

BELGIAN WAR DOG GIVEN TO AMBULANCE COMPANY

Captain C. Howard Lewis Receives Valuable Gift From Miss Rutherford.

EQUIPMENT ORDER ARRIVES

Unit Expects Orders to Move Within Eight or Nine Days to Camp Lee for Intensive Training—More Recruits Are Needed.

Dr. C. Howard Lewis, commander of Ambulance Company No. 46, attached to the Medical College of Virginia Base Hospital, is the recipient of a new and valuable recruit in the nature of a Belgian war dog, the gift of Miss Rutherford, of 112 East Grace Street.

This gift is in keeping with the demands of the War Department that ambulance corps be supplied with the animals that are of great value in the war zone in helping to save human lives.

These war dogs have already done a wonderful work in Europe in first aid and life-saving work and every ambulance corps considers it fortunate in the possession of the animals.

The people of Richmond will soon be given an opportunity to see this war dog upon its arrival from the training camp in New York. This dog will be rechristened by the donor and Commander Lewis expects to make a public event of this so that the dog may aid him in recruiting the organization to full strength.

ARRIVED HERE YESTERDAY Commander Lewis also announced that the order for the equipment of the company arrived yesterday, amounting to the expenditure of \$30,000 to \$40,000 by the Richmond chapter of the American Red Cross.

The company is fast filling its ranks to the required strength and with continued good luck, Captain Lewis expects to be able to muster its unit for duty. As the result of the desire of Surgeon-General Gorgas to have an ambulance corps in active service by September 1, Dr. Lewis is anxious that all who are interested in this branch of government service see him at once so that he may be able to leave with his command for Petersburg in about nine or ten days.

At present the unit consists of 125 men, including four lieutenants, thirteen sergeants and six corporals. The lieutenants who are all prominent in their profession are: Dr. O. C. Brunk, 405 East Grace Street; Dr. J. H. Hulcher, 2001 West Main Street; Dr. R. A. Moore, Phenix, Charlotte County, and Dr. George S. Hurt, Roanoke.

Dr. Lewis announces that the company is in need of about thirty more men, including a first lieutenant, a chief cook and two other cooks and mechanics.

Diets of Heart Disease. [By Associated Press.] PARIS, August 28.—Rev. Ernest W. Shurtleff, a native of Boston, and for twelve years a leader in relief work among students of the Latin quarter, died of heart disease on Friday last at his summer home. He was born in 1862.

Real Help For Tired Feet A busy day and on your feet most of the time—a long, tiresome trip or a hike in the country—new shoes to break in—all these mean tired feet. Soothe and rest them by applying a few drops of Absorbine, Jr. Or, if you are very tired and your feet burn, ache or swell, soak them in a solution of Absorbine, Jr., and water. Relief will be prompt and lasting.

You will like the "feel" of this clean, fragrant and antiseptic liniment. It penetrates quickly, leaves no greasy residue, and is intensely refreshing. Only a few drops needed to do the work, as Absorbine, Jr., is highly concentrated.

You will find dozens of uses for Absorbine, Jr., as a dependable first-aid remedy and regular toilet adjunct; to reduce inflammatory conditions—sprains, wrenches, painful, swollen veins, to allay pain anywhere. To spray the throat if sore or infected. To heal cuts, bruises, lacerations and sores.

Absorbine, Jr., \$1.00 a bottle at drug-gists or postpaid. Liberal trial bottle mailed for 10c in stamps.

Lemon Juice Softens and Whitens Rough, Red Hands. Women can make a quarter pint of wonderful lemon beauty cream for few cents. Nothing so good!

To soften, smoothen and whiten the face, neck, arms, and particularly the hands when chafed, red or rough there is nothing better than lemon juice, but pure lemon juice is too highly acid and often irritating. A splendid lotion is prepared in a moment by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white for a few cents.

This is the best lotion you could use. Massage it daily into the face, neck, arms, and hands and see for yourself. It helps remove tan, sallowness, and freckles, and every girl knows that lemons are used to bleach and whiten the skin.—Adv.

will stay sweetly fragrant and fresh for months. Any grocer will supply the lemons and any druggist or toilet counter will sell you three ounces of orchard white for a few cents.

MOVING DAY

Moving day in Richmond, even in normal times, brings much additional work to the telephone forces in all departments. Orders must be made out and checked, new wires must be run, numbers must be changed, changes must be indicated on the switchboard, new information must be prepared for our records—all this must be done in a few days.

Last year from August 26 to September 8, 1,587 orders were handled, 95 per cent of them in connection with the moving of telephones; 238 orders were handled on September 1; 12,696 entries of changes in names and address were made in the information records; 17,776 special markings on the switchboard were required.

This year, owing to the exceptional pressure under which we are working and the scarcity of labor and materials, our problem will be greater than ever before. Some of the removals will necessarily be delayed. Should yours be among them, we ask your consideration. We shall be working at top speed, much overtime work will be done, and we shall get around to you as quickly as the situation permits. In the meantime, please remember our problem, and be patient.
