S. G. ATKINS LEAVES ESTATE OF \$457,000

Will Filed for Probate in Chancery Court Shows Large Property.

MISS GREGORY IS CHIEF HEIR

Rev. Henry C. Pfeffer and the Virginia Trust Company Qualify as Administrators in Compliance With Dying Wish of Mr. Atkins.

The will of the late S. G. Atkins, a prominent business man of this city, who died November 30, was filed for probate in the Chancery Court yesterday.

The majority of the estate is left in trust for the benefit of relatives. There were no public bequests. Mrs. Laura A. Gregory, his sister, is bequeathed \$25,000 outright, as is his niece, Helen Gray Gregory, and \$10,000 to the latter bequests are to be held in trust by the administrators of the estate until each reach the age of twenty-five.

MISS HELEN GREGORY IS PRINCIPAL HEIR

The residue of the estate was made a trust, and is managed by the executors for the benefit of Miss Helen A. Gregory until her death. Then the fund was to be held for the benefit of her two children, Helen Gray Gregory and James A. Gregory, two-thirds for the girl and one-third for the boy...

Under the will, which was written in 1904, the Virginia Trust Co. and his sister, Mrs. Laura A. Gregory, were named as executors. Just before his death, however, Mr. Atkins told those at his bedside that he wished to substitute Rev. Henry C. Pfeffer for his sister. He was too weak to insert this as a codicil to his will.

Mr. Gregory, when the will was offered for probate yesterday, presented as executor, as did the Virginia Trust Co. as executor. The court upon carrying out the last wishes of Mr. Atkins, appointed Mr. Pfeffer and the Virginia Trust Co. administrators of the estate.

SUFFRAGE BODIES NOT TO RENEW AFFILIATION

Proposal Defeated by National American Association at Renwick Ovation for Dr. Shaw.

WASHINGTON, December 17.—A proposal that the Congressional Union for Woman Suffrage be permitted to renew its affiliation with the National American Association was defeated after a spirited debate at today's session of the association's annual convention. Authority was voted, however, for frequent conferences between the legislative committees of the two bodies in their efforts to secure a Federal suffrage amendment.

Consideration of the reunion proposal followed a report from a committee of five on a conference with a similar committee from the Congressional Union, which had suggested the affiliation of that organization in the legislative committee co-operate. This committee report was adopted, rejecting the first suggestion and accepting the second.

Mr. Medill McCormick, of Chicago, and Dr. Shaw vigorously opposed reunion.

A remarkable ovation was accorded Dr. Shaw, who, under a resolution adopted yesterday, becomes honorary president for life. Miss H. Carter Thomas, president of Bryn Mawr College, announced the raising of a fund of \$20,000 to provide an annuity for Dr. Shaw for life.

Mr. Fatty Ruffner, of Alabama, was elected second auditor of the association.

GINTER PARK WOMEN GIVE AID TO CHARITY

Send \$35 to "Five Opportunities" as Proceeds of Recent Concert.

ONE CASE IS PROVIDED FOR Fund for Aged Veteran Is Now Complete—Great Interest Taken in Relief of Trained Nurse Whose Health Has Broken Under Strain.

Contributions for the support and maintenance of five unfortunate families are coming in rapidly, and yesterday the need of "Opportunity Number 4" was filled, other contributions that may be made for that case will be given to the others whose need is not yet supplied.

One of the contributions of the day was that from the Women's Club of Ginter Park, which, by a concert held Tuesday night, raised \$25 for the relief of the five cases. This money will be divided among the five cases, \$10 going to "Opportunity Number 3"—a deserted woman with three children to support; \$15 to "Opportunity Number 4"—a man dying of tuberculosis and having a wife and four children to support; and \$5 going to "Opportunity Number 1" and to "Opportunity Number 2" respectively.

When the aid of The Times-Dispatch was sought for the relief of these five families it was estimated that the total fund required would be \$944. Of this requirement, \$631 has been contributed, and it remains now for these five cases to raise only \$313.

GREAT INTEREST FELT IN CASE OF TRAINED NURSE. Now that "Opportunity Number 4"—the young man dying of tuberculosis between the States, who was unwilling to be separated from his wife—has been fully met, the call which perhaps meets with the most general response is that of the trained nurse, who has served others for years, she now in bad health and in need of assistance, which it is believed the community will cheerfully render. This young woman is worked for four years as a district nurse in Richmond, but is not a graduate trained nurse, and therefore is not eligible as a beneficiary of the Trained Nurses' Association, making it necessary that in her behalf a special appeal be issued to the public at large.

It is with the deepest appreciation that The Times-Dispatch gives recognition to the knowledge of the donors that have been made, and it is with the sincerest satisfaction that The Times-Dispatch will see that the various contributions are given to those for whom they were destined. The money will be turned over to the Associated Charities, which has these families in charge, and which will render them the aid of which they are much in need.
