Prescription C-2223 for Bad Blood. For that Backache.

Backache of any kind is often caused by kidney disorder, which means that the kidneys are not working properly.

Simply ask your druggist for Dr. Pierce's (anti-uric-acid) tablets, called ANURIC.

In uremia one suffers from headaches, dizziness, or itching of the skin and sometimes muscular twitching; there is loss of appetite with foul tongue and breath.

To treat these conditions correctly or to guard against them, there is nothing better than "Anuric," which can be obtained at every drug store.

Fredericksburg, Va.—"Anuric is the best kidney medicine I have ever taken. I was suffering with kidney trouble and bladder weakness.
