Mrs. C. A. Blocher and Miss Alice J. Fisher entertained a large company of ladies at a beautiful reception at the home of Mrs. Blocher Saturday afternoon...

The regular meeting of the O. E. S. will be held at Masonic hall tomorrow evening...

WHAT SULPHUR DOES

For the Human Body in Health and Disease.

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-all, and mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was crude and unpalatable, and a large quantity had to be taken to get any effect.

Nowadays we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and sold in drug stores under the name of Stuart's Calcium Wafers.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and health. Sulphur acts directly on the liver, and excretory organs and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers knew this when they dosed us with sulphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were often worse than the disease, and cannot compare with the modern concentrated preparations of sulphur, of which Stuart's Calcium Wafers is undoubtedly the best and most widely used.

They are the natural antidote for liver and kidney troubles and cure constipation and purify the blood in a way that often surprises patient and physician alike.

Dr. R. M. Wilkins while experimenting with sulphur remedies soon found that the sulphur from Calcium was superior to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, I have been surprised at the results obtained from Stuart's Calcium Wafers. In patients suffering from boils and pimples and even deep-seated carbuncles, I have repeatedly seen them dry up and disappear in four or five days, leaving the skin clear and smooth. Although Stuart's Calcium Wafers is a proprietary article, and sold by druggists, and for that reason tabooed by many physicians, yet I know of nothing so safe and reliable for constipation, liver and kidney troubles and especially in all forms of skin diseases as this remedy."

At any rate people who are tired of pills, cathartics and so-called blood "purifiers" will find in Stuart's Calcium Wafers a far safer, more palatable and effective preparation.

PROVO SOCIETY

Special to Tribune. PROVO, Dec. 9.—The largest event of the week was the "Bazaar" given by a number of Provo's boys, among them being Sam Thurman, Ross Wootler, Ralph Jones, Frank Abelson, Bruce Housen and Will Barry...

BUCK'S STOVE & RANGE. THE SALT LAKE TRIBUNE. SUNDAY MORNING, DECEMBER 10, 1905.

Why He Stayed Home. He was one of the happiest "kidds" in town. He stood in front of his home and grinned enthusiastically as he saw the others unwillingly bend their way toward school. "Come on, Harold," shouted several of the boys. "Not on your life," answered the rejoicing Harold. "No school for me today. I'm going to stay home." "What's the matter, sick?" "Your ma sick." "Well, why?" "Oh, cause, you see my gran'ma's come to spend the day with mamma and gran'ma she's awful hard on beazie. Mamma's got a cold on her chest, and in her neck, and she can't talk loud enough if gran'ma to hear what she says, so I've got to stay home to tell gran'ma what mamma says. See?"—Indianapolis News.

TEA. Is tea generally so bad? It is rather uncertain generally, there is no difficulty in getting it good. In every package of Silling's Best Tea is a booklet How To Make Good Tea.
