No orders for either state or local badges will be considered after Wednesday, so that those who have not notified the chairman of the badge committee should attend to the matter at once.

Foot-Schulze & Co. Saint Paul

Look for this Foot-Schulze mark on the sole.

It appears on every genuine Foot-Schulze shoe.

Style - Quality - Fit

Foot-Schulze STYLES are authentic. You can wear your Foot-Schulze shoes anywhere and be SURE your foot appearance is ABSOLUTELY CORRECT. Compare them with ANY OTHER make. They will stand comparison!

Foot-Schulze QUALITY is the result of OVER 40 YEARS constant study of the shoe subject. The LEATHER is "personally selected" by a member of the Foot-Schulze firm. It is made into footwear under expert supervision. Every step in the manufacture of a pair of FOOT-SCHULZE shoes is carefully watched and the completed product RIGIDLY INSPECTED before it goes to the retailer.

Foot-Schulze FIT. "As comfortable as an old shoe," just describes the "feel" of a new FOOT-SCHULZE shoe. The famous FOOT-SCHULZE "one last process"—ONE LAST in the shoe from the start to the finish of its construction—that's ONE of the points in FOOT-SCHULZE shoe construction that gives perfection of fit.

Other points: ARCH SUPPORT, just right. "Waist" of the foot held neither too tightly or too loosely. Just the right amount of "give."

Foot-Schulze SHOES in all lasts and leathers carry the broad and comprehensive guarantee of "the West's leading shoemakers."
