MOTHER OF FIRST AMERICAN SOLDIER KILLED IN FRANCE. Mrs. Alice Gresham Dodd, First War Mother of the Nation Gives Entire Credit for Recovery of Her Health To The Well-Known Medicine, Tanlac.

The following remarkable endorsement of Tanlac was given recently by Mrs. Alice Gresham Dodd, at the Gresham Memorial Home, Gavin Park, Evansville, Ind., which home was presented to her by the patriotic people of Indiana as evidence of their appreciation of the services rendered to his country by her son, Corporal James B. Gresham, the first American soldier killed in France.

"After my dear boy's death I had a general breakdown in health," said Mrs. Dodd. "At first it was just indigestion. My food used to upset me, and I had to diet myself very carefully, which wasn't much hardship, as I lost all desire to eat. Then I had an attack of rheumatism, with severe pains in my shoulders, back and arms. Sometimes I used to suffer a great deal of nervousness and restlessness, and my joints would get all swollen up and stiff. I was able to do very little about the house, and at times couldn't even cook a meal. At night would lay awake for hours, and lost many a night's sleep as a consequence."

"A friend of mine had received a great deal of help from Tanlac, and it was she who advised me to try it. I am so glad I did, for it proved the best medicine I have ever taken. It soon gave me a good appetite, and seemed to settle my stomach so that I was no longer troubled with indigestion. I don't know what it is to have rheumatic pains now, the swelling and stiffness has all gone out of my joints and I am able to do the work of the house with the greatest ease. My nerves are now steady and strong, I sleep fine at night, and I feel better in health than ever before in my life. I shall always be grateful for what Tanlac has done for me, and shall recommend it every chance I get."

Tanlac is sold in Richmond by Grant Drug Co. and Tragle Drug Co.—Adv.
