

Additional Sports. WIND AT LAST FOR THE TONKA SAILORS

Special to the Journal. Tonka Bay, Minn., July 5.—Yesterday was a day for the Tonka boat club. It conducted two of the most exciting and successful races ever seen at the lake. A hard-fought sailboat race in the morning and a motorboat race in the afternoon. A stiff breeze from the north sprang up early in the morning, but died down about 10 o'clock and it looked as if a calm as if the sailboat race would have to be called off. The breeze, however, freshened again about 11 a. m. and the motorboat race was on. Two boats in the A class entered, the Minnetonka and the Delta. Minnetonka won by 2 minutes and 40 seconds, starting time. The start was made at 11:30 a. m. and the Minnetonka crossed the line at 11:30:01 and the Delta at 11:31:41. The Minnetonka immediately began to pick up on the motorboat race and to get the windward of the Delta. The latter tried to prevent this by veering off into the wind. The Minnetonka did the same, gradually gained on the Delta and rounded Excelsior buoy at 11:47:27, ten seconds ahead of the Delta. The boats had a narrow race until they reached the Pathfinder, a Class B boat, which started five minutes behind the A boats, caught up with them and rounded the buoy ahead of the Delta. From Excelsior to Lookout Point was windward work. More jockeying by the A boats enabled the Pathfinder to get a big lead, she being the fastest to round the Point. The Minnetonka rounded at 12:34:28 and the Delta at 12:43:08. From Crystal Bay to Lookout Point was another long reach to windward. Some more jockeying by the Delta attempted to get the windward. The Minnetonka, however, increased her lead twenty-five seconds, rounding Lookout buoy at 1:18:00. The Delta rounded at 1:23:07. From Lookout to St. Louis to home was leeward work, and both boats holisted their mizzenmast. The Minnetonka increased her lead on these two legs, and finished at 2:03:07. The Delta finished at 2:06:05, a minute and fifty-eight seconds late. The breeze was light, and the good heavy wind the Delta may turn tables on her opponent. The Pathfinder, owned by C. A. Vandover, won in the class leading the Pegasus, Flag and the Minnetonka by 12 minutes and 55 seconds. One of the most interesting features of this race was the performance of the Pegasus, which did not get to Tonka Bay in time to enter with the other boats in the regular race. Eugene Marlow, its skipper, was just taking the boat out from Excelsior when the other B boats were coming down to Excelsior buoy. The judges allowed Marlow to enter the race informally, and he started from Excelsior buoy fifty seconds back of the Pathfinder. At St. Louis Bay he was ahead of the Pathfinder by two minutes. He rounded the Point a minute and fifty-eight seconds, at Lookout three minutes and forty-five seconds. The boat got stuck on the rocks at Lookout, but was finished a minute and fifteen seconds ahead of the Pathfinder. On the run from Lookout to St. Louis the Pegasus was increased to ten minutes and fifty-eight seconds ahead of the Pathfinder. The closest race of the day was between the Pegasus and the Oriole, owned by C. T. Chamberlain. The results: Class A.—Start, Finish: Minnetonka (Minnetonka club) 11:30:01 2:03:07 Oriole (Leslie George) 11:30:21 2:08:05 Class B.—Start, Finish: Oriole (F. A. Your Cold

How will you cold be tonight? Worse, probably. How about tomorrow? The trouble is, colds always tend downward. Stop this downward tendency with Ayer's Cherry Pectoral. Your doctor will tell you why it can do this. Ask him all about it. Ask him if he has anything better for coughs and colds. Then follow his advice, whatever it is. We have no secret. We publish the formulae of all our medicines. J. C. Ayer & Co., Lowell, Mass.
