

MIRANDA TO HAVE 'DUET'

BASKETBALL CANDIDATES TO START WORK TO-MORROW

All of Championship Team Returns. North Carolina Five Will Be Played in Richmond.

CHARLOTTEVILLE, Va., October 23.—While football has been holding the attention of the followers of athletics at the University of Virginia for the past month, some interest will soon be shifted to another branch of sport, for a call has been issued by "Dop" Harrison, for all candidates for the basketball team to report on Monday afternoon.

The indoor sport has boomed up with a rapid annual increase. In Virginia in the past few years, there has been a large extent to the splendid teams which have been turned out. While it is a bit early to make predictions, it is a safe bet that the Orange and Blue will again be represented by a strong basketball team.

There are a number of facts on which to base this statement. In the first place, the University of Virginia has again been in harness, and for the benefit of the followers of the Orange and Blue, the basketball team will be organized in the winter months. This team will enter a full line of games—seventeen straight from the most representative feature of the season. The basketball team of last season's quit also played together the previous year, during which they lost only one contest. It is a fact now stated, there has been only one defeat chalked up against the Virginia unit in the last two years.

The regulars of last year's team who are now in college are: Captain Bill Stuckland, center; expansionist Wellington Stuckley, left guard; Bill Nickerson, right guard; Little and Luck, guards. Other letter men back in the university include: Guard, Bill Nickerson; Bert Via, sub-guard; Jim White, sub-forward. All of the above players are ready for work with the basketball team of Charlie Dietrich. At present he is recovering from an attack of typhoid fever and will leave the university hospital in a few days for his home in Brooklyn. Dietrich was a valuable man in the team, and his coming back in high order, it is hoped that he will round into shape by the time the basketball season begins.

SEVERAL NEW PLAYERS WILL FIGHT FOR JOBS

To illuminate prospects further, there are several players of note who are in the line for positions. Among these are: Arthur Mann, who was captain of the 1914 unit, and who has been out of school for the past two years, but re-entered this fall. He is a regular center on the University of Maryland unit, and is being sought for by Coach Dietrich. Another formidable candidate for a job on the team is Harry D. Jones, who was a guard in the last season, and was a regular on the strong Lynchburg Y. M. C. A. unit. This year he is also showing a well-rounded football ability, and is being sought by Coach Dietrich.

The basketball schedule has not been completed, but it is being compiled by Manager Lewis Gooch. For the first time in the history of the university, the basketball season will go on again, the strong Navy team at Annapolis. Negotiations are also on foot for a contest with Wake Forest, the quint from the University of North Carolina will be met in Richmond. A game of unknown strategic importance for a looking is Keewatin Academy, from Peoria, Ill. Wisconsin. This year will meet at the University of Virginia as far as St. Augustine, Fla., and will play a game with Virginia. The complete schedule will be announced within a week or two.

WELSH DECIDES ON FOUR FIGHTS BEFORE RETURN

Lightweights Chamber for Opportunity. Looks Like Champion Will Take on Ted Lewis.

NEW YORK, October 23.—When Freddie Welsh, the lightweight champion of the world, announced a few days ago that he was going to don the carpet slippers and sit away from the ring, he was expected to do something. Every blessed lightweight has come forward and in a declaration has challenged Freddie to battle. It is a fact that Welsh has a number of these lightweight champions who do not want to get a crack at Freddie, but in the end, he has decided on four fights before he returns to the ring.

Ted Lewis, the clever fighter from Peoria, Ill., will probably be the first of the world's best fighters to be taken on by all the boys. Ted should make a match interesting for his compatriot. The reason that Ted is being taken on is so bright for a midget with Freddie that he is a midget with Freddie. Domick hastened a wire hither to-day, asking just what sum the boys would actually want to visit the "Crescent City" and fight out for the world's title in a twenty-round battle.

Before anything is settled for this match, there will be quite some hunting done by excited managers, all of whom will converge on you, let them say that their champion is the best candidate for title honors. Scotty Monteth, who has guided Johnny Dundee through the mazes of the fighting world for years and years, is probably the most insistent of the mob. The Scottish millionaire will produce documents, records and family data to show you that Johnny is the real honest-to-goodness boy that is entitled to get the world's title.

As to Ritchie ever fighting Welsh for his old title, that is hardly probable. Welsh has declared emphatically that the only way Ritchie can get a chance at his former crown is to slip Freddie a few rounds. No one is likely to be the champion, but simply 25,000 iron men. While declaring that he will not pass over that bunch, he is at a standstill, according to all methods of deduction. The fight starts within a day or so for his new training quarters at Washington, D. C., where he will immediately start rigorous work to get in shape for the season.

WALKER BREAKS WORLD'S RECORD.

NEW BRUNSWICK, N. J., October 23.—George Goulding, Central Walker, 23, Toronto, Canada, won the A. A. national championship seven-mile walk here today in a record-breaking time of 20 minutes, 12 seconds. This time was 50 to 1-2.

POLITICIAN NOW ON GRID

Numbered among the candidates for varsity jobs on the University of Mississippi eleven is E. Dunyan Carter, who has defeated recently as a candidate for Lieutenant-Governor of Mississippi.

After his defeat at the polls, Carter decided to enter the University of Mississippi and take up the study of law.

"Football doesn't furnish me with the same wild excitement that politics does," said Carter, "but it's a good substitute."

Carter, because of his political prominence, is causing considerable interest in the football team. So far he has shown up well in his efforts to land a position at end, and undoubtedly will get into many of the Mississippi games this fall.

WHIT WARRIOR.

To-morrow night at 8 o'clock on the Van Dyne Alessis in Petersburg, B. W. McFarland, who last year won the intercity championship from Whit Whitman, will again meet Whitman in a match of five games, in celebration of the opening of the new alley in the "Cockade City."

Local bowlers will go over and attend the contest, which promises to be interesting. Whitman, as a member of The Times-Dispatch team attending the National Bowling Tournament several years ago, made a wonderful record and led the world's champions. McFarland has demonstrated his ability as a bowler by beating Whitman in a series of twenty-five games, rolling the high total of 279 in the final game.

TECHS LOSE TO MIDDIES

VIRGINIA POLY UNABLE TO PIERCE HEAVY NAVY LINE

Injuries Weaken Visiting Eleven, and Three Touchdowns Are Made—Techs Threatened in Early Stages.

ANNAPOLIS, Md., October 23.—Virginia Polytechnic Institute's football team was unable to overcome Navy's big advantage in weight to-day, and lost to the Midshipmen, 20 to 0.

Although on the defensive for the first few minutes of the game, the visitors steadily gained with their speedy and varied attack in the first half and not only prevented the Navy from scoring, but several times threatened the Midway goal line.

Navy's heavier line told in the end, and with the loss of Powell, Hall and Jones, the three touchdowns were tallied against her.

LOCAL NEGRO ELEVEN HAS EASY TIME AT LYNCHBURG

Virginia Theological Seminary Defeated by County School—Stars With Steady Games.

LYNCHBURG, Va., October 23.—The greatest surprise of the season was evidenced here to-day, when the county school of Virginia Theological Seminary and College succumbed to the superior team of Virginia Union, 27 to 0.

Richmond, by the score of 27 to 0. The home team had shown such excellent form for the past two seasons that it was expected that Lynchburg would be defeated without her best players. She showed superior ability and training in every stage of the contest. Lynchburg contested stubbornly every inch of ground, but by an efficient combination of the plunges, fakes, forward passes and end runs the Union machine persistently furrowed its way to victory.

The first two touchdowns were made by Howell, Clavin. All-American left. His sensational line plunges for gains from ten to twenty yards were the principal features of the event. In the last few minutes of the third quarter, Bowie played the opponents' line back. The third touchdown was the fourth act which held supreme honor—catching one of Hucles' long spiral passes in mid-air. He booted the uprights. Hucles' toe is responsible for three points, kicking three goals out of the four attempts.

After the pleskin had been in motion for minutes, Lynchburg realized that they could not expect victory, and were determined to suppress a large score to Union's credit. Each man worked faithfully and conscientiously. Some daring exhibits of oval phenomenon were staged by Boykins, in quarter. Smith also played well in left half.

RUSH SYSTEM IS WINNER

PRINCETON PUTS IT ALL OVER DARTMOUTH SQUAD

Dave Tibbott Proven Star of Contest. Makes Long Runs and Kicks.

PRINCETON, N. J., October 23.—"Speedy" Rush's coaching system, imported to New Jersey from the corner lots of Cleveland, had its first real trial on the big line here this afternoon, and it was a terrific hit. With young Dave Tibbott, of Philadelphia, in the leading role, enthusiastically supported by the entire Princeton staff, the production quite overwhelmed a delegation from Dartmouth. The final score was: Princeton, 30; Dartmouth, 0.

This Dave Tibbott is a character of the highest order. Much of the success of the show to-day was due to his earnest efforts. He booted a couple of field goals from long range in the first half, and in the second he rambled through the Dartmouth crowd over thirty-five yards to a touchdown. He kicked from long range on two touchdowns and also from two other touchdowns, so it can be truthfully said that Dave intoned the game.

Dave is a product of the Germantown Academy in Philadelphia, but aside from that he has many excellent points. He is nineteen years old, 5 feet 10 inches high and weighs 175 pounds, with which he is able to hold his own at frequent intervals to-day. He is a member of the class of 1917 and plays football for Princeton. He is one of the most spectacular players to-day, with which he is able to hold his own at frequent intervals to-day. He is a member of the class of 1917 and plays football for Princeton. He is one of the most spectacular players to-day, with which he is able to hold his own at frequent intervals to-day.

The fact that Pittsburgh brought a wonderful team to meet the Quakers was hardly borne out, as they were really outplayed during the best part of the game. What defeated Pennsylvania was her poor offense. With two opportunities to score, she failed to do so, and lost the game.

BASEBALL STARS COMING

TRAPSHOOTING EXPERTS TO APPEAR AT WEST END CLUB

Mathewson, Bender, Davis and Crandall on Squad—Trip of 3,500 Miles Starts in Richmond.

WILMINGTON, DEL., October 23.—Arrangements were completed to-day for a trapshooting trip of some miles to be taken by a team of four well-known baseball players, composed of Christy Mathewson, of the New York Nationals; Harry Davis, Philadelphia Americans; "Doc" Crandall, St. Louis Federals, and "Chief" Bender, all recently with the Baltimore Federals. The ball players, all of whom are crack target shooters, will tour the large cities in the Middle West and in the East. They will shoot a match of 100 targets in eighteen cities, with teams of amateurs at each place. E. R. Galvin, of this city, will handle the business end of the trip.

The opening shoot will be held at the West End Gun Club, Richmond, Va., November 8. The closing match will take place at the Hotel de Ville, Boston, November 27. On Thanksgiving the ball players will meet a team from the New York Athletic Club grounds, New York.

These cities will be visited in the order named: Richmond, Baltimore, St. Louis, Kansas City, Omaha, Des Moines, Minneapolis, Milwaukee, Chicago, Toledo, Detroit, Chicago, New York, Hartford and Boston.

At Philadelphia, where a match will be staged November 19, a banquet will be given the tourists by the Mayor and other city and State officials in attendance. At every stop a celebration is planned.

PHILADELPHIA, October 23.—Pennsylvania held the heavy Pittsburgh University team to a 14-to-7 score before 15,000 persons at Franklin Field to-day.

The fact that Pittsburgh brought a wonderful team to meet the Quakers was hardly borne out, as they were really outplayed during the best part of the game. What defeated Pennsylvania was her poor offense. With two opportunities to score, she failed to do so, and lost the game.

Pittsburgh played itself out in the first half, and while it failed to score in the initial period, Hastings went back to the field before the half was over in the second half. Pittsburgh's forward passes went wrong and quarterback Berry, who had few opportunities in the first half, started the ball rolling for Pennsylvania. He pulled off a couple of long runs, but again the offense was not consistent.

At Philadelphia, where a match will be staged November 19, a banquet will be given the tourists by the Mayor and other city and State officials in attendance. At every stop a celebration is planned.

Patching Up Quarrel

Students of Virginia and Georgetown Want to Renew Athletic Relations—Negotiating Now.

WASHINGTON, D. C., October 23.—Negotiations looking forward to a reconciliation between Georgetown University and the University of Virginia, the two powerful athletic institutions in this section of the country, are under way. It is believed that the ground covered in the communications between graduates extends from St. Louis to Norfolk and from Baltimore to Richmond. These letters have been between former students on the friendlyst of terms, who have endeavored to learn upon what terms the respective colleges would be willing to talk peace.

For five years from 1911 relations between the two schools were severed. In the summer of 1906 the same method that is at present being used was used to bring about a reconciliation. The two athletic associations of the respective colleges had already been drawn simultaneously and were ratified here and at Charlottesville. This peace lasted until 1913.

JIM COFFEY WAS NO BOOB

Although Dublin Giant Lost to Frank Moran, He Put on a Heavy End of Receipts.

NEW YORK, October 23.—Although the loser in his fight with Frank Moran, Jim Coffey received for the ring argument more than did the Pittsburgher. This was revealed when the Garden authorities totaled up their figures and found the receipts to be \$22,118. Moran accepted a flat guarantee of \$5,500. Coffey took 30 per cent of the gross receipts and this meant \$18,835 out of the \$22,118. The state share of the fight on its 7-13 per cent share.

In a story under Coffey's signature the defeated heavyweight was supposed to claim that he was in full possession of his senses when Referee Brown stopped the fight in the third round. Coffey was on the ropes, and all agreed that he was knocked out, but in the story the Dublin giant was supposed to have written, it is claimed that the right which Moran planted on his jaw only dazed him.
