By Senator Overman—Do you have a book out of which you marry them—any form? A—No, sir.

Senator Overman—You have no form at all? A—No, sir.

The Chairman—Having performed the ceremony yourself, can you not tell us what the ceremony is?

A—Well, sir, I am sure I would not use the same ceremony twice. I simply do the work and the preliminary would take care of itself.

Q—You do the work. You pronounce them husband and wife? A—Yes, sir.

Q—And the preliminaries you attend to as the occasion arises? A—That would be perhaps, studied for the ceremony.

By Senator Overman—You would require some promise from each party?

A—Oh, yes.

Q—To be a faithful husband or wife, as the case may be? A—Yes, sir.

Q—In some form of words? A—Yes, sir. I consider that of a part of the obligation and a part of the work that I should see that they do.

By Senator Overman—Does not your church have some formula that is used in marriage ceremonies?

A—I have looked for it, but I have never been able to find it, and if they have, I do not know where it is.

Q—Then each member of the Mormon church who is authorized to perform the marriage ceremony uses his own formula in pronouncing the couple husband and wife? A—Yes, sir.

By Senator Overman—You would require some promise from each party?

A—Oh, yes.

Q—To be a faithful husband or wife, as the case may be? A—Yes, sir.

AMERICANS ARE FELICITATED

First Battle Was a Glorious One.

Thousands Enlisted for Even More Vigorous Campaigns for the Future.

State Committee Says There Must Be No Halt, No Retreat, but a Complete Victory.

The American Party of Utah will not remove its armor until a complete victory of its principles has been won. It means to renew the fight begun two months ago and to push the battle line nearer to the citadel of Utah's enemies.

There is to be no surrender, no retreat. The experience of the past campaign will prove valuable. It has demonstrated the fact that the new party has fully 12,000 friends in Salt Lake county.

Not all of these could operate with the Americans in the first fight because of personal or old party obligations. They have these obligations discharged now and are ready to vote for and work for the American tickets of the future.

Next month the campaign will be fought for members of the Board of Education. Later for the city of Salt Lake. The next eleven months promise to be the most important in the local political history of a decade.

It may not be as closely a contested campaign as was waged by the People's Party and the Liberals but it will be a greater contest—greater in the numbers involved and in the importance of the issues.

Hundreds of liberal-minded Mormons will help the Americans. But a few assisted the Liberals.

In this connection it will be interesting to observe the views held by the State committee of the American Party of Utah. The following address is self-explanatory.

Utah Americans Felicitated.
To the Americans of Utah: The State Central committee of the American party presents to you its congratulations upon the magnificent fight of last Tuesday.

In a little more than fifty days, an army of men has been enlisted to serve during the war. How long that war shall last no one can now foresee, but that the success of the American party is a successful issue is demonstrated by the fact that more flags were worn on the day after election, than on the day before.

The event of last Tuesday denies for all time that our party was organized by disgruntled politicians or to serve the vindictive feelings of any one against any other set of men.

The event of last Tuesday also proves that the true basis of our party is the American ideal, that the Democracy of Utah is in the hands of the American people.

Gratitude to Workers.
To all who engaged in the work, the committee extends its profound gratitude. We thank the party workers, we thank the friends of the campaign, we thank especially the Salt Lake Tribune, which waged the war throughout the State.

The State committee proposes to continue the war every day and every hour until victory shall be won. To that end, it calls upon all loyal Americans in Utah to join the party.

No Fear of Ostracism.
The State committee will aid to this end by every means in its power; but largely this work must devolve upon the people themselves.

LARGE HOP DEAL.

Reed Smoot has not pledged himself irrevocably to George Sutherland. Sutherland's friends believe that the Apostle Senator has already given the word.

But the more conservative of the former Congressman's friends will not go that far. They will not say it is absolutely clinched.

George Sutherland is the most active of the candidates. He has the solid backing of the Weber county delegation, but perhaps has another guess coming.

He has addressed a letter to the gentleman who will constitute the next General Assembly, asking for support. He asks for "support and vote."

Judge George Washington Barchant announces that he is a candidate, but will not enter into an unqualified scramble. He says he expects strong backing from friends in the East as well as in Utah.

The eastern influence in Utah is the consummation of the campaign. McCormick does not say he is a candidate, or that he will be.

Some one called up a well-known newspaper man and asked where the Republican headquarters had been removed.

All county and State officials and clerks are anxiously busy these days. The election requires great effort to dispose of.

Late reports from the Seventh Judicial district indicate the defeat of W. D. Livingston, Smootite, by Ferdinand Erickson, Democrat, for Judge, by a majority of about 22.

Going to errors in addition to the vote of Judge Hall, in this county, was given as 16,572, when it should have been 16,573.

Two more districts. Returns from Districts 71 and 77 came in last evening, leaving five still to hear from.

Both of those reported last evening give the Republican National, State and county tickets good pluralities. As is the case in all the other counties, the Presidential Electors lead by a good margin.

Roosevelt gets 171 votes. Howell follows with 158 and Cutler gets 147. The Democratic Electors get 104 and their Socialist vote averages thirty-five and the American six.

In 71 the Republican Electors get fifty-five and Howell gets 47. The Democratic Electors get 47 and Howell gets 47.

PEACE EFFORTS WILL BE FUTILE

France Believes Time Inopportune.

Diplomatic Callers at French Foreign Office Are So Informed.

Italian Ambassador in Paris Has Been Making Inquiries Among Colleagues.

PARIS, Nov. 12.—The reports of contemplated mediation in the war in the far East have again made it plain that France does not consider the time opportune to exert influence singly or jointly to induce Russia to make or accept terms.

Efforts Will Be Futile.
At the same moment that the rumors were circulating in various capitals that France intended to act, M. Delcasse, the Foreign Minister, was pointing out to diplomatic callers that efforts at mediation would be futile, when one of the Ambassadors sounded the Minister on France's intentions.

Denied by Tornelli.
Count Tornelli, the Italian Ambassador, has been making inquiries among his colleagues concerning the prospects of terminating the war, but these have indicated no definite steps in any quarter.

Discouraged Mediation.
The Russian embassy and Japanese legation have also given out statements discouraging mediation. The former said the attitude of the Russian Government regarding all propositions for mediation remains unchanged.

Impossible to Hold Conference.
The Temps (semi-official), discussing the American proposition for the reassembling of The Hague peace conference, says it is impossible to hold a meeting during the war.

American Proposition.
The paper also asserts that Count Lamsdorff, the Russian Foreign Minister, understood that the American proposition excluded the idea of a meeting pending the war, and it is surprised to learn that a meeting is contemplated during the war.

On the other hand, the Agence Russe, claiming official connections, says that Russia has accepted the American proposition in principle.

Special to The Tribune.
MODENA, Nov. 12.—W. P. Cook of Good Springs, Nev., passed through here yesterday en route to Milford. Mr. Cook said as soon as the San Pedro was ready to do business all of the ore at Good Springs and that the Adels has been shipped to El Paso, would be sent to Salt Lake, on account of the big saving in freight.

Good Springs is eight miles from the San Pedro and ore can be transported to the railroad for about \$5 per ton, and for about \$4 more it could be sent to the smelters at Murray and Milford.

Good Springs is destined to become quite a place, from present indications, as William M. Siantz has sold to Eastern capitalists the townsite, whose interests are looked after by W. H. Wilson of Provo.

J. V. Brooks passed through here yesterday en route to Caliente. He is expected to put a larger force of men to work at the mines and to ship 200,000 pounds of supplies for the camp.

Miss Ruth DePatis, who has been visiting at Copper Gulch with relatives, has returned.

Mrs. Hattie Knight is in Salt Lake on a business trip.

Deputy United States Revenue Collector Stuart passed through here yesterday en route to St. George.

Mr. and Mrs. Sam Adams of Provo were passengers on the St. George stage today.

A. C. Thomstoff of Salt Lake passed through here yesterday en route to St. George.

Lexington Chief of Police Arrests Salvation Army Leader.

LEXINGTON, Ky., Nov. 12.—By order of the Chief of Police, Miss Minnie Johnson was arrested. She stood with her feet on the streets in bare feet.

Chief Reingan expressed the opinion that it was a discredit to the city to permit a woman to stand on the streets in bare feet. When questioned, she stated that she had discarded shoes at the command of a voice from heaven, which she believed to be the voice of God.

BAKER CITY, Or., Nov. 12.—A fire which started in Brown's tailor shop today destroyed the shop and the Miller hotel adjoining. Loss, \$3000; insurance, \$2300.

EUGENE, Or., Nov. 12.—Charles Alley, who killed his partner during a quarrel over the ownership of a Keweenaw lamp, a few weeks ago, was today convicted of manslaughter. Alley made a strong plea of self-defense.
