Substitute is Injured

LYNCHBURG, VA., Oct. 29.—Clyde Clark, a substitute on the football team of Lynchburg College, was injured in scrimmage Tuesday afternoon and he was unconscious for hours afterwards. His injuries were to his stomach and neck, both having been sustained in the same scrimmage. Clarke halls from Pulaski County.

Outfield Worries Huggins

It is the outfield which gave Huggins much of his worry in the campaign recently ended and the same problem is now engrossing his attention. He believes that a pitching staff made up of Carl Mays, Bob Shawkey, Herb Thormahlen, George Mogridge, Jack Quinn and Ernie Shore, not to mention some younger possibilities, is strong enough to carry a team along as a contender unless that team is woefully weak in another department. Behind the bat, Huggins has made quite a hit with the Yankee boss, and reports from the Middle West indicate...

Why Other Makers Will Imitate The Hot Spot Chalmers. QUALITY has long been the common denominator of Chalmers motor cars, but the great story to be told about this car today is not so much in the materials, or the men who make it, but in methods. One single idea—the product of ones clever engineering minds—has developed Chalmers to an almost unbelievable point. This idea is expressed in Hot Spot and Ram's-horn. Each costs but little to build but what each does is tremendous. They take all the power out of gas that nature put in. Like in the case of the man who invented the multiplication table, Hot Spot and Ram's-horn sooner or later will get into popular use. Why wait to get this advanced type of engine? Two years from now you may buy one like it in many cars. ALSO MOTOR CORPN 114 West Broad Street.

FOR SALE 60 Head Horses and Mules S. R. CURTIS, Lee Hall, - - Virginia. Cured His RUPTURE I was badly ruptured while lifting a tank several years ago. Doctors said my only hope of cure was an operation. Trusses did me no good. Finally I got hold of something that quickly and completely cured me. Years have passed and the rupture has never returned. I have full information about how you may find a complete cure without operation. If you write me, Eugene M. P. can send you 50¢ worth of literature at once. My address is 5127 Market Avenue, Manhattan, N. Y. Better cut out this notice and show it to any other who are ruptured. It may save a life or at least stop the misery of rupture and the worry and danger of an operation.—Adv.

RHEUMATISM CAN NOT BE CURED BY RUBBING WITH LINIMENTS AND OINTMENTS. If you are one of the many thousands victims of torturing Rheumatism, make up your mind today that you will abandon your efforts to rub the disease away with liniments, lotions, ointments, and local applications. Such treatment by itself is not only futile and devoid of results, but is a waste of time, during which the disease is getting a firmer hold on your system. Rheumatism is a stubborn disease. It is not on the surface, therefore you must not expect to be able to cure it with remedies applied to the surface. No one ever yet effected a permanent cure in this way, so why should you continue to suffer while relying upon treatment that has failed in thousands of cases? The experience of others afflicted with Rheumatism is your best guide, and by following their advice you cannot only save yourself untold suffering, but rid yourself of a disease that will eventually wreck your body and leave you helpless. Almost every victim of Rheumatism has practically the same experience. They are so impressed with the pains and suffering of the disease, and are so anxious to get rid of them that they have treated the pains alone, and overlooked their cause. They have rubbed with liniments, lotions and ointments in an effort to get temporary relief, with no chance of doing themselves any permanent good. Such was the experience of Mr. Caspus Bibb, of 2424 Tenth Avenue, Bessemer, Ala., who writes to tell how he found relief from this terrible affliction. He says: Aug. 1, 1919.
