

RIOT OF STRIKERS; BOY IN CROWD SHOT

Allentown, Pa., June 27.—A platoon of state constabulary on duty in this

city in connection with the streetcar strike fired into a crowd last night and injured a boy. Two of the state policemen arrested two men and started with them for the jail, a half block away. A crowd of 2,000 persons quickly gathered and stones were thrown at the state police. The helmet of Trooper F. Markrantz was smashed with a brick. In the

melee that followed one of the arrested men escaped. The police, hard pressed by the crowd, turned and fired a shot into the air and then shot low. A bullet struck Harry R. Winkle, a 12-year-old boy, in the leg and he was taken to a hospital. Chief of Police Bower and several city policemen arrived at the jail as the state police brought in their re-

maining prisoner, and two troopers, who were accused of doing the shooting, were locked up. Charges will be preferred against them for shooting. Very few cars are running, the company not having enough men to keep up their usual service. Guards of state constabulary are on each car and others are on horseback patrolling points where danger is anticipated.

MILLIONAIRE GONE; DETECTIVES BAFFLED

Pittsburg, June 27.—Five thousand dollars reward for information leading

to the finding of Michael Liebel, Sr., a millionaire brewer of Erie, Pa., was announced in this city tonight. Liebel left his home on May 25 and went to Buffalo, from which place he telegraphed his family he was about to start for home.

When he did not arrive home, detectives were called into the case.

Not the slightest trace was found, however, until Sunday, when a Mrs. McGowan of Pittsburg, while on her way to Erie, saw Liebel at the Pittsburg & Lake Erie depot. She did not know at the time that any search was being made for him. Upon reaching Erie she learned of Liebel's disappearance and told several persons of seeing him.
