The marriage of Miss Anne Lansing Bovey, daughter of Mr. and Mrs. Charles Argalis Bovey, and James Archibald Ross was solemnized this afternoon at the Bovey home on Thirtieth street S., in the presence of 100 relatives and near friends and in the midst of the most charming of appointments.

The walk leading to the house was outlined with bay trees and within was a bower of foliage and blossoms. The end of the long drawing room was banked with palms and among the broad green leaves were tall holders lifting high the white cathedral candles. The walls were almost hidden by trailing vines and in the glossy tangle white chrysantheums and ferns were caught. Separating this service room from the rest of the drawing room were two standards wreathed with vines and holding great urns filled with white chrysantheums and ferns. White and green were the only colors used, and no flowers but the heavy-headed chrysantheum were in the baskets and vases.

Pink American Beauty roses sounded a deeper color note in the library where clusters of the regal blossoms were among the palms and ferns. The punch bowl was placed in a leafy nook among Chantay roses. The wide porch, screened with vines, had Japanese hanging baskets filled with yellow flowers, and in the dining room white and green appeared again with white roses centering the table.

A string orchestra played a musical program as the guests assembled, and just before the notes of the "Lohengrin" bridal chorus were heard the members of the family entered the service room. The bride's two brothers, Charles Cranston Bovey and John Alden Bovey, were masters of ceremony. The ushers were W. Scott Woodworth, Robert Hastings, Maxwell Ross of Toledo, Ohio, John Crosby, and Franklin M. Crosby. Frederick C. Averill of Toledo, Ohio, was Mr. Ross' best man.

Habit-forming Medicines.

Whatever may be the fact as to many of the so-called patent medicines containing injurious ingredients as broadly published in some journals, the less influence, this publicity has certainly been of great benefit in arousing needed attention to this subject. It has, in a considerable measure, resulted in the most intelligent people avoiding such foods and medicines as may be fairly suspected of containing the injurious ingredients complained of. In fact some time ago, Dr. Pierce, of Buffalo, N. Y., "took time by the forelock," as it were, and published broadcast all the ingredients which he considered habit-forming. This he has completely forestalled all harping critics and all opposition that might otherwise be urged against his medicines, because they are now or known compositions. Furthermore, from the formula printed on every bottle wrapper, it will be seen that these medicines contain alcohol or other habit-forming drugs. Neither do they contain any narcotics or injurious agents, their ingredients being purely vegetable, extracted from the roots of medicinal plants found growing in the depths of our American forests and of well recognized curative virtues.

Instead of alcohol, which even in small portions long continued, as in obstinate cases of diseases, becomes highly objectionable from its tendency to produce a craving for stimulants, Dr. Pierce employs chemically pure, triple-refined glycerine, which of itself is a valuable remedy in many cases of chronic diseases, being a superior demulcent, antiseptic, antiferment and supporting nutritive. It enhances the curative action of the Golden Seal root. Black Cherry Bark and Bloodroot, contained in "Golden Medical Discovery," in all bronchial, throat and lung affections attended with severe coughing, Dr. Pierce has the writings of the eminent Dr. Grover Coe of New York; Bartholow, of Jefferson Medical College, Phila.; Scudder, of Cincinnati; Ellingwood, of Chicago; Hale, of Chicago; and others who stand as leaders in their several schools of practice, the foregoing agents are the very best ingredients that Dr. Pierce could have chosen to make up his famous "Discovery" for the cure of not only bronchial, throat and lung affections, but also of chronic catarrh in all its various forms wherever located.

reception followed. Assisting the bride couple in receiving congratulations were Mr. and Mrs. Bovey, the bride's parents, and Mr. and Mrs. Elbert D. Ross of Toledo, parents of the groom. Ballentyne, the matron of honor, wore a pink tulle, silk, and her flowers were pink asters. J. C. Gibson was the best man. The "Lohengrin" wedding march was played for the processional. In keeping with the season the decorations were carried out with asters, and the dainty flowers made a fitting ornament in the rooms. A solid bank of white asters formed an altar in the parlor window, and a row of tall palms, each with a white star, were placed in the dining room in the living room and the dining room was in pink and white. A silver candelabrum stood in the center of the table and from a bowl of white tulle streamers fell toward the corners of the table where they were caught in garlands of smilax and pink asters. A basket filled with the blossoms stood among the green which banked the sideboard.

Mrs. C. M. McCutchen, H. C. Pease, an uncle of the bride, and the bridegroom's parents, Mr. and Mrs. A. A. Schonebaum, assisted during the informal reception which followed the service. Mr. and Mrs. Schonebaum will be at home after Oct. 1, at 33 Twenty-third avenue NE.
