Advance Spring Fashions

EVEN if you are not quite ready to select your new costumes, you must be anxious to know just what is new for Spring—just what you will have to choose from. And here, that you may know, are the smartest of the new garments. These are styles that accent the attractiveness of women and misses, and they are a revelation of loveliness to say the least.

THE COATS

A SPRING COAT is something every one needs to wear over light frocks on dress occasions and for week-end journeys or motor trips.

THIS display meets every fashionable desire. Loose-fitting Coats of rough textured fabrics, such as Tweeds or soft finished Chinchillas and Polo Cloth. Swagger models, with raglan or set-in sleeves, as well as dressier Coats handsomely finished, are the favorites for spring.
