

### ODDS COMING DOWN ON CHICAGO CUBS

#### Bettors Think There May Not Be Such a Runaway After All.

Special to The Journal.  
Chicago, Oct. 8.—Men who have been offering odds of 3 to 1 that the Cubs would defeat the White Stockings in the world's championship baseball series have cut down the odds, and now 2 to 1 is the best offered, and it is predicted that odds around 8 to 5 will be the best offered by the club admirers.

With a team made up of substitutes and a slick man in the box in Dr. White, who has not pitched for a long time, the pennant winners jumped onto Pitcher Bernard, one of the best of La Jota's staff, Friday and felt him for fifteen hits, among which were sprained ankles and trips.

Then it was that layers of odds at such ridiculous prices began to think seriously, and finally cut down to 8 to 5. Even one enthusiastic South Side fan is enthusiastic enough to say that the odds ought to be in favor of the white stockings, since Springfield and Kankakee got away with victories over the Cubs and Youngstown held the hard hitters for eight innings with only one hit and no runs.

**Dope, Dope, Dope.**  
Also men are arguing the point that the white stockings are as good a team as the New York Giants, and better than Pittsburgh or Brooklyn or any of the National league teams except Chicago, based on the percentage of victories. The Chicago American league team has lost the same number of games as the giants—fifty-eight. They have won ninety-six. They have won one more and lost four less than the Pittsburgh team, and that makes the white stockings look pretty good.

Reserved seats for the championship games scheduled at Comiskey's South Side grounds were sold out Saturday within two hours after the secretary Frederick opened the window at the ball park.

President Comiskey watched the sale to see that no applicant not personally known to him should get more than one box. He is determined to minimize the speculation, and will develop late evening when scalpers placed on sale box seats for the West Side ball park at prices which would produce a cash profit.

Enough checks for twice the number of box seats available for the whitesox were in a big box at Mr. Frederick's elbow when the sale began at 10 o'clock, but many of the applicants get their tickets.

**Reserves Are Scarce.**  
As in the case of the West Side grounds, many rosters who have been purchasers of tickets all season got in on the ground floor and swamped the ticket office for post-season tickets. The public had only a momentary chance to get a reserved ticket. All that is left to the great army of fans who wish to witness the two public series is the old-fashioned opportunity to go to the parks at 12 o'clock each day and stand in line for tickets to the stands and bleachers.

**NORTHWEST FOOTBALL**  
**NORTHFIELD VICTORS.**  
Northfield, Minn., Oct. 8.—The Northfield high school team played its first game of the season with the Faribault high here Saturday afternoon, winning by a score of 11 to 10. The local team will play the North high school of Minneapolis, at Minneapolis, next Saturday afternoon.

**LOOSE GAME AT HAYWARD.**  
Hayward, Wis., Oct. 8.—The local high school team defeated Washburn high Saturday by a score of 40 to 20. The game was a nearly unopposed one, and at no time was Hayward in any danger. Campbell, left half for Hayward, made three place kicks from the field.

**TE AT CASS LAKE.**  
Cass Lake, Minn., Oct. 8.—The prettiest game of football ever played in this city took place Saturday when the local high school team defeated the team from Bemidji, Minn., by a score of 40 to 20. The game was a nearly unopposed one, and at no time was Hayward in any danger. Campbell, left half for Hayward, made three place kicks from the field.

**DAWSON WAS WEAK.**  
Candy, Minn., Oct. 8.—The local team defeated the Dawson high eleven here Saturday by a score of 42 to 2. The game was too much one-sided to interest the visiting team, and made a very poor showing.

**TEAM HAS RECOVERED.**  
Two Harbors, Minn., Oct. 8.—Having fully recovered from the severe defeat at the hands of the Duluth team a week ago, the M. O. A. junior football team defeated the Nelson Dorey high school team of Superior last Saturday by a score of 19 to 0. The halves were 20 and 15 minutes in length and six touchdowns were scored in each. The effort came easily, but the second was a hard struggle. No goals were kicked, the ball going into the net each time the locals had a chance.

**INDEPENDENT FOOTBALL**  
The game between the Beavers and Ramblers at Minneapolis park yesterday afternoon resulted in a tie, neither side being able to score the forty minutes of play. The battle was a clean affair, and only one penalty was weighted.

The Beavers had a shade the best on tonight, but were a little weak on offense. The Ramblers were fast, and even showed up to advantage. "Jack" Molitor, Christopher and Brenner were the best groundsmen, while Hanson and Chickens starred for the Ramblers.

Manager Lobell and his Summit team were on hand for their game with the Capitols of St. Paul, yesterday afternoon, but the latter failed to put in an appearance. The Summits claim the game, and are ready to meet all other teams at their own risk.

The Gags were defeated by the Victors yesterday afternoon on the latter's grounds. The Victors had the best of the argument, as they outwitted their opponents.

The Mohawks have secured the Steel & Machinery grounds for their games. The following players will please report for practice Tuesday evening at Twenty-first avenue and Thirty-second street: Treason, Ostrom, E. Ostrom, Nolan, Hansen, Erickson, Cafarella, Larsen, Lamb, Jackson, Northrup, Bristol and Wolf. The Mohawks would like to arrange games with 185-pound teams in the city. For game addresses George Treason, 3135 Cedar avenue, or phone Twin City 4408.

### STAGG'S MAROONS NEED HEAVY MEN

#### First Week's Practice Develops Many Backs but Promising Linemen Are Scarce.

Special to The Journal.  
Chicago, Oct. 8.—With one week of actual practice, the maroon prospects do not look as rosy as they did on the ante-season dops. While the squad looks good in many ways, there has been one feature of the early work that is encouraging to Coach Stagg and maroon followers.

It is the same old story for Chicago. There is an abundance of backfield material with not enough linemen of ability to protect the backs for the intricate formations which will be on the maroon line of attack under the new rules. Stagg has only two first-class linemen at present round whom to mould a lot of forwards, which will be capable of withstanding the push and shove of the line. Year after year Stagg has been confronted with the same problem. Last year he started the season with only one regular linemen, the one which he developed an excellent lot of fast charging forwards. He will be lucky if his efforts this year result in more than one regular.

Russell and Parry are the only regulars of last year's forwards who are out for the team. It seems to be the plan to start with only one Russell is left as the only first-rate linemen left.

**Noll Sure of Team.**  
Noll, who was a substitute on last year's team, is working hard for the team. He is sure of a regular berth, but he will fall far short of filling the shoes of Badenoch or Hill, last year's regular while the new recruits are being trained in his play.

The hardest blow that the Chicago team has suffered is the loss of the back position. He is expected to be in the backfield with the hope that work in higher positions will teach them to start more rapidly.

While the line prospects are anything but brilliant, the candidates for the backfield have been a source of great pleasure to Stagg. The Buffalo and the fifth if necessary on neutral grounds, for \$1,000 a side.

"I am willing that the \$257.50 now held by the Columbus club shall go as a forfeit for said series. As soon as the challenge is accepted the balance of the money will be posted.

"To make it stronger, I will agree that all game receipts shall go to the winner of the series."

Buffalo and Columbus played two games in the series for the Class A minor league championship yesterday and broke even. This gives Buffalo three and Columbus two games. The agreement was that four victories would be necessary to decide the championship. The Buffalo players left for home last night, and it is improbable that the series will now be finished, as the center of the line was discouraged by the unfavorable weather they have encountered here.

### BISONS ARE AFTER DERBY'S QUITTERS

Journal Special Service.  
Columbus, Ohio, Oct. 8.—Captain George Smith of the Buffalo Eastern league club authorized this statement last night, after the game in which the Columbus team intended holding up Buffalo's share of the receipts of the Sunday game at the stadium.

"I hereby, on the part of the Buffalo club, challenge the Columbus club to a series of five games to be played in Buffalo, two in Columbus and the fifth if necessary on neutral grounds, for \$1,000 a side.

"I am willing that the \$257.50 now held by the Columbus club shall go as a forfeit for said series. As soon as the challenge is accepted the balance of the money will be posted.

"To make it stronger, I will agree that all game receipts shall go to the winner of the series."

Joseph Brady, St. Peter.

**WOMEN CONTEST FOR GOLF TROPHY**  
West Newton, Mass., Oct. 8.—More than three score of women golfers from all parts of the country will participate today at the Brae Burn Country club in the opening or preliminary round of the twelfth national championship.

The player who successfully passes thru the ideal which extends thru the week will receive the championship gold medal and her club will have for the next year the custody of the Robert Cox cup, now held by the Country Club of Boston. The club of which Miss Pauline Mackay, the present title holder, is a member.

The contestants this year have come from greater distances than ever before in a national event. Chicago alone is represented by more than a dozen of its best players, including Mrs. C. L. Dering, the western champion. St. Louis will have Miss Grace Semple, Denver is represented by Mrs. George W. Roope, California sends Mrs. I. V. Whitney of Claremont, while for the first time in a woman's national event there will be a Canadian player in the person of Miss Phoebe of Hamilton, Ont.

### KELLEY CASE UP TO COMMISSION

Journal Special Service.  
Chicago, Oct. 8.—Late last night President Murphy reported that the West Side grounds were in readiness for the coming battles for the world's baseball championship. A large gang of men were at work all day, and when quitting time came everything was in place. Out on the South Side things are not going so rapidly, but President Comiskey is sure that all will be in readiness for the first game there on Wednesday.

The remaining reserved box seats left for the games at the South Side park were gobbled up shortly after the sale was completed yesterday. The first game there on Wednesday, the parks remains, and those who are not fortunate enough to get the precious pastboards will have to take their chances in getting into the unreserved seats. The sale of these sections will not be opened until just before each game.

The national commission will hold an executive session this morning and make the final arrangements for the great series. It is also likely that the Mike Kelley case will come before the commission at this meeting, but it may be postponed until later in the week.

The members of the commission, Chairman Gerry Herman, Presidents Fullam of the National and Ban Johnson of the American leagues, will remain in town until the series is finished, and there is some chance that the Kelley tangle may be postponed until later in the week.

After the executive session is finished the commission will meet the officials and players of the two clubs and the umpires and give the final instructions. The assignment of the umpires will also be made at this meeting.

### SUPERIOR SOCKER TEAM WINS AGAIN

The Superior soccer football team went down before the foot Superior aggregation yesterday morning at Minneapolis park by a score of 3 to 1. The visitors had the better of the argument all along, although the locals fought hard. The first score was made by the Irish team in the first minute of play, but the cracks from the big lake district made two before the end of the contest.

Owing to the Beaver-Hamler game in the afternoon at Minneapolis the soccer teams were forced to play in the forenoon, and as a result the attendance was kept down.

The team work of the visitors was fast and at times the locals were swept off their feet. Brodbeck and Campbell starred for the home team, while Sprunt and McLaren carried off the honors for Minneapolis.

### YALE DEFENSE TO BE BRACED

Journal Special Service.  
New Haven, Conn., Oct. 8.—Yale's defense will be hammered at this week to strengthen it and the center trio will be the main part of the line to receive attention from the regular and extra coaches with the idea in view of getting the defense in shape for the season.

Charlie Chadwick has been secured to assist Rockwell and Hoyt all this week. Chadwick saw the Yale games here last week and noticed the weakness in the center of the line with an eye of laying out his work this week. It has been shown by the games here that the center and the guards have got to abandon the old-time system of sticking to the middle of the line to stop plays of offense aimed by the opposing side.

With ten yards to stop plays until they have better opportunity to safely try to pierce the intruding line and smash tick plays.

An end to replace Burch is one of Yale's now. Overall, who took the injured man's place, played a disappointing game Saturday.

It is hoped that Howard Jones will soon be able to play again, but he is wanted in Alcott's place rather than on the left end.

### CHICAGO IS CRAZY OVER "THE SERIES"

Journal Special Service.  
Chicago, Oct. 8.—Preliminary to the world's championship baseball games which begin here tomorrow, members of the national commission, members of the Chicago National and American teams, the umpires and others directly concerned met here today. Rules governing the series and the importance of preserving decorum on the field were among the matters thoroughly discussed.

The advance sale of seats makes it a foregone conclusion that a record-breaking crowd will be present when play is begun in the National league park at 2:30 p. m. tomorrow.

Anticipating that thousands must be turned away from the gates, two local newspapers have issued several of the largest halls in the city where those disappointed at the park may receive wire prompt reports of every play made. The two teams are in remarkably good condition. The Nationals will go into the field with their lineup intact with the exception of the center fielder, Slagle, whose place will be taken by Arthur Hoffmann.

It is believed that Shortstop Davis will be the hero of the series, and it is expected that in a few years they will be greatly increased in numbers and will be a valuable addition to the game birds of the country. They cannot be shot before 1910, as the law gives them protection until that time.

### DAVENPORT IS READY TO QUIT

Special to The Journal.  
Bloomington, Ill., Oct. 8.—Interest around the Three-I league will center in the annual meeting to be held this week at the Sherman House, Chicago, when President Holland will present his annual report. Action will be taken upon the report of the committee on the circuit.

The executive will show that two towns failed to reach 30,000 attendance as required by the league to insure a retention of the franchise. Davenport and Dubuque are behind, but in the case of the latter the small showing was due in part to the transfer of numerous games on account of counter attractions. Davenport, on the contrary, played its full quota, but fell behind. The past year has been unfortunate.

It was impossible to keep up the interest in the face of the poor showing. Finally J. T. Hayes, who had handled the team ever since the league was organized, decided to retire and give a syndicate of citizens a chance. The franchise was sold to Dan B. Horns, elected president.

The situation grew worse instead of better, and the outlook is not encouraging. Davenport in previous years was one of the best towns of the circuit. It is the general opinion that Davenport will be given another chance.

There are numerous applicants for a berth. Danville has sent word that it will have a formal application before the Chicago meeting. This was one of the best cities in the K. I. T. league. Freeport of the Wisconsin league is after membership. Quincy is interested in Burlington might take a franchise if it could get away from the Iowa league. Either Danville or Burlington would be agreeable.

Davenport has sent word to President Holland that it will not care for membership unless there is a radical decrease in the salary account for the future.

### PHEASANTS PLANTED IN WILLMAR WOODS

Special to The Journal.  
Willmar, Minn., Oct. 8.—Two dozen Chinese pheasants were shipped into Willmar by the state game commission and have been released in the Green Lake woods by Deputy Game Warden J. B. Boyd. They are all young birds, and it is expected that in a few years they will be greatly increased in numbers and will be a valuable addition to the game birds of the country. They cannot be shot before 1910, as the law gives them protection until that time.

### BIG LEAGUERS ARE THRU FOR SEASON

#### Both Championships Fall to the Windy City Clubs.

Special to The Journal.  
Chicago, Oct. 7.—The baseball season of both major leagues ended yesterday with games at Chicago, St. Louis and Cincinnati. For the first time since the two big leagues have been organized, both championships have come to one city. The Chicago National league team won first honors in that organization easily. Taking the lead early in June and holding it to the end it established a new major league record for number of games won. Of the 153 games played by the team, 116 were victories, the previous baseball record in this respect having been held by the New York club in the same league.

In the American league, the Chicago team upset all calculations by winning the pennant. The contest was not decided until late in the season. The Chicago club's record of 162 defeats was not decided until two days later, when Chicago defeated Cleveland and took away the Ohio club's last chance to overtake New York. The fourth and fifth teams, Philadelphia and St. Louis, were within halting distance through the season. Philadelphia, in fact, leading the league on three separate occasions, the last time no later than Aug. 5. Washington and Boston dropped behind in the race early and were tail-enders through.

In the National league, outside of Chicago's work, the chief feature of the season was the hard struggle for second place between New York and Pittsburgh. This lasted until the first week in September, when the latter team fell back. The other five clubs in the league occupied the same relative positions through most of the season, although Brooklyn and Cincinnati finished up with but one game between them for fifth and sixth places respectively.

St. Louis was never a contender in the race, and the Boston club's record of 162 defeats was only exceeded by that of the same club in the American league. Tomorrow the world's championship series will be begun between the two Chicago clubs. The first game will be played on the National league grounds. Another inter-league series will be scheduled for St. Louis. The contests will start today.

### TOMMY SHEVLIN IS COACHING OUT WEST

Special to The Journal.  
Spokane, Wash., Oct. 8.—Tommy Shevlin, visiting R. B. Slack of the Stack-Gibbs Lumber company, has been coaching the Spokane Athletic club football team this week. During his short stay he has become a great favorite socially.
