

MINNETONKA

Minnetonka has seen a gay week for the regatta. It has been the means of bringing many gatherings of the younger people to the lake. There have been a number of delightful house parties and the boys and girls have kept open houses at their summer homes in honor of the many visiting college chums. The regatta created a stir among the younger sets and the dancing parties at the hotels and the clubs were attended by many visitors.

The Lafayette club has been the scene of much entertainment during the week. Last night was one of the full ones, affairs and the regatta were preceded by the hop. Mr. and Mrs. George P. The sixteen oarsmen of the Wagnier rowing crews were stranded at Minnetonka Beach Thursday morning, being carried out to the north shore instead of being transferred to the St. Louis train to Tonka Bay. So it happened that there was an unexpected breakfast party at the club that morning.

The musical organization ranks among the best, and the variety of treats which are offered to the music-loving public by the conductor of the orchestra are always appreciated by a host of guests.
