A pretty wedding was that of Miss Jeannette Agnes Phipps and Frank Marble Green, which took place today at 4 o'clock at the home of the bride's cousins, Mr. and Mrs. Joseph N. Hobbs, 1927 Aldrich avenue S. The rooms were darkened and in among the palms burned white tapers, in wallpockets and candelabra. The floral appointments were in lavender and white and asters were the flowers chosen to carry out the color scheme. In one corner of the library an altar was simulated with palms and ferns, while above was a large candelabra with twelve burning tapers. An aisle leading from the stairs to the chandelier was lined with ferns and palms. In the dining room white was used with the green. A large bowl filled with white asters centered the table, which was lighted with tapers. From the chandelier fell four ropes of smilax which were caught at the corners of the table with bows of white ribbon.

The "Lohengrin" wedding march, played by Miss Grace Hobbs of Madison, Wis., heralded the approach of the bride party. Master Hazleton Ensign led the procession, carrying the ring on a white satin pillow. The bride entered with her brother-in-law, Algernon H. Phelps of Chicago, who gave her her marriage. What is a Backache?

It is Nature's Warning to Women
Diseases of Woman's Organism Cured and Consequent Pain Stopped by Lydia E. Pinkham's Vegetable Compound.

"It seems as though my back would break." Women utter these words over and over again, but continue to drag along and suffer with aches in the small of the back, pain low down in the side, "bearing-down" pains, nervousness and no ambition for any task.

They do not realize that the back is the mainspring of woman's organism, and quickly indicates by aching a diseased condition of the female organs or kidneys, and that the aches and pains will continue until the cause is removed.

Lydia E. Pinkham's Vegetable Compound has been for many years the one and only effective remedy in such cases. It speedily cures female and kidney disorders and restores the female organs to a healthy condition. "I have suffered with female troubles for over two years, suffering intense pain each month, my back ached until it seemed as though it would break, and I felt so weak all over that I did not find strength to attend to my work, but had to stay in bed a large part of the first two or three days every month. I would have sleepless nights, bad dreams and severe headaches. All this undermined my health.

"We consulted an old family physician, who advised that I try Lydia E. Pinkham's Vegetable Compound. I began taking it regularly and soon found that I could sleep and eat better than I had done for months. Within two months I became regular and I no longer suffer from backache or pain."—Miss Maude Morris, Sec. Ladies Aid and Mission Society, 26 E. Hunter St., Atlanta, Ga.

The Minneapolis Journal has a prestige that gets advertising and the kind of influence that makes advertising in its columns profitable. Why? Because it is a clean, newsy, enterprising paper and can be taken into all homes for every member of the family to read. The Journal has a circulation of quality as well as quantity.

To Get More Strength from Your Food.

WHEN the Bowels are filled with undigested food we may be a great deal worse off than if we were half starved.

Because food that stays too long in the Bowels decays there, just as if it stayed too long in the open air.

Well, when food decays in the Bowels, through delayed and overdue action, what happens?

The millions of little Suction Pumps that line the Bowels and intestines then draw Poison from the decayed Food, instead of the Nourishment they were intended to draw.

This Poison gets into the blood and, in time, spreads all over the body, unless the Cause of Constipation is promptly removed.

That cause of Constipation is Weak, or Lazy Bowel Muscles.

When your Bowel-Muscles grow flabby they need Exercise to strengthen them, not "Physio" to pamper them.

There's only one kind of Artificial Exercise for the Bowel-Muscles.

Its name is "CASCARETS," and its price is Ten Cents a box.

So, if you want the same natural action that a six mile walk in the country would give you, (without the weariness) take one Cascaret at a time, with intervals between, till you reach the exact condition you desire. One Cascaret at a time will properly cleanse a foul Breath, or Coated Tongue.

Don't fall to carry the Vest Pocket Cascaret Box with you constantly.

All Druggists sell them—over ten million boxes a year.

Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "CCC."
