

REILLY TAKEN OFF THE FIELD

Spokane Captain Fined for Kicking.

Given an Ovation by Spectators as He Leaves Grounds.

Salt Lake Captured Both Games From the Visitors Yesterday.

"Jelly Chelly" Reilly was fined \$5 and escorted from Walker's park by a policeman yesterday afternoon for disputing a decision of Umpire Flannery. The jovial Spokane captain was given a parting ovation by the spectators as he left the grounds, for many of the fans believed that he was being unfairly dealt with, and in less than fifteen minutes a number of Salt Lake enthusiasts had subscribed the amount of the fine. With Reilly out of the game, the Spokane aggregation went pale, and before the locals were retired they had scored five times. In the following inning, the ninth, Spokane refused to go to bat, and Flannery gave the game to the locals by a forfeit score, 9 to 0. The actual figures were, Salt Lake, 6; Spokane, 1.

Reilly Raised a Kick. The trouble occurred in the eighth inning of the second game. Clark attempted to go from first to third on a hit to middle field. The home-side was held to Reilly at third and the Spokane captain assumed to touch Clark before the latter reached the bag. Flannery called the elder captain safe, whereupon Reilly raised a vigorous kick. The result was that he was fined \$5 and put out of the grounds.

At the time Reilly was ejected the score stood 1-1. Without their captain the visitors became disheartened, and before the session closed Salt Lake had scored five times.

In the third session the locals secured a total of seven hits, three of them and four of Harmon. These, coupled with a pair of bungles, netted the Saints eight tallies.

Tozer was on the rubber for the Elders in the first game, and he held the visitors down to one run.

Thomas performed in the second contest, and had the Indians guessing most of the time. Dammann occupied the box for Spokane, and he too, pitched good ball. Until the eighth inning the second game was exciting and interesting to look upon.

Following are the official scores. First Game—SPOKANE.

PARK CITY WINS GAME FROM EUREKA

This Score for Championship of State and Will Play Off at Salt Lake Next Sunday.

Special to The Tribune. PARK CITY, Utah, Aug. 21.—The special train at 12:30, and three crowded cars on the regular, brought about 500 persons from Eureka today, to witness the defeat of the baseball team from that town at the hands of the local nine this afternoon. This was by far the most interesting game of baseball played in Park City for years. There were about 2000 lovers of the game in attendance, and enough of them were from Eureka to make the rooting not too one-sided.

The Eureka band came up and met the Park City band, and they furnished music for the occasion. In the second half of the first inning the local team made three runs and this led to the game, the final score being 9 to 6 in favor of Park City.

After the first inning the game was a close one to the finish. Drinkwater pitched for Park City and did excellent work. For the visitors E. Heuser pitched. Both sides made a number of errors. "Dutch" of Salt Lake umpired the game in a satisfactory manner.

This makes six games of the series for each team, and the final game for the championship of the State will be played in Salt Lake next Sunday. The score follows:

Yesterday's Games.

Salt Lake 1, Spokane 1; first game. Salt Lake 9, Spokane 0; second game. Butte 8, Boise 1.

Special to The Tribune. BUTTE, Mont., Aug. 21.—Boise took the last game of the series in a long-drawn-out contest, by a score of 11 to 8. The pitchers on both sides were hit exceedingly hard. Starkells essayed to do the twirling for the visitors, but his stay was short-lived, he being sent to the bench in the third inning and McFarlan took up the work of pitching what seemed to be a hopelessly lost game, and succeeded in pulling it out of the fire.

Dowling also had his troubles. The visitors began punning him in the fourth and fifth innings, and added by poor fielding of the home bunch pulled up eight runs, practically ending the game at this point. After the fifth inning Dowling was again hit, but the damage was done, as McFarlan kept the hits pretty well scattered. Starkells replaced Dowling in the sixth inning. Except for a one-handed stop by Habbitt, there were no bright features of a rather puny-played game.

Black Hawk Vets Enjoyed the Reunion

Indians Captured Mantl and Reign of Terror Was in Full Blast for Awhile.

Unable to Be Present.

Senator Kearns and Congressman Howell were unable to be here, but both sent messages to the veterans expressing regrets and congratulating the Indian fighters.

Senator Reed Smoot and Judge Botkin came down Thursday and returned home Friday.

Senator Smoot was very busy while here with the politicians from the different parts of the county.

The reunion is pronounced to be one of the most successful ever held in the State. The martial music was an interesting feature. The Maroon and the St. George bands were especially noticeable.

The Maroon martial band was entirely composed of veterans, and nearly all of them were of the Civil War. They were fully uniformed, were always on hand, and their music was always in demand. The last to leave the grounds and the last to leave the city were the younger element, a good lesson in endurance.

Indians Captured the Town. The role played by the Indians was a difficult one, but they played it well. The night attack on the town was excellent and it was witnessed by several thousand spectators.

At the conclusion of the program, the city was a scene of jubilation. The Indians had been captured, and the town was safe. The night attack was a success, and the town was a scene of jubilation.

Mr. O'Brien was held up at one of the saloons, and he was glad to escape with his life. He was 500 short when he got out, and he was glad to escape with his life.

The tunnel kept on all night. Mantl, which usually is one of the quietest towns in the county, was turned into a bedlam. The noise was deafening, and every thing is quiet, and both Indians and whites are leaving the battlefield by the hundred.

Held Up for Ten Dollars. Mr. O'Brien was held up at one of the saloons, and he was glad to escape with his life. He was 500 short when he got out, and he was glad to escape with his life.

Williams, with a portion of its contents was totally destroyed, entailing a loss of nearly \$1000. When discovered it was burning briskly, and had but a few minutes sooner it could easily have been extinguished. The loss is absolutely irreparable, and the citizens rushed to the scene with buckets of water, but before they could do any effective work the fire was beyond control, and they directed their attention to removing what they could from the burning building and saving the outbuildings. A number of valuable books were also consumed.

A three-seated carriage, containing nine employees of Seawright & Sons company, went over the derrick near the mouth of Indian canyon, and the whole party was precipitated to the bottom of the grade.

By a miracle, none of them were seriously hurt, and only two were slightly injured. John Myers, the driver, suffered a badly sprained back and a man named Hansen was cut about the mouth. The rig was badly damaged.

His preliminary examination was set for Monday afternoon at 2 o'clock and his bond fixed at \$1000, which he failed to furnish, and was sent to jail.

Dr. J. S. Gordon had a narrow escape from injury Saturday. The doctor drove up to the curb in front of the Wallace Drug company and was sitting in the buggy when a runaway team, attached to a large coal cart, started into his buggy, carrying the rear half away and throwing the doctor to the pavement. The coal cart was driven by Thomas Warwick. Both gentlemen escaped injury.

Mr. Funge, who has been in Ogden the past few weeks making the preliminary arrangements for the building of a new theatre, will rush the work as fast as possible. The building will be of pressed brick and brown stone, with a modern capacity of 800 opera chairs, with double balcony, and with modern modern improvement in the way of exits, fire protection, etc., will be provided.

The new house will be the center of the largest and most modern theatre in the West, and Mr. Funge promises to spare no expense or pains to make it one of the very best of its kind—a strictly first-class affair, and a masterpiece drawn by Architect J. A. Smith, and the construction will be done by J. P. O'Neill.
