

HANLY URGES HARDING TO TAKE FIRM DRY STAND

Republican Presidential Nominee Declines to Commit Himself to Proposition.

WILL BE NOTIFIED ON JULY 22

Major-General Leonard Wood and Senator Cummins, of Iowa, Are Expected to Confer With Republican Candidate in Capital.

(By Associated Press.) MARION, OHIO, July 9.—Senator Harding, the Republican candidate for President, was urged to take a firm stand in support of national prohibition in his speech of acceptance at a conference today with J. Frank Hanly, prohibition candidate for President in 1916. Later it was announced the Senator had not committed himself regarding the matter, while Mr. Hanly said he hoped to be able to support him, but "would wait to see what the Senator said in his speech."

Mr. Hanly said the conference was sought at his own instance. As a prohibitionist the former Governor of Indiana said he would find it difficult to support Governor Cox, and announced he would not attend the National Prohibition Convention to be held in Lincoln, Neb., July 21, and in view of the passage by Congress of the enforcement act and its sustenance by the United States Supreme Court, Mr. Hanly said "the matter resolves itself into the election of a Congress favorable to the maintenance of the present law."

Senator Harding said Mr. Hanly only "presented his views as to the construction of the platform, as others have done," adding, "we are always glad to hear."

Program at Notification.

Plans for officially notifying Senator Harding of his nomination were announced today following a conference between the nominee, and T. Coleman du Pont, of Delaware, chairman of the committee on arrangements, and Harry M. Daugherty, the Senator's manager in the pre-convention campaign.

The event will take place at 2 o'clock on the afternoon of July 22, in Garfield Park, on the outskirts of Marion, with National Chairman Will H. Hays presiding.

Following the singing of the "Star-Spangled Banner" by the Republican Glee Club, of Columbus, invocation will be pronounced by Rev. T. H. McAfee, pastor of Trinity Baptist Church, of Marion, which the Senator attends. Senator Lodge, of Massachusetts, permanent chairman of the Chicago convention, and chairman of the notification committee, will then deliver an address notifying the Senator of his nomination, to which the nominee will reply. After the singing of "America," the ceremonies will close with a benediction by Rev. Joseph M. Keenan, of St. Mary's Church, of Marion.

Announcement was also made that meetings of the Republican National Committee and the committee on arrangements are to be held in Columbus on July 21, while at night Mr. Daugherty will entertain at dinner members of both committees, as well as the national executive committee. Owing to his engagements, the Senator found difficulty in working on his speech of acceptance today, but by devoting his spare time to it he hopes to have it completed in adequate time for distribution to the press of the country before the date of delivery.

General Wood Expected. Major-General Leonard Wood would arrive late tomorrow, it was announced, for a conference with Senator Cummins, Republican, of Iowa, was also expected on the same train. Mr. Hays was not given Marion until Sunday. "We are expected," a delegation from Mansfield today invited Senator Harding to play golf there, but he replied that the situation now was such he would not have much time for recreation until after his notification. He added he hoped to play frequently after that time.

CHARGES "H. C. L." CRUSADERS AIDED PALMER'S BOOM

(Continued From First Page.)

Miss Scott denied that any publicity matter in connection with the General's candidacy had been sent out from the bureau. Senator Kenyon asked her questions so fast that at times she seemed on the verge of breaking down.

Before Gov. Senator, she was notified in using government money to attend the convention, for we did government work," she said.

Denies Palmer Puffs. Mrs. Leighty also denied that "Palmer puffs" were included in the bureau's publicity.

"We worked to reduce the high cost of living and we did so," she said.

The statements concerning charges were made by Democratic city committee members who were delegates to the State convention. They declared they "were for Reed" and "against Palmer," but accepted the money from Goitra under the supposition it had been raised among the Democrats. Their expenses always had been paid to conventions, he said.

Senator Reed was a spectator at today's sessions. He did not care to "mix" in an investigation which so vitally concerned himself, he said, and attended merely to complete a quorum.

Senator Kenyon received a telegram from San Francisco today stating Goitra had gone to Southern California and could not be located.

Bootleggers Adopt Protective Convoy

Liquor-Laden Autos Adopt Naval Tactics to Thwart "Revenues."

(Special to The Times Dispatch.)

DANVILLE, VA., July 9.—Bootleggers who make their hauls in automobiles have resorted to naval tactics to thwart determined officers in apprehending the drivers of liquor-laden cars. They now run with convoys, usually a larger car which aims to delay the officers so that the bootlegger with the goods may escape.

A recent adventure in Martinsville reveals this. Officers on Wednesday night saw two suspicious cars headed for Patrick. They waylaid the cars a few miles beyond Martinsville expecting the machines to return. They did, a small car with a heavy load being followed by a seven-passenger machine. The officers followed the car west by like a fish and when the officers put in chase, the heavier car maneuvered to the left and blocked all efforts of the Henry County officers to get by. They did, however, by taking a cut of a wide sweep, and overhauled the smaller car as it entered Martinsville and shot at the driver. The driver fled through the streets finally to crash into a ditch. The larger car disappeared.

The driver of the ditched car escaped, but a youth half stunned was found by the officers. He declined to give his name, but today it was known that he had been J. Talbott, of the town of Sedalia, who owned the car, but it was established by the officers through the license tag that the machine was owned by McMeister, of this city. He was taken to the jail in the news and said that the car was in the hands of Tim Payne when it left here. He has not been heard from since. Thirty gallons of liquor were found. Talbott is in jail at Martinsville.

WESTERN STATES BATTLE-GROUND OF CONFLICT OF 1920

(Continued From First Page.)

has wired Mr. Roosevelt asking for something definite on the time of his arrival.

Telegrams in steady stream. Messages continued to come in today in a constant stream. The Governor stated that a number were from men whom he had pardoned from the penitentiary, and who were "making good."

The Governor has not found time yet to answer many of the congratulatory telegrams and letters. He said he expected tonight to wire Senator Reed, Missouri, his expression of thanks for the courteous message received from the Missouri Senator.

The date for the civic demonstration planned by the Dayton Chamber of Commerce has been changed to July 20.

Among the morning messages was one from D. S. Ewing, chairman of the Democratic State Central Committee of California. It told the Governor that it will be easier for the Democrats to carry California this year than in 1918. Another message was from Joseph H. Cook, former Governor of Missouri. "Let's kill ten horses instead of one," it said.

Texas James M. Cox Wins. The Democratic candidate learned today that Texas has a James M. Cox. The Texas, whose home is at Tyler, wired as follows: "Congratulations. I know you will be elected; you have a good name."

The Governor said he did not know the Texas, but apprehended that he must be a Democrat.

A letter highly prized by the Governor came from the Jefferson Masonic Lodge at Middletown, Ohio, of which the Governor is a member. It commented on the fact that the Middletown lodge has furnished Ohio two Governors, the Democratic presidential nominee and former Governor James E. Campbell, and concluded: "Now our Jimmie has received the highest honors of the Democratic party and he is going to win."

The Governor had no comment to make today on the refusal of the Louisiana Legislature to ratify the suffrage amendment.

John A. McSparran, Furness, Pa., master of the Pennsylvania State Grange, called on Governor Cox today and talked with him over the Louisiana Legislature to ratify the suffrage amendment.

Mr. McSparran said he was "rather disappointed" with the Democratic platform declarations on farming. He was of the opinion that the party has done, but does not say what it is going to do.

MISSOURI REPUBLICANS REPUDIATE J. L. BABLER

Leaders in Party From All Parts of State Pass Resolutions Urging Thorough Housecleaning.

ST. LOUIS, July 9.—Resolutions calling for concerted action by the Republicans in Missouri to repudiate Jacob L. Babler, Republican national committee member, for his connection with the distribution of campaign funds were adopted at a mass-meeting of Republicans from throughout the State, held here today.

The resolutions urged that members of the party hold mass-meetings in every county to repudiate Babler. The resolutions were presented by Charles Nagle, of St. Louis, former Secretary of Commerce and Labor, who asserted in an address that "it is absolutely impossible for free people to tolerate a man who in one breath confesses that he has disqualified himself to hold the position of the Republican national chairman from Missouri, yet refuses to quit the job."

In carrying on the fight against Babler, the meeting ignored a formal report made public here today in which the committee appointed at a recent mass-meeting of Republicans in Sedalia to demand Babler's resignation, announced that the fight on Babler would be dropped as "further action in this matter is both unnecessary and unwise."

Matt G. Reynolds, of St. Louis, who presided at the Sedalia meeting and presented the report of the committee at today's meeting, asserted he would have no further connection with the "clean up" movement after thirty gallons of liquor were found. Talbott is in jail at Martinsville.

Other Leaders Must Go

The report followed a conference of several members of the committee with Will H. Hays, chairman of the national committee, in Chicago Thursday.

In furtherance of the fight on Babler it was decided at the meeting to organize the "Missouri Association of Republicans," for the purpose of effecting changes in the personnel of the State committee at the coming election.

Conwell was chosen chairman of the temporary organization, and with Thomas J. Hargaden, St. Louis, was instructed to carry on the organization work throughout the State.

In the event State Chairman W. L. Cole refuses to abide by the action of the Sedalia meeting, which demanded his resignation, the fight of the new organization will be directed against him also, it was announced.

The committee chosen at Sedalia to present its demands on Cole has given him until tomorrow to act.

FEDERAL AGENTS CAPTURE 2,300 CASES OF WHISKY

Largest Single Seizure in New York Made at Long Island City.

NEW YORK, July 9.—Federal prohibition agents today seized 2,300 cases of bonded whisky, said to be the largest single seizure by Federal agents in the State of New York, at the Long Island City freight yards. James Bono, a commission merchant of this city, was held in \$2,500 bail, after claiming ownership of the liquor.

NEW YORK, July 9.—"This murder mystery will be solved," said Assistant District Attorney John T. Dooling in discussing the killing of Joseph H. Elwell, tonight. He added: "At least three persons in my opinion could throw sufficient light upon the killing to cause arrests."

A police officer declared the special grand jury term declared public sentiment demands punishment of the mob ringleaders. His action followed a mass-meeting of citizens which recommended a "rigid investigation of the recent outrage committed against the laws of our State and the peace and dignity of our country."

THIRD PARTY PLANS TO CAPTURE VOTE OF LABOR

Leaders Include Single-Taxers in Proposed Alignment of Independents.

CHICAGO, July 9.—Efforts to align support of single-taxers and labor party adherents behind a national third party organized on the plan of the Committee of Forty-Eight, marked the preliminary gatherings of delegates arriving in Chicago tonight to attend the three conventions.

Success in the attempts, which involved particularly the labor party leaders and the Forty-Eight Committee members, was not claimed by any of the participants in prolonged conferences, while spokesmen for the single-tax group took the opportunity to announce their definite opposition to Senator R. M. La Follette, of Wisconsin, as a fusion presidential candidate. Other differences revolved around platform questions.

La Follette Sought as Candidate. Ames L. Pinchot and George L. Reed, who spent two days with Senator La Follette in behalf of the Committee of Forty-Eight, reported to that body today that the Wisconsin man had not decided to accept a nomination if tendered him, but would decide Saturday.

Deliberations involving all the delegates assembled under the general calls will commence tomorrow. Single-tax adherents, after a preliminary gathering, announced they would all attend the Committee of Forty-Eight's convention, which will be called to order by J. A. H. Hopkins, at 10 o'clock. Allen McDuffy, of New York, stated for temporary chairman, will deliver a keynote speech, and the convention will elect a platform committee and a committee on political procedure. It will then recess to allow the committee time for further notice of the report was taken.

Irish Freedom Plank. Open hearings have been arranged by the convention managers for the platform committee, at which Frank P. Walsh, representing the "Friends of Irish Freedom," will be given an opportunity to present a plank favoring American recognition of the De Valera government.

The labor party convention is scheduled to begin Sunday at a different hall, though its partisans have been actively associated with the Committee of Forty-Eight procedure. Differences developing in the dual conferences today included one arising out of the railroad situation, which some of the conference were disposed to consider both vital and irreconcilable.

NEWSPAPER REPORT MOVEMENT. These newspapers also stated that the American government had been advised of the movement toward the present regime in Mexico City and had expressed a willingness to investigate the situation in order to prevent any large number of "emigrants" from returning to Mexico.

Meaning the de la Huerta government is reported to have filed new charges against Berlanga, charging that he had been in possession of a large quantity of arms and ammunition. His office and that he received the plan as a gift.

The censorship in Mexico City has been restored, as copies of the Mexican newspapers reaching Washington have whole columns blank. No explanation is made by these papers of the renewal of the censor's activities.

JURY WILL INVESTIGATE TEXAS NEGRO LYNCHING

Burning of Two Brothers at Stake Causes Indignation at Citizens' Meeting.

PARIS, TEXAS, July 9.—A special grand jury will be convened here tomorrow to investigate the burning to death by a mob Tuesday night of two negroes, together with a confession to having killed a white farmer and his son. District Judge E. Denton, who ordered the special grand jury term, declared public sentiment demands punishment of the mob ringleaders. His action followed a mass-meeting of citizens which recommended a "rigid investigation of the recent outrage committed against the laws of our State and the peace and dignity of our country."

GONZALES' OFFICERS ARE JAILED ON PLOT CHARGE

Advices From Embassy at Mexico City Declare Situation Becoming Tense.

(By Associated Press.) WASHINGTON, July 9.—Advices to the State Department today from the American embassy in Mexico City said a number of officers formerly on the staff of General Pablo Gonzalez were in prison on the charge of plotting against the government, that the State of Chiapas was in open rebellion and that General Francisco Mirza, who was in open rebellion in the State of Michoacan, has raised the flag of rebellion.

The Mexican embassy has received official advices which made public today stating that General Juan Terragan, Alfredo Ricard and Lucio Gonzalez, and Colonel Paulino Fontes had returned to Mexico from the United States where they fled after the killing of Carranza. The embassy statement said "the authorities, in accordance with orders issued by the War Department, have not prevented their entry in order to pursue them in due time, so as to cut their political activity."

Generals Attend "Junta." Mexico City newspapers received today the announcement that two of the generals, Mirza and Terragan, together with the War Department, formerly ambassador to the United States, attended "Junta," held recently at San Antonio, Tex., for the purpose of restoring a new government and of the restoration of the Carranza government.

These accounts said it was first decided to obtain the release from prison of Mirza, Berlanga, Minister of the Interior, and head of the Carranza cabinet, who, though attending the "Junta" claimed, was the highest executive officer of the government after Carranza was killed.

According to the newspaper reports Berlanga was to come to Washington to meet the American ambassador, who was to go to the State of Nuevo Leon to lead the revolutionary movement there.

These newspapers also stated that the American government had been advised of the movement toward the present regime in Mexico City and had expressed a willingness to investigate the situation in order to prevent any large number of "emigrants" from returning to Mexico.

Meaning the de la Huerta government is reported to have filed new charges against Berlanga, charging that he had been in possession of a large quantity of arms and ammunition. His office and that he received the plan as a gift.

WANDERER SHOTS WIFE TO OBTAIN HER MONEY

New Confession to State's Attorney Admits "Frame-Up" Robbery Secure \$1,500.

(By Associated Press.) CHICAGO, July 9.—Lieutenant Carl Wanderer in a new confession, which the State's attorney gave out tonight, admitted he shot and killed his wife to get rid of her and obtain possession of her money. He admitted, officers said, that he planned a "frame-up" robbery with the man he killed on the same occasion in the door of their home. He was also quoted as saying that he had "tried of married life and decided to return to the easy life of the army."

Wanderer denied the State's attorney said, that he knew the accomplice whom he shot to death. The tragedy occurred on the night of June 21.

The man slain by Lieutenant Wanderer was identified tonight as William North, who was employed in 1911 or 1912 by the Gentry Brothers Circus while at South Bend, Ind. The partial identification was made by a former circus employee.

This was the second alleged confession by the former army lieutenant, announced today. In the first he was said to have confessed that he fired the shots which killed his wife and the unidentified stranger.

Wanderer declared the shooting of his wife was accidental and maintained that the stranger whom he killed had attempted to rob them.

He explained the withdrawal of \$1,500 by his wife from a bank by saying that they wished to have it in an institution nearer home. He said she drew it out of the bank on Saturday too late to consummate the transfer and placed it in a bureau drawer. That evening they went to a picture show and on the way home, according to that confession, a man came out of an alley and followed them upstairs, saying, "Fork over the money."

"I grabbed both guns out of my pocket and started shooting," Wanderer was quoted by the officials as saying. "The second shot I believe hit my wife. I fired ten shots and when both guns were empty put them beside the man. Later I took one gun away and left the other there."
