Gains Force During First Hour on New York Exchange.

RES RECOVER TOWARD THE CLOSE OF THE DAY

and Smelter Stocks Are Up on the Talk of Merger.

NEW YORK, Feb. 16.—Protective measure of the stock market were centered in the few points and proved effective in checking the decline, which gained during the first hour and was actively renewed in the final hour. With the falling tendency there was sufficient demand from the recovered short interest to effect a recovery. There was a notable amount of activity on this rally, more than half of the day's total business completed during the first hour. The demand was languid and the market was quiet and this had most to do with the improvement in sentiment. The market went higher again on exchange of an early announcement of a stock subscription privileges granted to account for the rise in the Central, but without any recovery. DUN'S AND BRADSTREET'S

Foreign Trade of United States Promises to Surpass All Records. NEW YORK, Feb. 16.—R. G. Dun & Co. weekly review of trade tomorrow will say: Weather conditions have continued to stimulate retail trade in seasonable merchandise, part of the earlier unseasonable results being offset by a vigorous demand for winter clothing and footwear, while household consumption has revived. Retail trade, so that coal dealers will not carry over as heavy stocks at the end of the season as was indicated by last month's business. Domestic hides continue dull and weak. Leading Western packers ask prohibitive prices, which curtails business, preventing accumulation of stocks rather than accept low bids made by large firms. Failures this week numbered 24 in the United States, as against 23 last year and 22 in Canada, compared with 22 a year ago.

A carload of Santa Paula seedless lemons was the biggest shipment of any California goods to arrive. Utah-grown pleiplant and spinach were to be found on a number of the stands in the local market, and both looked very appetizing. Pleiplant is bringing 20 cents per pound and spinach 10 cents per pound. Rainbow trout, at 40 cents per pound, was added to the fish list Friday. WHEAT AND CORN ARE HEAVY EXPORTS FROM ARGENTINE AND INDIA CAUSE BEARISH MOVE IN THE PIT.

CHICAGO, Feb. 16.—The wheat market was weak throughout the day. From the west there was free selling by pit traders and commission houses, but later in the day several lines of long wheat were thrown on the market. The chief selling incentive was a report from Argentina that the exports from that country for the week were 3,608,000 bushels, compared with 2,392,000 bushels the previous week. It was reported also that arrivals at the seaboard were a break of 1d a bushel in the price of wheat at Liverpool and an estimate that the exportable surplus from India is 1,000,000 bushels, against an average of 3,000,000 bushels for the last five years.
