This Temperance Beverage is entirely satisfactory in its chemical composition as well as from the biological standpoint. It has been effectively pasteurized and exhibits excellent stability.  
 It is considered a wholesome and palatable Beverage, containing the nutritive constituents of barley malt, possessing the tonic properties of hops; and the refreshing effect of lactic and carbonic acids.  
 It is free from any alcohol and is, therefore, non-intoxicating.

## A Non-Alcoholic Beverage with the True Malt Taste

Many people have not realized that it is possible to produce a delightful, healthful beverage with the delicious malt taste without alcohol.

The proof that

# N. A. B.

is a good, refreshing beverage with the real malt flavor can be had by drinking it.

The proof that it contains no alcohol is furnished by the above analysis of the Industrial Testing Laboratories and by others which we have in our possession.

N. A. B. is as soft a drink as ginger ale or lemonade. It is made of the purest cereals, thoroughly pasteurized, and is a most refreshing beverage. We guarantee that it conforms to the United States Revenue Department regulations, requiring no revenue license for its sale.

Served at soda fountains, clubs and restaurants. Sold by grocers and druggists.
