

WIND SHIELD BARRED

National Trotting Association Makes Decision.

DIRT SHIELD IS ALL RIGHT

Pacemaker in Front Also Indorsed in a Way.

Lou Dillon's Record of 2:05 to a High-Wheeled Wagon Is Not Allowed.

New York, Jan. 7.—The joint committee of the National Trotting Association decided today to disallow Lou Dillon's record of 2:05 to a high-wheeled horse-bearing buggy made at Cleveland September 12th last. The committee said this was done because the mare had previously performed in faster time, which performance was her record, and precluded a slower performance being a record.

"We also find that the performance of Maud S. at Cleveland in 1885 was to a high-wheeled plain axle sulky according to rules; that the time, 2:08 1/2, was not only her best time, but the best time ever made up to that date and was a record."

In regard to the use of wind shields the committee's findings is as follows:

"No record can be made with a wind shield other than the ordinary dirt shield and pacemaker in front."

"A performance with pacemaker in front with dirt shield, shall be recorded with a distinguishing mark, referring to a note stating the facts."

PRINCE BRUTUS EASILY Ran Away From the Field at Oakland Yesterday.

San Francisco, Jan. 7.—The second two-year-old race of the year was run at Oakland today, and it aroused considerable interest, as Prince Brutus and Henry Ach met again. When they first met on a muddy track Henry Ach beat Prince Brutus by a neck, and he was favorite today. The going was good and Prince Brutus ran away from the field, winning as he pleased from Peggy O'Neill and Arisbe. Henry Ach suffered some interference in the early stages, but made a poor showing. Money Musk beat Leotia in the five and a half furlong event, after the Jennings filly led most of the way. Campbell on Leotia made a clean run of it, but it was not allowed. Lamorie proved a surprise by winning the first race, at odds of 10 to 1. Dandridge, the favorite, got away poorly. Results:—

First race, six furlongs, selling—Lamorie won, Chicago second, Libervale third. Time, 1:25.

Second race, three and a half furlongs, purse—Prince Brutus won, Peggy O'Neill second, Arisbe third. Time, 47 1/2 seconds.

Third race, six furlongs, selling—Celebrant won, Bright Moon second, Gene Hamilton third. Time, 1:25.

Fourth race, mile and fifty yards, selling—Hippox won, Gavaine second, Jimmy Oliver third. Time, 1:45.

Fifth race, five and a half furlongs—Money Musk won, Leotia second, Hagerdon third. Time, 1:37.

Sixth race, mile and one-eighth, selling—Carson won, Sillicho second, Heather Honey third. Time, 1:54.

Lily Langtry Was There.

Los Angeles, Jan. 7.—An attractive program and the presence of Mrs. Langtry at Ascot Park this afternoon drew the largest crowd of the season. More than 400 persons passed through the gates, three-fourths of whom were women. The racing was of the best sort and, notwithstanding the defeat of five out of six favorites, the public seemed to have the best of the argument. Weather fine, track good.

RECITAL GAVE PLEASURE.

Miss Gratia Flanders Royally Greeted by Friends at the First Congregational Church.

"The Flanders Quartette," in the piano-forte concert given for them by Miss Gratia Flanders at the First Congregational church last evening, surely won a secure place in the hearts of Salt Lake music-lovers who were present. Beethoven's great symphony No. 5 in C minor was most admirably executed, and when the finale allegro had closed no one moved for a long moment, so lost had they become in the stirring symphonic chorale. The church was well filled with an appreciative audience that did not fail to applaud each number on the programme. Mrs. Martine Royle King, who assisted in the evening's entertainment, was in especially good voice and her recitations were full of feeling. The programme was as follows:

- Concerto—E flat major (first movement)—Beethoven
Miss Pearl Rothschild and Miss Flanders.
Ballet Music from Rosamunde, Schubert
Miss Elberbeck, Miss Watson, Mrs. Christy, Miss Rothschild.
Homage to a Handel, Moscheles
Miss Irma Watson and Miss Flanders.

(b) Study in Symbolic, Beethoven

STRANGE TALE FROM OHIO.

Twins Born a Year Apart at Versailles; Both Are Well and Hearty.

Versailles, O., Jan. 7.—About the hour Father Time cut out the old from the new year there was born a pair of twins, daughter and son, to Mr. and Mrs. Lewis Brown, living east of this place. Just before A. D. 1903 passed into history the daughter was born, and after the new year 1904 was ushered in the son was born. Both are well and hearty, but although they are twins, they can never celebrate the anniversaries of their birth on the same day, month or year. Dr. W. H. Burke of this place has the distinction of rendering service in this remarkable case.

There is something out of the ordinary connected with the birth of the mother. She is one of a pair of twins and was born on the night of May 31st, just before midnight, twenty-nine years ago, and her mate was born early on the morning of June 1st.

We have moved to No. 12 West Third South. Will be glad to meet our old friends and customers in our new location. On account of cheap rent we will be able to give our patrons the benefit of same, and will sell good goods cheaper than ever. TOM & JERRY CLOTHING HOUSE, L. N. Lewis, Prop.

PLANS FOR BASEBALL

John McClosky Talks of the Situation.

COMING BACK TO ZION

Trying Hard to Figure Out a Paying Circuit.

Salt Lake, Ogden, Butte and Spokane Favored—May Be Two Other Teams.

(TRIBUNE SPECIAL) Butte, Mont., Jan. 7.—John McClosky has arrived in Butte from Helena and Great Falls, where, with President Lucas, he has been engaged in drumming up fans for the coming season. Mr. McClosky said that Great Falls was willing to enter the league, and Helena may also join. McClosky says he favors a four-city league, consisting of Salt Lake, Ogden, Butte and Spokane, as the most feasible proposition for financial success. If a six-city league is wanted he has a plan to have Helena and Great Falls unite on one club, the games to be equally divided between the two towns. Then he thinks that Pocatello and Boise could join hands in the same manner and have a good team representing Idaho. This would give a tri-State league. McClosky will go to Salt Lake Saturday and remain there until after a meeting of league managers is called by President Lucas. The latter left for Spokane today. McClosky says that since Spokane has been refused admission to the coast league, the managers there are very anxious to get into the Montana organization in order to save the money advanced to hold players. "Whatever happens," declared McClosky, "I will not have anything to do with a league in which every club is not required to put up a guaranteed forfeit to finish out the season. Last year Los Angeles and San Francisco were the only clubs to put up the forfeit money. I have until January 15th to decide whether or not I will take charge of the St. Louis Nationals. I may decide to take hold of the Salt Lake team."

ALWAYS TIRED NEVER RESTED

To be tired out from hard work or bodily exercise is natural and rest is the remedy, but there is an exhaustion without physical exertion and a tired, never-rested feeling—a weariness without work that is unnatural and shows some serious disorder is threatening the health. One of the chief causes of that "Always-tired, never-rested condition" is impure blood and bad circulation. Unless the body is nourished with rich, pure blood there is lack of nervous force, the muscles become weak, the digestion impaired, and general disorder occurs throughout the system. Debility, insomnia, nervousness, indigestion, dyspepsia, loss of appetite, strength and energy, and the hundreds of little ailments we often have are due directly to a bad condition of the blood and circulation, and the quickest way to get rid of them is by purifying and building up the blood, and for this purpose no remedy equals S. S. S., which contains the best ingredients for cleansing the blood and toning up the system. It is a vegetable blood purifier and tonic combined, that enriches the blood, and through it the entire system is nourished and refreshing sleep comes to the tired, never-rested, body.

For over four years I suffered with general debility, causing a thorough breaking down of my system. My cousin, who had been benefited by S. S. S., told me about it. I tried it and it cured me. I heartily recommend S. S. S. to all who may feel the need of a thoroughly good blood tonic. Yours truly, MRS. JOSIE A. BRITTAIN, 34 W. Ninth St., Columbia, Tenn.
