The hours were from 2 to 6 o'clock. Mrs. Fuller and Miss Fuller received alone, and assisting in the rooms were Misses M. F. Schutt, Fred G. Gerow, C. W. Thomas, C. F. Williams and George W. Todd.

The living-rooms and the hall were bright with clusters of red autumn blossoms against a network of smilax and foliage. Tea was served in the dining-room from a table decorated with a mound of pink asters and pink dahlias, and pink blossoms were in the vases on the buffet and serving tables. Mrs. George Fuller presided, assisted by Mrs. J. A. Ridgway and Mrs. Paul Heard.

BADGER STUDENTS DUCK BELLIGERENT FRESHMAN

Madison, Wis., Oct. 3.—Joseph Buchanan of Theresa, Wis., a freshman student, was thrown into the lake by the sophomores in broad daylight yesterday. He pulled himself out of the water, but the second-year men, who wanted to haze him the other night, and the sophs then told him his time would come.

They met on the hill yesterday and went to the man's room. They marched him in the most open manner possible thru the principal streets of the Latin quarter until they had reached the lake three times. Then they allowed him to swim ashore and go home. So far the efforts to stop hazing have been without avail, things being worse each night since the address of President Van Hise asking for moderation.

Students Rebel.
Chicago, Oct. 3.—Forty Lake Forest college students refused last night to sign a pledge submitted by the faculty not to indulge in hazing, and by the declaration of President Richard D. Harlan they will be expelled from the college. Sixty students, after a mass meeting, decided to accept the manifesto of the professors.

PRESIDENT TO DEDICATE PENNSYLVANIA CAPITOL

Washington, Oct. 3.—Arrangements were completed today for the president's visit to Harrisburg, Pa., tomorrow, where he is to dedicate the new state capitol building and make a speech at the dedication.
During the afternoon the president will stop at York and visit the county fair there, and make a brief speech. Washington will be reached early in the evening. Senator Knox will accompany the president from Washington.

PRESCOTT, WIS.—Dr. E. L. Eaton of Madison, prohibition candidate for governor, made a great hit here last night with a stirring temperance address. He was ably aided by W. D. Cox, state chairman and candidate for the assembly in Milwaukee county, also by Professor Fletcher of the noted base.

SUPERIOR, WIS.—At a meeting of the ministers of this city, it was decided to take steps to abolish Sunday movies if possible. The local preachers are strongly in favor of this move and there has been some little talk of it before. A committee has been appointed and will look into the matter and report at the next meeting of the Ministers' association.

SHAWANO, WIS.—Little booty was obtained by cracksmen who entered the general store of W. C. Zachary & Co., at Oech, Monday morning, and blew the safe. One of the clerks was injured by the explosion, and was arrested by the noise of the explosion. He crawled downstairs and fired one shot at the burglars, frightening them away. They took with them \$2.45, all the money the safe contained. There were three men in the gang, and they are believed to have been the same persons who blew the safe of the Lena postoffice.

STOP, WOMAN!

AND CONSIDER THE ALL-IMPORTANT FACT

That in addressing Mrs. Pinkham you are considering your private ills to a woman—a woman whose experience with women's diseases covers a great many years.

Mrs. Pinkham is the daughter-in-law of Lydia E. Pinkham, and for many years underherdiseases, and since her disease, she has been advising sick women free of charge.

Many women suffer in silence and drift along from bad to worse, knowing full well that they ought to have immediate assistance, but a natural modesty impels them to shrink from exposing themselves to the questions and probable examinations of even their family physician. It is unnecessary. Without money or price you can consult a woman whose knowledge from actual experience is great.

Mrs. Pinkham's Standing Invitation.
Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. All letters are received, opened, read and answered by women only. A woman can freely talk of her private illness to a woman; thus has been established the eternal confidence between Mrs. Pinkham and the women of America which has never been broken. Out of the vast volume of experience which she has to draw from, it is more than possible that she has gained the very knowledge that will help your case. She asks nothing in return except your good-will, and her advice has relieved thousands. Surely any woman, rich or poor, is very foolish if she does not take advantage of this generous offer of assistance.

If you are ill, don't hesitate to get a bottle of Lydia E. Pinkham's Vegetable Compound at once, and write Mrs. Pinkham, Lynn, Mass., for special advice.

When a medicine has been successful in restoring to health so many women, you cannot well say, without trying it, "I do not believe it will help me."
