Rawlins Post No. 126, Minneapolis.

Cripple Is Cared For.

The crippled veteran of the civil war who wrote to the Ladies of the G. A. R. for a room has been placed in the Central high school. The committee was unable to find accommodations for him in a private house, as he is confined to an invalid chair which is too wide to be wheeled thru the ordinary doorway. A guide will meet him at the train and

arrangements will be made for taking him to all the meetings.

Vermont Courtesy.

The Vermont people are to be given every chance to meet old friends from the Green mountain state. There will be a reception at the Vermont headquarters at the Nicollet hotel Tuesday from 7 to 8 o'clock p.m. Wednesday afternoon there will be an outing, and

on Friday the Minnesota Vermont association will entertain the visitors at Minnetonka.

Meeting of Daughters.

There will be a special meeting of the Daughters of Veterans tomorrow evening with Mrs. Carrie May Nelson, 3027 Chicago avenue. Arrangements for the serving of refreshments to the G. A. R. on the day of the parade will

be made, and the badges will be distributed.

Aid Societies Rent Rooms.

The church societies are saving into the lodging as well as restaurant business next week, for the Ladies Aid society of Trinity Methodist church has secured rooms at Ninth street and Hennepin avenue, where they will serve lunches and have coté de nuit at night.

Pabst Beer is the Clean Beer

PHYSICIANS have said there is nothing better than Pabst Blue Ribbon Beer as a vitalizing tonic, because they know how it is made. They know the Pabst eight-day malting process and they understand the importance of the perfect purity and cleanliness of the Pabst exclusive process of brewing. They know the healthfulness of the beer produced by the Pabst process. People, and especially doctors, demand that everything they eat and drink be absolutely clean.

Pabst Blue Ribbon

Beer is always clean and wholesome. The Pabst brewery is as clean as the cleanest kitchen. In the long process of brewing, Pabst beer never comes in contact with anything unclean. The tubes through which it is run, from the time the malt is mashed until the beer is bottled or kegged, are sterilized to prevent any impurity or uncleanness. Pabst Beer is not fermented in open vats, as is usual in breweries, but in special Pabst hermetically sealed tanks, into which no air, except pure filtered air ever enters. Pabst Blue Ribbon Beer is not cooled, as is usual, in rooms where men walk in and out but it is cooled in specially constructed sealed coolers where no hands can touch it, no breath of foul air can taint it. Only filtered air is used to oxygenate it. It is then stored in hermetically sealed storage tanks until science and the test of time pronounce it perfect beer in age, purity and strength.

When Ordering Beer, Call for Pabst Blue Ribbon

VALDARE A GLOBE TROTTER

Trick Bicycle Rider Gives Some of His Experiences.

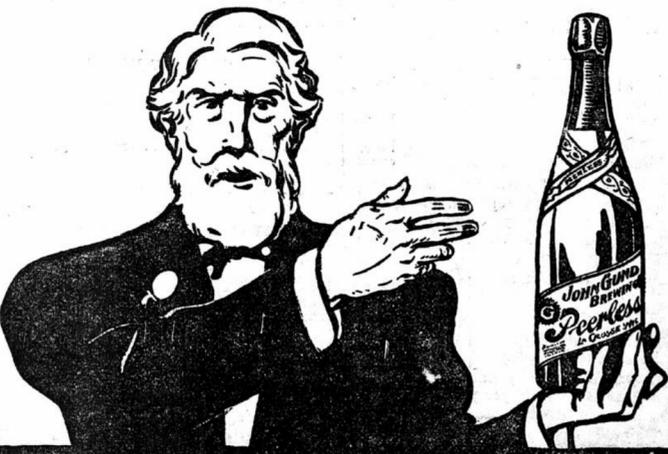

Valdare, the trick bicycle rider who rides a 200-pound wagon wheel down a flight of stairs and escapes being killed at the Unique this week, is the head and front of the Valdare trio.

Valdare was in Port Arthur, New Chwang and Dalny before the Russo-Japanese war, and long before that time in Calcutta, Bombay and other out-of-the-world places.

"Vaudeville speaks a universal language," said he, "especially in those exhibitions of nerve and skill which require no spoken words. The drunken soldiers of Port Arthur applauded the

riding of myself and wife as enthusiastically as the audiences at the Unique. They were far more demonstrative, too.

"I found the Japs a wonderful people. I had one in my company and he had their imitative tricks down finer than you can imagine. From the first minute of his service he began picking up my tricks, taking my bicycles apart to study their mechanism."

"Only 3 1/2% of Alcohol" The highest scientific and medical authorities in the world unite in declaring that the alcohol (about 3 1/2%) contained in a bottle of pure malt beer like

Gund's Peerless Beer

is not enough to injure anyone, yet sufficient to naturally stimulate the regular flow of the gastric fluids within the stomach, so essential to the proper assimilation of solid food. Professor Dr. E. Sauer, Berlin, Germany, says: "Owing to the small amount of alcohol in beer the same cannot be called an alcoholic beverage in the usual sense of these words." Peerless Beer is an ever-renewed, wholesome and fully matured beer of commanding superiority. Because of this it received the Gold Medal at St. Louis Exposition in 1904 and at Paris in 1906. It is a sparkling amber beer with splendid fragrance, delightful, snappy flavor and creamy foam. It has been brewed for 50 years by the famous Gund Natural Process that preserves the life of the malt. Peerless contains only the choicest ingredients—the essential tonic juices of the Bohemian hops, special yeast of our own cultivation, water flowing from a well in granite rock and the maliced extract of rich, plump and sound Northwestern barley. Bottled at the home plant only. Sold in all reputable hotels, cafes, restaurants, etc. Ask "the man behind the bar" or buy a case delivered at your home. For family use no beer excels Peerless. Write, phone or call.
