

Great Factory Lots and Year End Sale

WALKER'S STORE

begins Monday, November 27th

Ends Saturday, December 2nd.

Again the Walker Store demonstrates its wonderful facilities for merchandising. This time it will be a striking exhibit of what is possible when a firm of this magnitude really exerts itself to prepare or a great sale.

Every department has been subjected to the most rigid search and wherever lines or sizes were at all broken, they have promptly been included in the underpricing.

Many factory lots of this season's merchandise have been sent us by our New York representative, and these added to the already wonderful assortments, unite in making the grandest and most comprehensive sales ever inaugurated in this city.

A STUPENDOUS FACTORY LOTS AND YEAR END SALE TO PREPARE FOR STOCK TAKING.

The assortments are exhaustive, the qualities are the best and the prices—read and judge them yourself.
