# MINNEAPOLIS YACHT CLUB

The members of the Minnetonka Boat club extended gracious hospitality last evening to the visiting crews of the White Bear Yacht club, who are spending a few days at the club attending the yacht races. The hours were from 8 to 10 o'clock, and an informal program of music was given for the occasion. Garden blossoms had lent their fragrant bloom to beautify the room. In the tall vases were clusters of lilies and sweet peas, and the low bowls on the tables were filled with yellow nasturtiums. Feather ferns made a prettily outlined background against the woodwork on the walls, and around the fireplace banks of all wood ferns made a pretty setting. Lights shaded in deep crimson accentuated the handsome appointments. The house committee and the officers of the club and their wives received informally. Mrs. Edward Benedict presided over the frappe bowl, assisted by Miss Jessica Davidson and Miss Ray Nate. Misses Gertrude Masott, Virginia Busey and Margaret Blackstone assisted thru the rooms. The races yesterday afternoon brought out a great number of launch owners, who watched the race by following them in their crafts, or who took advantage of the landing on the island and viewed the nautical contest from the best point of advantage on the high bluffs of Big Island.

This evening the launch owners will entertain the White Bear guests at a boating party, and tomorrow evening a white ball will be given at Hotel Tonka Bay by the Minnetonka Boat club.

Mrs. W. S. Jenkins of Interlaken entertained the members of the Travelers' club at a luncheon today at her summer home. There were thirty-five guests at the table. A beautiful setting of garden blossoms and wild flowers.

Mrs. William E. Albee was hostess at a charming mid-summer luncheon yesterday afternoon at her cottage in Excelsior. The table was daintily arranged in red and blue with sweet peas and floral centerpieces. In the living room and on the piazza bowls and vases filled with red and gold nasturtiums were placed about. Covers were laid for Miss Sparrow of Cleveland, Miss Edna Fann of Carver, Miss Ruby Avery, Miss Nettie Pratt, Miss Winnifred Tunnel, Miss Grace Feltus, Miss Charabelle Moeller and Mrs. Knowlton.

Mrs. John Ball of Duluth was the guest of honor at a luncheon given Tuesday by Miss Margaret Conklin at her summer home at Excelsior. She is spending a few weeks at the lake as the guest of Miss Conklin. The Minneapolis guests took the train to Wayzata, and were met by a launch which took them to the Conklin summer home. The table was handsomely appointed in yellow and a mass of glowing golden glow centered on the table. The vases and bowls in the parlors and on the piazza were filled with brilliant red and green garden blossoms. Covers were laid for twelve.

Mr. and Mrs. Harry Rendell have returned from a two weeks' trip to Colorado Springs, Denver and Salt Lake.

Mrs. C. L. Stewart of the Sampson house gave a luncheon yesterday at the Misses Ruth E. Northrop and Helen Ostrom of Duluth, Lyla G. Root of St. Paul, Eleanor Eaton of St. Paul and Warren of Minneapolis. Sweet peas were used as the table decorations.

Big Island park was given a housewarming by the "local" fans, of which the Twin City Rapid Transit company Tuesday evening. Four chartered cars took about 175 of the company's officials and office assistants to the lake. A bonfire was made and the landing at Big Island was the signal for a program of field sports and dancing, with a camp supper when the refreshment hour came. It was one of the most successful outings ever given for the company's assistants.

The Twin City Women's Picnic association announces the seventh annual picnic at Tonka Bay for Sunday. Trains will leave the Minneapolis & St. Louis station at 9:45 a. m. and 1:45 p. m., returning to the city at 8 p. m. and at 8:50 p. m.

Among the recent arrivals at the Hotel Donaldson were Mrs. Beulah K. Goldbaum, Mrs. J. S. Gumpert, Mr. and Mrs. Lauber, Miss Florence Lauber, Dr. D. J. Kenny, Miss E. Burho, Charles H. Werner, Mr. and Mrs. C. S. Gold and Miss Benson of Minneapolis; Miss Grayce Eckhart of La Crosse, Wis.; Miss Katharine Hatt of Butte, Mont., and Karl Price of St. Peter, Minn.

EAU CLAIRE, WIS.—Engineer Wood of North-Western passenger train No. 4, by quick use of his emergency brakes at a crossing west of town, stopped the train to allow O. H. Ingram's big automobile to clear the plot by a few inches.

STEVENS POINT, WIS.—Fred Stockwell was shot in the chest with a charge of buckshot fired, it is alleged by Sylvester Ostrowski in the town of Deway, while participating in a charivari.

Habit-forming Medicines. Whatever may be the fact as to many of the so-called patent medicines containing injurious ingredients as broadly published in some journals of more or less influence, this publicity has certainly been of great assistance in drawing attention to this subject. It has, in a considerable measure, resulted in the most intelligent people avoiding such foods and medicines as may be entirely unsuspected of containing the injurious ingredients complained of. Recognizing this fact some time ago, Dr. Pierce, of Buffalo, N. Y., took time by the forelock, as it were, and published broadcast all the ingredients of which his popular medicines are composed. Thus he has completely forestalled all hands who might otherwise have urged against his medicines, because they are now of known composition. Furthermore, from the formal printing on every bottle wrapper, it will be seen that these medicines contain no alcohol or other habit-forming drugs. Neither do they contain any narcotics or injurious agents, their ingredients being purely vegetable, extracted from the roots of medicinal plants found growing in the depths of our American forests and of well recognized and tested sources.

Instead of alcohol, which even in small portions long continued, as in obstinate cases of diseases, becomes highly objectionable from its tendency to produce a craving for the stimulant, Dr. Pierce's pills, chemically pure, triple-refined glycerine, which of itself is a valuable remedy in many cases of chronic diseases, being a superior agent in cleansing, purifying and supporting nutritive. It enhances the curative action of the Golden Seal root, Stone root, Black Cherry bark and Bloodroot contained in "Golden Medical Discovery," in all bronchial, throat and lung affections attended with severe coughs. As will be seen from the writing on the wrapper, Dr. Pierce & Co., of New York; Bartholow, of Jefferson Medical College, Phila.; Souder, of Cincinnati; Ellingwood, of Chicago; Hays, of Chicago, and Mrs. W. J. Hays, as leaders in their several schools of practice, the foregoing agents are the very best ingredients that Dr. Pierce could have chosen to make up his famous "Discovery" for the cure of not only bronchial, throat and lung affections, but also of chronic catarrh in all the various forms wherever located.

Mrs. A. A. Law and Miss Moulton were the hostesses at the tea at the Minnetonka club this afternoon, serving their guests on the glass veranda, where a dainty table had been arranged amid masses of flowers. Assisting them were a group of younger women, who had come out to watch the tournament. Automobiles were kept busy between the city and the clubhouse, and a constant stream of visitors went out during the early hours of the afternoon to remain for dinner in the evening. The appearance of the Duss orchestra at the club this evening will lend an impetus to the social spirit among the golfers. It will be delightful to entertain groups of friends at a dainty dinner on the glass veranda with the music of the splendid organization as a musical setting.

Mrs. A. D. S. Johnston of St. Paul gave a luncheon of eight covers at the club this evening. This evening there will be no end of party dinner parties. Mrs. E. W. Backus will have a dinner of ten covers; John S. Shaw will entertain six at the tables with a party of guests; Mrs. E. S. Woodworth will give a dinner for six; W. C. Shull will have covers laid for eight covers; Mrs. B. Koon will be host to a party of six; C. S. Jelley will entertain six; E. G. Walton will have eight guests; E. H. Pierson, C. M. Case, J. F. Whallon, A. D. Foster, W. C. Lydon and C. Lyon will be among the dinner hosts.

Last evening W. L. Martin entertained a group of six, F. G. Winston entertained eight dinner guests, and Edman W. Wray and Harry Legg were also hosts at dinner parties.

Friday evening there will be the golfers' dinner, to be given by the club, at which about one hundred and fifty of the members of the club will dine. It will be a dinner host tomorrow evening, and Mrs. F. D. Blakeley will have a small dinner party at the club.

Miss Mary Hagan of New Richmond, Wis., for a number of years a resident of Minneapolis, was married last evening to Harry Stirling Macgregor, a Duluth banker. The ceremony was performed in the parish house of the Church of the Immaculate Conception by the Rev. M. E. Boyce. Miss Agnes Hagan, a sister of the bride, was the maid of honor, and Mrs. C. E. Cleridge Wagon of Minneapolis was the best woman. A wedding reception followed at the home of the bride's mother, Mrs. Catherine Hagan, after which Mr. and Mrs. Macgregor left for the east on a wedding trip.

The marriage of Miss Frances B. Michael and George L. Upton of Minneapolis, took place last Wednesday in the evening at the home of Rev. Mr. Gowdy. Crouse, H. E. Woerner, T. W. Hay, A. F. Krausebaum and A. Hagen.

Mrs. E. G. Terwilliger of 2602 Garfield avenue S gave a buffet luncheon Tuesday for the members of the Athletes of the two families. The table and blue, were used in the decorations, with a wealth of garden flowers to carry out the scheme. The programs for the coming year, devotedly tied with ribbons, were distributed by Mrs. Terwilliger and Miss Alma Olson gave a short program of musical numbers, and Mrs. May Lee Byrd read several selections.

Mrs. Robert Heller of Helena, Mont., and Mrs. Shrickman of Tacoma, Wash., were honor guests at a bridge party Tuesday afternoon, at which Mrs. Joseph Selmer was the hostess. Fifty guests played, and the rooms were attractively arranged with sweet peas and nasturtiums.

The employees of the Minneapolis Electric Construction company and their sweethearts and wives, to the number of forty, were the guests at a pretty lawn party given Tuesday evening by the members of the company at the residence of G. M. Jones, 2315 Polk street NE. The lawn was illuminated with electric lights and lanterns, and the tables were laden with fragrant flowers. The courses were delicious, and the first course—consisting of biscuit and honey—had its particular significance, as the honey came from Mr. Jones' hives. The table was set at the residence of G. M. The marriage of Miss Sadie Gleason and Charles E. Hill took place last evening at 7:30 o'clock at the home of Mr. and Mrs. W. A. Hopkins, Minnetonka Falls. Rev. John S. Root read the service in the presence of the relatives of the bride and groom. Beautiful arrangements marked the service and the decorations were charmingly carried out with summer blossoms. The vows were spoken in the living room under a large marriage bell, which was suspended from a canopy of ferns and trailing vines. Baskets and bowls, placed on the tables, were filled with bright and dainty flowers. In the reception hall sweet peas and nasturtiums were used, and the library was bright with garden blossoms. Mrs. Frank Emmons played the bridal chorus from "Lohengrin" as the bride entered. During the reading of the service the notes of "Oh, Promise Me" made a musical accompaniment, and the Mendelssohn wedding march closed the service. Miss Gleason's gown was of white net over white silk, trimmed with Irish point lace, and she held a cluster of bride's roses tied with ribbons used in her mother's wedding bouquet. A wreath of rosebuds held the veil in place, and her jewel was a diamond brooch, a gift of the bridegroom. Miss Mayme Gleason was the maid of honor, in white net over white silk with lace medallions. Her flowers were white carnations. Little Olive Janette Hopkins, in a dainty frock of white silk, was flower girl, and scattered sweet peas from a basket. Ervin Booth was the best man. During the informal reception which followed, Mr. and Mrs. W. A. Hopkins, assisted by Mrs. L. F. Beaudette of Mendota and Mrs. F. J. Peol, received
