

LA FOLLETTE DISGRACES SENATE BY HIS PRESENCE

Roosevelt Says He Would Be Ashamed to Sit in This Body if These Were the Only Wisconsinians Found. (By Associated Press.) KANSAS CITY, MO., September 24.—If I were this minute a member of the United States Senate, I would be ashamed to sit in that body until I found out some method of depriving Senator La Follette of his seat in that chamber, which he now disgraces by his presence there," Colonel Theodore Roosevelt declared in a talk to-day at a luncheon given for Major-General Leonard Wood and himself as a part of the Middle Western patriotic celebration of this city. Continuing his remarks concerning Congress, Colonel Roosevelt asserted that Congress had taken the action three years ago that has since the declaration of war, the war would have been over. "If we take heed of any peace utterance Germany prepared we will show that we are not prepared yet to go out into the world without a guardian," the Colonel added. "America must make good the words of President Wilson's (make the world safe for democracy) war against Austria and Turkey." At the conclusion of his talk, Colonel Roosevelt was presented with a gold quill, with the reminder that the pen is mightier than the sword. "But I would rather have a sword," the Colonel said, "this is a very exclusive war as far as I am concerned. I was blackballed by the committee on admission."

ACCIDENT DELAYS EXECUTION

Dynamo in North Carolina Death Chamber Burns Out—Day Respite for Negro.

(Special to The Times-Dispatch.) RALEIGH, N. C., September 24.—An accident to the powerful dynamo that supplies the current for the electric chair in the death chamber of the State's prison this morning had the effect of necessitating a twenty-four hour respite for Charlie Williams, the Irish County negro doomed to die for a fatal shooting a deputy sheriff in that county. It was when the dynamo was started up this morning to test it out for the electrocution, which was to take place about 10:30 o'clock, that a vital part of the apparatus had burned out, and it was feared that it would not be possible to repair the damage in time for the electrocution to-day. Hence the appeal to Governor Bickett for a respite. However, the damage was all repaired before noon, and all is in thorough readiness for to-morrow, according to the prison authorities.
