

SPORTS BILLSMITHS IDLE AGAIN--MOVE TO CANADIAN SOIL SPORTS

BILLSMITHS WILL PLAY AGAINST TORONTO TO-DAY

Series With Maple Leafs Opens This Afternoon. With Ross or Jarman Pitching for Richmond.

SCOREBOARD WILL OPERATE

Games Will Be Shown by The Times-Dispatch Play by Play—Mullen Is Held by Yankees—Other Sporting Dope.

Having played only one game so far on its trip abroad, the Richmond team will move on to its next stop on the International League circuit and will open against Toronto this afternoon, if the weather conditions are favorable for baseball. As the Maple Leafs managed to pull off a game with Newark yesterday, incidentally stopping the runaway Indians, it is more than probable that the Billsmiths will get in some heavy work to-day.

The cool weather should act as a brace for Richmond, and unless the signs fail, the Billsmiths will add another series to their list. Having won the only game played in the Buffalo series, the Richmonders naturally count that series as won, thereby taking the edge in both series. The Billsmiths this season only last week cleaned Toronto up in four straight games. While their most ardent supporters do not expect such a record in the home territory of the Canucks, they do count on the Climbers pulling the Yankees out of the fire.

Toronto will put a decidedly stronger aggregation in the field than that which faced the Climbers last week. Birmingham has gone in at center field and has switched Al Burch over to left where he naturally belongs. With Burch in left, Thompson, a pitcher who is taken out of the gardens. The other end of the field is being guarded by Red Murray, a former Giant star, who has just returned to the Leafs. Murray takes the place of Harry Brackett, who has been sold to Birmingham of the New York State League.

Birmingham has also released the Vinny and McQuillan, two pitchers bumped last week by Richmond, and Wright, an infielder who was seen in action here in the opening game of the series with Toronto. As far as can be learned, Shocker is the only addition to the Leafs, with the exception of Murray. The new twirler, by the way, stopped the Indians, holding Newark to five runs in four innings, and defeated Cy Pieh, who heretofore has been invincible.

Smith last night wired that he would work Jarman or Ross against Toronto to-day. He will not use McKeen unless the opening clash is lost, as he wants to hold him in reserve for the game on Saturday. If Jarman and Ross cannot get their arms warmed to the Canadian climate, Ross may have to work to-day. Humphrey and Heaton have not stood the trip too well, although Lefty is anxious to work.

The games with Toronto will be shown in the scoreboard in front of The Times-Dispatch Building.

While Buffalo considered itself in luck to get Charley Mullen, the Riscos will not profit by his services for some time to come, as Mullen is expected to help the heavy-hitting Detroit line-up. Mullen will probably be as much as a few days later, but League pitchers will not object to this arrangement in the least.

Tom Healey, who pastimed here for a short time last summer, has again taken his studies to the field, and is expected to pitch for the Pirates. Healey has a contract for the season, and is expected to pitch for the Pirates. Healey has a contract for the season, and is expected to pitch for the Pirates.

University of Virginia men believe the game in this one of the best all-around men of college teams in the present year. It was Allan Thurman, who was selected to pitch for the Blue Ridge League. He was selected to pitch for the Blue Ridge League.

Walter Smallwood, the big right-hander of the Newark club, is already being looked over by big league scouts. Smallwood is a native of New York, and is expected to pitch for the Blue Ridge League.

It is remarkable how Newark can keep going that way with only three players. Smallwood, Mullen and Gitting, the new comer from Warwick, looks as if he will be a big factor in the Blue Ridge League.

Manager Wm. Clarke of the Newark club is considerably perturbed by the fact that the Blue Ridge League is expected to play in the Newark territory.

The Federation League is being organized in the Newark territory. The league is expected to play in the Newark territory.

PETERSBURG, VA., May 17.—The game between the Goobers and Shipbuilders this afternoon was nip and tuck up to the seventh inning, when Graham, pitching for the Goobers, weakened, and before he could recover, the shipbuilders had sized him up for a triple, a double, four singles and two sacrifice hits, which netted them five runs. Thraillkill, a recruit pitcher, made his first appearance for the Shipbuilders, barring his wildness, he pitched good ball, allowing only eight scattered hits and striking out six men, walking five.
