FROM HEAD TO FOOT You feel the good that's done by Doctor Pierce's Golden Medical Discovery. It cleanses, regulates and invigorates Stomach, Liver and Bowels and so purifies the blood. And through the blood, it cleanses, repairs, and invigorates the whole system. In recovering from "grippe," or in convalescence from pneumonia, fever, or other exhausting diseases, nothing can equal it as an appetizing, restorative tonic. It builds up flesh and strength. It rouses every organ into natural action, promotes all the bodily functions, and restores health and vigor.

For every disease that comes from food or weak stomach, a torpid liver or impure blood, indigestion, biliousness, and the most stubborn skin, scalp, or scrofulous affections, the "Discovery" is a sovereign remedy. Don't be hypnotized, wheedled, or over-persuaded into accepting a substitute only that some selfish medicine seller may make a greater profit on the inferior article. The "Discovery" has a great record of nearly forty years with thousands of cures behind it.

Four or five years ago my blood became impoverished and I became run down. I had no appetite, could not sleep, and was practically unfit for work. Suffering from indigestion, biliousness, and skin eruptions, I was in a bad shape. Dr. Pierce's Golden Medical Discovery relieved me of my wretched condition. The medicine built up my system and restored me to a normal condition. I can speak most highly also of Dr. Pierce's Favorite Prescription, as it has been used in my family for years in cases of female trouble.

U. S. SENATOR FROM SOUTH CAROLINA Recommends Pe-ru-na For Stomach Trouble and Dyspepsia.

Ex-Senator M. C. Butler.

Hon. M. C. Butler, Ex-U. S. Senator from South Carolina, two terms, in a letter from Washington, D. C., writes to the Peruna Medicine Co., as follows: "I can recommend Peruna for dyspepsia and stomach trouble. I have been using your medicine for a short period and I feel very much relieved. It is indeed a wonderful medicine, besides a good tonic."

Dyspepsia Is Nothing More Nor Less Than Catarrh of the Stomach.

Dyspepsia Remedies Are Useless. Remove the Cause—This is the Only Rational Means of Cure.

Pe-ru-na Cures Catarrh—Whether of the Stomach or Any Other Organ, Therefore Pe-ru-na Cures Dyspepsia.

CATARRH of the stomach is the correct name for most cases of dyspepsia. To undertake to treat dyspepsia by the use of palliatives is only to temporize without any permanent results. In order to cure catarrh of the stomach the catarrh must be eradicated. To eradicate the catarrh, a catarrh remedy must be used.

Manifestly, a local catarrh remedy cannot be used in such cases. Only an internal catarrh remedy, such as Peruna, is available. Peruna exactly meets the indications.

Do Not Delay. If you suffer from indigestion or dyspepsia, and have tried ordinary remedies without relief, it is safe to assume that your case is one of catarrh of the stomach. Do not neglect this condition. Delays are dangerous.

A bottle of Peruna taken now will save you much needless suffering and expense.

Suffered Three Years. Milburn Kenworthy, 600 Broad Street, Newark, N. J. Sec'y Retail Clerks Union, writes: "I have been troubled with catarrh of the head and stomach for about three years. I decided to try Peruna. In three weeks I was much better. In seven weeks more I was well. I am very much pleased with Peruna."
