

HOW TO KNOW PIANO VALUES

Can you distinguish a \$300 piano from a \$400 one? A \$200 piano from a \$300 one? Did you know that a Steinway, the highest priced piano made, and the best in the world, can be bought for \$500?

THE BEST WAY TO LEARN

values is to visit a reliable store like the Metropolitan Music Co., where they have pianos of reputation, standard makes of known merit and unshifting values. By inquiring the prices of Steinway, Knabe, Ivers & Pond, Ludwig, etc., and examining these pianos, you will have information as to Piano Values that you can depend on. This will help you wherever and whenever you may buy.

If, then, someone offers you a piano for "\$133.50," claiming it is worth "\$300" or "\$400," etc., or offers "\$150" to save you \$150, you will be wise and tell him he—that you know better.

BECOMING A MOTHER

Is an ordeal which all women approach with indescribable fear, for nothing compares with the pain and horror of child-birth. The thought of all pleasant anticipations of the coming event, and casts over her a shadow of gloom which cannot be shaken off. Thousands of women have found that the use of Mother's Friend during pregnancy robs confinement of all pain and danger, and insures safety to life of mother and child. This scientific liniment is a god-send to all women at the time of their most critical trial. Not only does Mother's Friend carry women safely through the perils of child-birth, but its use gently prepares the system for the coming event, prevents "morning sickness," and other discomforts of this period. Sold by all druggists at \$1.00 per bottle. Book containing valuable information free.

Railroads CANADIAN PACIFIC HEADS FOR SOUND

MILWAUKEE TERMINALS TO BE USED AT SEATTLE.

Coast People Believe that Aggressive Northern Line Will Enter United States Territory Over Tracks of Subsidiary Company and Will Co-operate with New Pacific Road.

Developments in Seattle lead railroad men of that city to believe that the Milwaukee and the Canadian Pacific roads will use joint terminals in Seattle. The question of the construction of a railway from the Canadian Pacific road in Canada to Seattle is engaging the attention of the management of the Canadian Pacific. The president, Sir Thomas Shaughnessy, says that he is not yet in position to make a positive statement, but even this statement is the first definite knowledge that the Seattle people have had of the Canadian Pacific's intentions to build to that city.

Sir Thomas says he will take the people into his confidence when a decision is reached. It is probable that an independent company will build the line which the parent road will operate by a long lease. This is the method used by the Canadian Pacific in Ontario.

Buy No Property.

The Canadian Pacific seems to be making no effort to acquire property in Seattle, and this leads to the understanding that the road will use the Pacific Coast company's property designated for the Milwaukee road. The Milwaukee contemplates purchase of this property and it is known that Jefferson Levey, who is closely allied with the Canadian Pacific railroad, has been mixed up with the Pacific Coast company. Some months ago he wired a Seattle man to buy Pacific Coast stock as there would be a lively movement in it shortly. There have been many rumors rife that the Milwaukee and Canadian Pacific railroad would share terminals here and all the facts seem to point the same way.

The contemplated purchase of the Pacific Coast holdings by the two roads would explain the Canadian Pacific railroad's failure to secure terminals here before perfecting its plans for entering the city.

DIRT FLIES IN THE HILLS

Three Roads Doing Construction Work at Rapid City.

Special to The Journal. Rapid City, S. D., Oct. 11.—Within one block in this city three railroad companies are engaged in doing actual construction work, the Missouri & Northwestern, the Milwaukee & St. Paul and the Great Northern.

The Milwaukee commenced laying steel from this end of the track last Monday, the graders who have completed their work here, having been moved on to Rapid Valley, and out of the way of the track men. Two or three track-laying trains reached here this week over the Burlington and the work of raising the extension to the Hills will be rushed.

WINTER WORK PLANNED

Duluth, Rainy Lake & Winnipeg Undaunted by Cold Weather.

Special to The Journal. Duluth, Minn., Oct. 11.—Cold weather is not to put a stop to work now being done on the Duluth, Rainy Lake & Winnipeg road's extension to the boundary. Men are now being hired with the understanding that they will be kept busy all winter if such is their desire. As an indication of the manner in which the contract is being rushed, an order for 200 additional laborers was yesterday placed with a local employment office.

Crews now are working from both

ends of the line, a large gang of laborers having started for the northern end a few weeks ago. The 200 now being hired are to be sent to Pelican Lake and northward to the Hills from there. Within a week or two 700 men will be at work on the contract.

CANADIANS AGAIN FAVORED

Home-Going Rates Will Be on Sale Thru December.

"Home-going" holiday rates to Canada east will be granted the northwestern Canadians the same as last year, with three days added to the time of sale. The rate will be in effect this year from Dec. 1 to Dec. 31. Tickets will be good for three months, with extension upon payment of \$5 for every fifteen days additional.

The rate will apply from points in Manitoba, Minnesota and North Dakota to all points in the provinces of Ontario and Quebec, west of and including Montreal, except to points west of Pembroke or north of Gravenhurst. If the same conditions prevail as last year, correspondingly low rates will be made to points in Quebec and to points in New Brunswick and Nova Scotia.

Ore Cars Needed.

Special to The Journal. Duluth, Oct. 11.—One result of the sale of the Hill ore lands to the United States Steel corporation is expected to be the placing of a large order for additional rolling stock for the Great Northern ore hauling lines. The amount handled by the Great Northern last year aggregated 5,943,235 tons, which practically is the present capacity for ore handling. But with the beginning of work on the new mines, whose opening is provided for, vast additions to the rolling stock of the road will be required.

RAILROAD NOTES.

General Manager A. L. Mohler of the Union Pacific has announced that machinery has been purchased for a special plant to manufacture the McKee motor car. It will be installed in the new shops here and the manufacture of the motor cars for use on branch lines of the Harbinger railway system will be begun on a large scale.

At the annual meeting of the Oregon Short Line held in Salt Lake City yesterday, L. H. Cornell and H. B. Taylor, both of New York, were elected directors to succeed Otto H. Kahn and Gardner M. Lane. With these exceptions the former board was re-elected. About 90 per cent of the outstanding stock was represented.

BODY CUT IN TWO BY HER FATHER'S TRAIN

La Crosse, Wis., Oct. 11.—Struggling but helpless, with her foot caught in a cattle guard at the Indian crossing, 7-year-old Mamie Hunt yesterday afternoon watched the coming of the North-Western freight train which was to kill her, while Degna Senstad, her 6-year-old companion, vainly tried to signal the engineer.

Sitting complacently on a brake wheel upon the top of the train was John Hunt, her father, a brakeman, unconscious that his child was being ground to death beneath the wheels.

The little girls were returning from school when the child's foot became wedged in the cattle guard. An instant later the train was on the sharp curve and bore down upon her. Her little friend ran to meet the approaching engine, waving her arms and screaming, but the engineer did not see her. The Hunt girl's body was cut in two at the hips.

HAZING IS STAMPED OUT

West Point Practically Free from Spirit, Reports General Mills.

Washington, Oct. 11.—Hazing has disappeared from the United States military academy, according to the annual report of the superintendent, Brigadier General A. L. Mills. The report says: "Hazing is entirely absent and the spirit which formerly years ago promoted it has in measure disappeared. The attitude of all the upper classes toward the fourth class is good generally, and the members of the first class in particular have shown due appreciation of the responsibilities of maintaining proper relations between old and new cadets."

Charcoal Kills Bad Breath.

Bad Odor of Indigestion, Smoking, Drinking or Eating Can Be Instantly Stopped.

Sample Package Mailed Free.

Other people notice your bad breath where you would not notice it at all. It is nauseating to other people to stand before them and realize you are talking, give them a whiff or two of your bad breath. It usually comes from food fermenting on your stomach. Sometimes you have it in the morning—that awful sour, bilious, bad breath. You can stop that at once by swallowing one or two Stuart Charcoal Lozenges. The most powerful gas and odor absorbers ever prepared.

Sometimes your meals will reveal themselves in your breath to those who talk with you. "You've had onions," or "You've been eating cabbage and so on," or "You've been eating in the face of your friend." Charcoal is a wonderful absorber of odors, as everyone knows. That is why Stuart's Charcoal Lozenges are so quick to stop all gases and odors of odorous foods, or gas from indigestion.

Don't use breath perfumes. They never conceal the odor, and never absorb the gas that causes the odor. Besides, the very fact of using them reveals the reason for their use. Stuart's Charcoal Lozenges, in the first place, stop for good all sour breath and belching of gas, and make your breath pure, fresh and sweet just after you've eaten. Then no one will turn their face away from you when you breathe or talk; your breath will be pure and fresh, and besides your food will taste so much better to you at your next meal. Just try it.

Charcoal does other wonderful things, too. It carries away from your stomach all the acids, and all the impurities there massed together and which causes the bad breath. Charcoal is a purifier as well as an absorber.

Charcoal is now by far the best, most easy to use, and most effective of all whole boxful will do no harm; in fact, the more you take the better. Stuart's Charcoal Lozenges are made of pure willow charcoal and mixed with just a faint flavor of honey to make them palatable for you, but not too sweet. You just chew them like candy. They are absolutely harmless.

Get a new, pure, sweet breath, freshen your stomach for your next meal, and keep the intestines in good working order. Then, after you have tried the sample, and been convinced of the good health and long life you can get all the charcoal necessary to do these wonderful but simple things by getting Stuart's Charcoal Lozenges. They are the secret of good health and long life. You can get all the charcoal necessary to do these wonderful but simple things by getting Stuart's Charcoal Lozenges. Restores Vigor in Old Age

MRS. ELIZA SCHEIRER, 76 YEARS OLD.

Mrs. Eliza Scheirer, who lives at Macungie, Pa., and who has passed a very strenuous life, found at the age of 76 some of the old time vigor and energy lacking. She felt that she needed something to give her strength in her declining years. For over a year she has used Duffy's Pure Malt Whiskey as a tonic-medicine and has found in it the very thing needed for one at her time of life. She writes the following and cordially recommends Duffy's Pure Malt Whiskey to both young and old:

"I would say that I am now in my seventy-sixth year. Have always lived an active life. About a year ago I began using DUFFY'S PURE MALT WHISKEY as a restorative, and I can heartily recommend it as a very valuable preservative for young and old." MRS. ELIZA SCHEIRER, May 6, '06.

Duffy's Pure Malt Whiskey

If you wish to keep strong and vigorous and have on your cheeks the glow of perfect health, take Duffy's Pure Malt Whiskey regularly, according to directions, and take no other medicine. It is dangerous to fill your system with drugs, they poison the body and depress the heart while Duffy's Pure Malt Whiskey tones and strengthens the heart action and purifies the entire system. It is the only whiskey that is recognized as a medicine and contains no fusel oil. This is a guarantee. Duffy's Pure Malt Whiskey has stood severe tests for fifty years and has always been found absolutely pure and to contain great medicinal properties.

CAUTION.—When you ask your druggist or grocer for Duffy's Pure Malt Whiskey be sure you get the genuine. It's the only absolutely pure medicinal whiskey and is sold only in sealed bottles—never in bulk. Look for the trade-mark, the "Old Chemist," on the label and make sure the seal over the cork is unbroken. Price \$1.00. Medical booklet and doctor's advice free. Duffy Malt Whiskey Co., Rochester, N. Y.
